

Don't Dally with a Cold!

It's a dangerous visitor—show it the door. The quicker you get rid of it, the less likely it will be to return.

NA-DRU-CO Syrup of Linseed, Licorice and Chlorodyne

offers probably the quickest, most effective means of doing this. It promptly relieves that stuffed-up feeling, soothes the irritation that causes the cough, loosens the phlegm, promotes expectoration, and drives out the cold completely.

It contains nothing injurious—in fact, we'll gladly give your physician or druggist, on request, a full list of its ingredients.

In 25c. and 50c. bottles. 114 National Drug and Chemical Co. of Canada, Limited.

DON'T LET THAT COUGH ROB YOU OF SLEEP

You probably know all too well how it goes. Just as you doze off, the tickling starts in your throat. A gentle cough, still asleep. A harder cough, and then another. First thing you know, you're wide awake, coughing your head off.

A few nights of that and you're so worn out and weakened that the cough takes a tight grip on you.

But why endure it?

Na-Dru-Co Syrup of Linseed, Licorice and Chlorodyne will soothe that exasperating tickling, loosen the phlegm and cure the inflammation of the mucous membrane. It not only stops the cough quickly, allowing you to get sound, refreshing sleep, but it goes to the root of the trouble and drives out the cold completely. Children willingly take Na-Dru-Co Syrup of Linseed, Licorice and Chlorodyne, because it tastes so good. Your Druggist has it or can quickly get it for you in 25c. and 50c. bottles.
