Twenty-four candidates received the Apostolic rite of Laying on of Hands large congregations listened with rapt attention to the earnest, helpful, and instructive address given by His Lordship in the Churches of S. During the present Rector's tenure of office fifty persons have been received into full membership in the Church.

William Stewart, President of the school Board, occupied the chair. The program, which was a very good one was carried out in detail, without a skip. The children behaved splendidly in each of the different acts, showing plainly that they took a deep interest in entertaining the audience. The flag drill was good, as was also the tableau. Each of the successful prize winners came forward and received their prizes, acknowledging the same in a very courteous manner. Nothing could be prettier than to see so many happy children gathered in one place. At the close of the entertainment the National Anthem was sung and the little folk showed plainly by their shouting that they were free once more.
