—MARIE INSTITUTE—The April meeting of the Marie Women's Institute was held at the home of Mrs. Freeman Bowley, on Wednesday evening, the 9th inst. Seven members and four visitors were present. Meeting opened by singing "The Ode". Roll call was responded to by "A town or city and what it is noted for." Minutes of last meeting, also minutes of February meeting were read, approved and signed. A copy of the letter of sympathy, which was sent to Mr. Webster and family, also an answering letter of thanks were read for the benefit of those members who were not present at the March meeting. A letter from the Supervisor concerning the making of lines for the new sanatorium was then read. On a motion, it was decided that we help in the making of same, and the secretary was instructed to order material accordingly. The members planned to meet at the home of Miss Carrie Sanderson to complete the work as soon as the material arrives. The balance of the money voted at a previous meeting to buy books for the school, was given to the teacher. A book of lottery tickets was received from a neighboring Institute and disposed of at our meeting. The members desired to have a letter sent to the Secretary of the school about the removal of the fence around the school. The next meeting will be at the home of Mrs. T. R.
