1925 SUPERIOR MODEL
CHEVROLET GIVEN AWAY

TO ESTABLISH BEET
SUGAR INDUSTRY

LETHBRIDGE, Oct. 29.—The
Utah-Idaho Sugar Company has
approached the Provincial Govern-
ment for assistance in connection
with establishing a beet sugar
factory in the southern part of the
province, probably in the Cana-
dian Pacific irrigation block. It
is stated that the Government
looks favorably upon the proposi-
tion, and will no doubt furnish the
project. Experts of the Sugar
Company have been making invest-
igations in Southern Alberta in re-
gard to the growing of sugar beets
on a commercial scale, and it is
understood that their report has
been favorable towards the estab-
lishment of a plant in Southern
Alberta.

RUST-PROOF IRON

You can make ironwork rust
proof by heating it until it is al-
most red hot and then brushing
over with linseed oil.
