After five days' intense convention activities, visiting delegates of the Catholic Women's League are returning to their homes today, charmed with the hospitality and summer beauty of Prince Edward Island, inspired by the addresses heard during the meetings, and encouraged by fresh contact with minds of kindred aims and purposes from all the Provinces. The 11th annual convention of the League, it has been agreed by the delegates, will go down as the greatest gathering of the organization held so far in Canada.

To Mrs. W. J. MacIntyre, first vice-president and one of the pioneers of the Catholic Women's League in Canada, fell the honour yesterday of being unanimously elected as National President.

Following are the new executive officers: Pres., Mrs. W. J. MacIntyre, Charlottetown; Past Pres., Mrs. M. Lyons, Ottawa; 1st Vice Pres., Mrs. J. C. Keenan, Toronto; 2nd Vice Pres., Mrs. J. W. Connolly, Edmonton; 3rd Vice Pres., Miss Rose McDermid, Guelph; Hon. Sec'y, Mrs. J. J. Coffey, Montreal; Treas., Miss Sara Tansey, Montreal.

Yesterday morning's session was devoted almost entirely to the presentation and consideration of Diocesan reports. 25 of these were dealt with, outlining the activities of the League throughout Canada.

The following resolutions were passed: The C. W. L. Convention today named a resolution renewing their loyalty to the Pope and deploring the injustice which interferes with the right of the Church to train Catholic youth, according to Christian principles, an interference which burns churches, destroys convents and which would limit the exercise of the Catholic Religion in Regions almost wholly Catholic.

Desire was expressed to co-operate with the wishes of the Holy Father expressed in his encyclical on Christian marriage by being prepared at all times to explain and defend, both as individuals and as an organization the Church's views on birth control, divorce and other evils referred to therein.

storm as the most masterly exposition of man's inalienable rights to social existence in a manner consonant with human dignity.

Another resolution endorsed World Disarmament. A resolution was passed to be sent to Rev. Philippe Casgrain, Port Chaplain of Quebec drawing the Government's attention to the notorious fact that in many places in this country children most of foreign origin are being induced to attend evening schools usually held in Bolsheviki Clubs where they are taught subversive doctrines to instill into their minds Communist ideas. Such pernicious propaganda is calculated to make such children become a menace to the Community. The authorities were urged to deport or otherwise suppress the self constituted teachers of these schools.

Votes of thanks were extended to the Bishop, Lieutenant-Governor, the Mayor, the congregation of Notre Dame, the President of the Charlottetown Sub-Division, Mrs. W. J. MacIntyre, Convener of convention arrangements, the Catholic Nurses, the President and Executive, and the Executive Secretary, the Boy Scouts, and the Canadian National Hotel.

Convention business was concluded yesterday afternoon, when the delegates were driven to Dalway for a delightful supper.

After returning from Dalway the delegates attended St. Dunstan's Basilica, where Benediction of the Blessed Sacrament was given.

It was also resolved that the C. W. L. petition the Minister of Customs to exercise a more diligent scrutiny of the type of foreign tabloid and other magazines coming into Canada which have aptly been described as "dirty literature" and which with their sensational display of corruption, graft and thuggery cannot but corrupt the general public if even by creating a cynical indifference towards such things by ordinarily decent people to say nothing of the effect upon the mind of the youth.

The Convention by resolution went on record as believing that peace must be the result of easing international relations on justice and charity and therefore that the Convention approve of direct negotiations by which a willingness to arrive at mutual understanding and mutual concessions which alone can bring about world peace and the preservation of the world. It was further resolved that the study of various papal pronouncements of this subject should be a part of the C. W. L. Programmes.

New President

MRS. W. J. MACINTYRE
Who was unanimously elected National President of the Catholic Women's League of Canada at an executive meeting of the League held yesterday.

PRESENTED WITH TOKENS OF REGARD

Mr. John Anderson,
Retiring Provincial
Auditor, Pleasantly
Remembered Yesterday.

Yesterday afternoon in the Confederation Chamber, Mr. John Anderson, Provincial Auditor, was presented by members of the staff of the Provincial Building with a handsome arm-chair and gold coin on the occasion of his retirement from office after nineteen years' service. The presentation was made on behalf of the staff by Premier Lea, who referred with satisfaction to the manner in which Mr. Anderson had discharged the duties of his responsible office and expressed personal appreciation of his character and ability.

Mr. Anderson, who was taken pleasantly by surprise, made an appropriate address in reply. Further complimentary remarks were made by Messrs. H. H. Shaw and Cecil Stewart.

Mr. Anderson is retiring on superannuation allowance. No successor to the office has yet been appointed.

THE DAILY NEWSPAPER

(Canadian Press)
REGINA, Sask., July 3.—"Newspapers, and I am referring now to dailies, are in danger of enslaving themselves by their great hesitancy in standing out in public causes," said J. W. Daceo, veteran editor in chief of the Manitoba Free Press, addressing delegates yesterday to the Canadian Weekly Newspaper Association's convention.

Baptists Hold 64th Annual Conference

Provincial Convention Now
In Progress At Central
Bedeque. Inspiring Addresses
Featured Opening Sessions.

The sixty-fourth annual convention of the United Baptist Churches of Prince Edward Island opened at Central Bedeque Baptist Church on Thursday evening. Mr. J. C. Peacock of O'Leary, moderator was in the chair, and led the devotional exercises.

Mr. A. G. Crowe, pastor of Bedeque church, gave an address of welcome to the visiting clergy and their wives, to the delegates and visitors; and to the representatives of the Home Missions.

Rev. M. Crowe, who has a pleasing personality, said it gave him much pleasure that his church was honored with the convention this year, and he extended a hearty welcome to all from himself and the congregation of Bedeque. He hoped that the four days visit would be a delightful one for the many visitors and also one of instruction and help.

Rev. H. C. Morgan of Dundas in a few pleasing words replied to the address of welcome.

The chief speaker of the evening was Rev. C. W. Rose, D. D., who is on the staff of Wolfville University. Dr. Rose is an old graduate of Wolfville and has held pastorates in Ontario, Amherst and Kentville. This is his initial year as pastor to the students of the University. In a very instructive address the speaker gave an outline of the work carried on at the University. It was an excellent year with a large enrollment. He spoke of the splendid religious services attended by the young women and the great success of the young men's services.

The Y. M. C. A. of Halifax had helped very much from time to time. The appointment of a special pastor for the University was a step in the right direction and he hoped that other years would be as successful as the first. The speaker closed with complimentary remarks on the splendid attendance at the Convention.

Among prominent visitors attending were Miss Mabel Archibald, and Miss Laura Bain, returned missionary; Dr. Mason and Dr. Boyer of Nova Scotia, besides a number of Island clergymen.

The convention is to continue until Sunday, when religious services will be held at Bedeque Church to which all Baptists are invited.—S.

NEW CAR FERRY IN SERVICE ABOUT JULY 15

Railway Authorities
Doubtful of Being
Able To Provide
Special Excursion
Fare Over Week
Ends.

According to latest information available to railway authorities at Moncton, the new car ferry steamer will be placed in service about the 15th of this month.

Word to the above effect was received last night by Mr. S. A. MacDonald, president of the Associated Boards of Trade, from Mr. W. A. Appleton, general manager, Atlantic Region.

Replying to an inquiry from Mr. MacDonald as to the possibility of offering a special return fare of \$5.00 for week end trips during the summer season, Mr. Appleton wrote that this matter has already been brought to the attention of the Traffic Department and after careful consideration it was decided that the reduction in the rate already provided for when the new boat goes into service is all that can be done in view of the heavy expenditures that have been necessary in connection with the new service. The request, however, has again been referred to the traffic manager.

Mr. MacDonald, in his communication, pointed out that an excursion fare would lead to considerable increase in the automobile traffic to and from the Province.

Twenty-Five New Toronto Industries

(Special to the Guardian)
TORONTO, July 3.—Nearly as many new industries came to Toronto during the first six months of this year as came during the whole of 1930, according to H. B. Keenleyside, general manager of the Toronto Industrial Commission. Since the beginning of the present year 25 new industries, manufacturing a wide variety of products have been established here as compared with a total of 30 for the whole of last year. The new industries, all but two of which are of United States origin, occupy 220,000 square feet, or approximately five acres of manufacturing floor space, have a total plant investment of more than \$1,200,000, and are giving employment to more than 650 people.

"It is gratifying indeed," said Mr. Keenleyside, "that during a period of comparative slackness in industrial activity, Toronto has been fortunate in securing so many new industries which are contributing considerably to the relief of the unemployment situation."

OTTAWA, July 3.—Rt. Hon. F. A. Anglin, Chief Justice of the Supreme Court of Canada, and Mrs. Anglin, are leaving today for a motor trip to the Maritimes.

TORONTO, July 4.—Moderate winds, partly cloudy; probably a few scattered showers.
