Lay Association Meets in O'Leary
The Lay Association of Prince Edward Island of the United Church held a very successful conference at the O'Leary United Church on Wednesday, July 6th, with morning, afternoon and evening sessions. Delegates were present from Charlottetown, Kensington, Margate, Summerside, Alberton, Montrose, O'Leary, etc.
Morning Session
The morning session took the form of an inspiring prayer meeting, capably led by Mr. Thomas Moyle of Bedouque.
Afternoon Session
The afternoon session opened with a fine devotional conducted by the secretary-treasurer of the Association, Mr. Ralph Calbeck of Bedouque. The president, Mr. Russell Leard of Casumpe then took charge of the meeting and cordially welcomed the delegates. After which Mr. Calbeck read the minutes of last year's Lay Association. The president then appointed the nominating committee whose chairman was Rev. P. A. Fitzpatrick of Alberton and the resolutions committee with Rev. W. G. Dickson of O'Leary as chairman.
The theme of the conference was "The Need of Conversion." The first speaker was Rev. Mr. Evans of Orwell-Vernon charge, who read a fine paper on the subject. A splendid address on the topic was then given by Mr. J. H. Bryan of Summerside, lay preacher of the United Church at Boylston, N.S. The final speaker was Mr. Walter Lord of Cape Traverse. His remarks, like the other speakers' were listened to with rapt attention. A spirited discussion followed the addresses. Mr. W. E. Brooks, Summerside, gave a report of the Lay Association Fund.
Evening Session
The evening session opened with a fine devotional conducted by Mr. J. H. Bryan. Two fine addresses on the need of conversion were then given by Rev. Gordon Stevens of Margate, a former minister of Springfield West, six miles from O'Leary, and by Rev. Percy A. Fitzpatrick of Alberton.
Officers
The nominating committee then brought in the following slate of officers for next year:
President: Mr. Russell Leard of Casumpe; (re-elected) president; Major Lowther; secretary-treasurer, Mr. Ralph Calbeck, Bedouque (re-elected). Other two members on the executive are Mr. C. H. Black of Charlottetown and Mr. Walter Lord of Cape Traverse.
Resolutions

3. Resolved that we as a Lay Association recommend that the Ministers of the Presbytery give more encouragement to the laymen of our congregations, with a view that they may be granted more lay preachers' licenses.
4. Resolved that we recommend to Ministers and Sessions of O'Leary that a Lay Association be organized in all places.
Delicious meals were served by the Ladies' Aid of O'Leary in the Community Hall.
Blue Sox Are Awarded Game After Argument
Umpire Glen DesRoches awarded a regular Summerside Town Baseball League fixture to the R.C.A.F. Blue Sox after an altercation with catcher K. Walker of Holman's, the opposing team, in the top of the eighth inning at the High School diamond last night. The score was 3 to 1 in favor of the Airforce when there was one out on the top of the eighth and Holman's had not had their eighth inning at all. The game was hard fought and after the Blue Sox had scored in the fourth, the score remained knotted at 1-1 until the Flycatcher pushed two runs across the plate in the eighth inning. It was then that Holman's catcher protested a decision at first base, was waved out of the game, and after further disputing, the game was awarded to the Airforce. Hume of the Airforce and Gallant of Holman's were the leading hitters, trying to steal each other, getting two for each. Walker, Holman's catcher cut down three Airforce runners during the game. Murphy's home run to left field scoring Hume ahead of him in the eighth inning was the feature single of the game.

R.C.A.F. Station Offers Fountain To S' Side
At the regular monthly meeting of the Summerside Town Council held last evening Mayor J. F. Arnett announced that the R.C.A.F. station, Summerside through the commanding officer, Wing-Commander R. E. Cross had expressed a desire to donate a fountain to the Town of Summerside to be placed in Memorial Park. The purpose of the gift is to express the good relations that have always existed between the station and the Town. There would be a suitable plaque on the fountain which was of a rustic nature. The local air station, Mayor Arnett said that he has always thought it a pity that there was no fountain to the square and it is very generous of Wing-Commander Cross to make the offer. All members of the Council were present at the meeting which was of a rustic nature. A letter was read from the Canadian Federation of Mayors and Municipalities explaining a new fund that is being set up to provide for expanding activities and said that Summerside's allotment would be \$40 a year for the year. A motion was passed that this amount be paid. A report was read from Duke Street, Milton Avenue and a sidewalk was laid on Northumberland Street and the next one on Duke Street from Water Street to Northumberland Avenue. A motion was passed that a new sidewalk be laid on the west side of Duke Street from Water Street to Northumberland Avenue. Councillor Driscoll read the police report in which reference was made to the fact that the remaining open late at night and groups of young people congregating in the streets. A motion was passed to the effect that the closing hours of these places be eleven o'clock at night. Councillor Gorrie again complained about speeding by motorists and said that there is not one case for speeding in last month's activities of the Police Department. He referred to many high speeds which obstruct the view of motorists at intersections. Mayor Arnett agreed that there is a need of fast driving and asked Councillor Driscoll to have the police department request of the Fire Department. Councillor Sheen reported an increase over last year in taxes paid in June 1949. A motion was passed being moved by Councillor Gorrie seconded by Councillor Driscoll that a sum of \$25 be voted to provide an entertainment for displaced persons which will be arranged by the citizenship committee.—S.
S' Side Golf Club Having Big Season
The Summerside Golf Club is having possibly the biggest and most successful season in its history under the presidency of Mr. Harold E. Gaudet, who is devoting time and effort to that end. The course is in excellent condition and the membership is at a new high. The club house was renovated last year and this spring an electric range was purchased for the kitchen. The teas on Wednesday afternoons have been exceptionally popular this year with a large attendance each day. Mr. Ernest Doucette has been appointed club caretaker and is doing a good job keeping the premises in good condition and operating the canteen. Some of the new membership this year is made up of officers and men from the R.C.A.F. station who have joined the club and are taking full advantage of the facilities available. They are also adding zest to the various competitions. It is noted also that many older players who have not been active for some years are playing this year and showing their old time form. An unusually large part of the credit goes to Mr. Gaudet who has made a great deal of time at the club looking after things and making improvements. At the same time he is receiving good cooperation from the members of the executive and committee chairman. It is expected that weekly dances will be held later in the season.—S.
Keen Racing At Springfield On Saturday
Some smart racing was witnessed at the Sunny Acres track, Springfield, last Saturday when full matinee horse racing program was run off before a large crowd of fans. The Class A was the first event to take the word and saw Laddy Dale in the last few strides to the wire, with Question Mark placing third. The second was much the same as the first with Laddy Dale leading over most of the course but went into a break on the back stretch to relinquish his lead to Indian Land and had to cover a really fast last quarter to beat Question Mark in for second place. In the final heat, however, Question Mark came through with a strapping upset to beat both horses to the finish and cop of the heat. In the Class B event, Jerry Worth did a nice piece of trotting to take the race in straight heats over Betty S. and Honey Bee, who placed second and third respectively in straight summaries. Class C, the final event on the program, saw five horses go to the wire, and although Bonny L. took the race in straight heats, Strawberry Girl made it a driving race in the first heat, while in the second and third heats Norma Kalmuck was the chief contender, to take second place on the race. Simko Peter also hit a fast clip in spots during this race, but couldn't stand up to the steady pace set by the leading entries.

which Jean Negulesco has directed. The villain of the piece is Stephen McNally. He played the role in the stage version of "Johnny Belinda" now being filmed by Lew Ayres—that of the young small-town doctor. In the film version McNally is a black villain indeed; the man who not only attacks Belinda, but kills her father (Bickford) as well. Jan Sterling, a newcomer to the picture, has another key role in the picture as Stella, McNally's wife. Miss Sterling was tested for the part while on a two-week vacation from the Chicago company of "Born Yesterday" in which she had the lead. When notified she had won the role, Miss Sterling finished up her two weeks with the Chicago company, hopped a plane for Hollywood and then another for Fort Bragg, upstate, where she joined the company. Miss Sterling has an imposing list of stage credits. They include Terrence Rattigan's "Grey Farm" with Oscar Homolka; "Panama Hattie" with Miss Cornelia; "Panama Ruth Gordon" and Judith Anderson; "The Rugged Path" with Spencer Tracy; and "Present Laughter," with Clifton Webb.
