JUST A FRAME OF BONES.

Dr. Cassell's Tablets Cure When Cure Thought Hopeless

A wasted wreck for eight years and weak as a baby.

Thought he was going into a rapid decline.

No treatment tried did any good.

New Health and Strength from
DR. CASSELL'S TABLETS.

As a result new vigour is put into the bodily organs, which thus regain their power to work with that perfect efficiency which means health for the entire system.

WASTED TO A SHADOW through Stomach Disorder.

"I feel I could go out into the street and tell everybody I meet about Dr. Cassell's Tablets," exclaims Mr. Wooding, of 32, The Green, Belgrave, Leicester, England. And who can wonder at her enthusiasm? Think of a mother who, believing her child doomed, by chance finds a remedy which restores health abounding and complete.

Mrs. Wooding continued: "To me it is a marvel that any medicine could act as these tablets did, for my child was to all appearance dead, but for hope of recovery. The beginning

of the trouble was an attack of measles about a year ago. My other children who had the complaint got over it all right, but Henry was left with stomach trouble, which no treatment I tried could relieve. Poor child! He could not keep anything at all on his stomach. We had advice, of course, and did all that was possible, but no relief followed. Whatever we gave him returned. We tried milk and lime water, but even that came back, and to add to his suffering he was so constipated that the strongest purgatives had to be used. He was wasted to a perfect shadow, and so feeble that sometimes we thought he was dead.

"It was one night while I was sitting up with him that I read about Dr. Cassell's Tablets. Next day I got some, and the result was so good that I saw I had found a real remedy. Soon my child began to eat, and rapidly he grew well and strong. Now he is brimful of life and activity."

BRITAIN'S GREATEST REMEDY
Popularity Now World-Wide.

Cures like these only tend to emphasize the power of Dr. Cassell's Tablets to cure Nerve and Bodily Weakness in young and old, and recovery should be considered hopeless until this remedy has been tried. Begin taking Dr. Cassell's Tablets at once if you are suffering from Nerve Break-down, Nervous Fatigue, Infantile Weakness, Neurasthenia, Sleeplessness, Anemia, Kidney Trouble, Dyspepsia, Stomach Disorder, Wasting, Palpitation, and every ailment which is a hindrance to the progress of the young and old. All druggists and storekeepers throughout the Dominion sell Dr. Cassell's Tablets at 50 cents. People in outlying districts should keep Dr. Cassell's Tablets by them in case of emergency. A free sample will be sent on receipt of 5 cents for mailing and packing, to the sole agents for Canada, H. P. Ritchie and Co., Ltd., 10, McCaul Street, Toronto, Ont.

"Had it not been for Dr. Cassell's Tablets I believe I should never have worked again; I hardly think I could have lived." These are the words of Mr. Ernest W. Barrett, of 32, Cecil-road, Gloucester, England, a young man, now in the perfection of health and vigour. And he goes on: "The tablets cured me of a long and serious illness when all methods I tried had failed, and now I am as well and fit as anyone could wish to be."

"It is eight years since the trouble came on. I caught a cold, which turned to pleurisy and rheumatic fever, and for nine weeks I lay between life and death. When at length I could be taken downstairs I was a wreck of my former self, wasted to a frame and weak as a baby. One side was all drawn up, and if I tried to straighten myself the pain was intense. I used to hobble about on sticks or get my father to take me out just a little way, leaning on him all the time. But instead of getting better I got worse. I had the best advice; but all the medicine I took proved quite useless. It was thought I was going in a rapid decline, and that nothing could save me. I was just a frame of bones by this time, and I can't tell you how weak and miserable I felt."

"However, my father chanced to read about Dr. Cassell's Tablets, and got me some. I shall never cease to be grateful for the result. I began to mend almost at once. Slowly my strength returned, I

strengthened up, got an appetite, and it was just wonderful how I built up flesh. At the present time I am a little over the weight for my height, and in the very pink of condition. I have never had a day's illness since Dr. Cassell's Tablets cured me."

How are good results like this brought about? The explanation is this: Dr. Cassell's Tablets are composed of the elements each one of which has definite restorative action on the nerve centres which control the various processes of life.

MONDAY.

MILITARY COURSE.—Messrs. F. B. Rogers, Irving McLaren, and C. E. Rattee have gone to Halifax to take a Lieutenant's course at the Royal School of Infantry, Wellington Barracks. Lieutenants J. S. Bagnall and A. E. B. Murphy, of Charlottetown and Tignish respectively, attached to No. 4 and H. E. Sydney, are taking the Royal Siege Artillery course.

SLOWLY RECOVERING.—Mr. John Griffith, of the Postal Service here, arrived home Saturday morning from Niue, a small island in the Pacific, where he had been on a tour of inspection with his mother, Edward, home. It will be remembered that the latter was shot and badly injured by train robbers whom he bravely opposed. This happened some months ago, since then the young man has been in the hospital and at last is able to come home, where he will be taken every care of.

WELL KNOWN HERE.—Miss Laura M. D. Mitchell, of this city, received official notice that she has won a gold medal at the San Diego exposition on her display of work in miniatures, says the Alhambra Daily Advocate. Miss Mitchell is well known in Charlottetown, being a daughter of the late Mr. Frederick Mitchell, Cashier of the Merchants Bank of Prince Edward Island and granddaughter of the late Mr. John Brecken, of this city. She is a niece of Major and Mrs. Leigh. Her many Prince Edward Island friends will be glad to hear of her success.

WEDDING BELLS.—The marriage was quietly celebrated on Saturday morning by the Rev. D. Fullerton of Miss Blanch Della Toombs, daughter of Mr. and Mrs. George H. Toombs, city, to Mr. Albert E. Dumont, C. E., of Montreal. The bride, who was unattended, looked very winsome in a light green travelling suit with large black picture hat and carried as a wrap a very handsome black plush coat with Persian lamb trimmings. After the ceremony a dainty breakfast was served at the bride's home, only the immediate friends being in attendance. The happy young couple leaving almost on their honeymoon to the groom's home in Montreal. The Guardian joins in wishing Mr. and Mrs. Dumont heartiest congratulations.

PATRIOTISM.—Two brothers from Trenton, (New Glasgow), named Hickson, are on the firing line. The eldest, a brother, Stewart, aged nineteen years, enlisted in the Thirtieth Battalion, first contingent, and has been on the firing line ever since last February. When Stewart enlisted his brother, Edward, was only sixteen years of age. But he, too, was determined to enlist. His parents objected on account of his youth, being two years under age. However, as soon as Edward learned that his brother was in the trenches, nothing could keep him any longer, and he enlisted in the 40th, leaving Trenton in the month of March, and was shot. From the 40th this youngster (only 17) was drafted into the 23rd Battalion at Shorncliffe, and is now in France. His only ambition was to get into the fighting line as soon as possible.—Halifax Herald.

(The father of the young soldier, John Hickson, formerly resided in Georgetown. They are nephews of Mr. Geo. Stewart, machinist, of Charlottetown.)

WILSON & MACKENZIE WEDDING.—Miss Christie Janet MacKenzie and Mrs. Joseph J. E. Wilson were married Thursday evening October 28th 1915 at the home of the bride's sister Mrs. Fred C. Macdonald of 100 Park Street, Dorchester Mass. Promptly at eight o'clock the bridal party entered the parlor to the strains of "Lohengrin" wedding march played by Miss Adelaide Albright. The ceremony was performed by the Rev. W. W. Everts the double ring ceremony being used. The bride was most becomingly gowned in white organdie and tulle, the wedding veil fastened with orange blossoms, and she carried a bouquet of pinks. The maid of honor was Miss Arabelle MacKenzie, cousin of the bride, she wore white net over pink satin and carried a bouquet of daybreak pinks. Mr. Wilson was attended by Mr. William Robinson of Lynn Mass. and his friends attended the reception that followed and their gifts which were many testified to the popularity of the young couple. Mrs. Wilson was born in Mt. Vernon P. E. I. while Mr. Wilson is a native of New York. Following a short trip Mr. and Mrs. Wilson will make their home in Lynn Mass.

CAR FERRY WILL PLY HERE.—Mr. E. H. Barr, secretary of the Charlottetown Board of Trade, received Saturday from Mr. Gutelius, general manager of Government Railways, a reply to an enquiry forwarded a few days previously, to the effect that the Car Ferry steamer, Prince Edward Island, would be plying this winter on the Charlottetown-Pictou route, and later on the Georgetown-Pictou route. As to the disposition of the other ice-breakers nothing has yet been announced.

ARRIVED HOME.—The following N.C.O.s and men of the 82nd Regiment, who have been on garrison duty in Halifax, and who have joined the P.E.I. Re-enforcements Company, arrived in Charlottetown on Saturday evening:—Sergeants P. Pineau, F. King, R. E. Howard; Corporals J. D. Macdonald, J. G. Macdonald, Williams, F. Lockerby; Lance-Corps A. TUESDAY

PROPERTY EXCHANGE.—Mr. John Sullivan, Blacksmith of Cardigan Bridge, has exchanged his property in the village with Mrs. Michael Costello. Mrs. Costello has moved into Mr. Sullivan's late residence on Main street, opposite J. A. Macdonald & Co's store, and Mr. Sullivan is now occupying his new premises on St. Peter's Road, North of the village.

PRICE WEBBER RECOVERING.—Mrs. A. B. Forbes, North Sydney has received a letter from her old friend, Mrs. H. Price Webber, in which the latter says her husband, the ever-popular and widely-known knight of the stage, who for some time was seriously ill in a hospital in Montreal, is recovering, and expects soon to be around again.

YOUNGER BOYS' GYMNASIUM CLASS.—The class was started in the Y. M. C. A., last Wednesday afternoon, when a pretty fair attendance of boys showed their appreciation of the facilities which this class affords for physical exercise. The boys will meet again this coming Wednesday afternoon at 3.15 when a much larger turn out is expected.

PIPERS WANTED.—As will be seen from another column, Mr. A. McLean, M.P., on behalf of the Provincial Patriotic Association, has offered the Militia Department to raise a Highland Regiment for Prince Edward Island. In the first place, pipers, or those who are prepared to become pipers, are wanted, and those willing to give their country in this capacity are requested to communicate with Captain McNutt, Hon. Secretary of the Provincial Patriotic Association.

MEMORIAL SERVICE.—A memorial service was held last evening in St. Peter's Cathedral. The service was a fair attendance. The congregation sang two or three psalms, and the Rev. D. J. McDonald preached an eloquent sermon. He spoke in feeling terms of the men of this city and of this Island who had laid down their lives on the altar of their country and their King. Their glorious example of self-sacrifice would live through generations yet unborn. The service was a most impressive one throughout.

SAILOR DROWNED.—A drowning accident occurred at Cardigan Sunday, the victim being Alexander Fox, aged 19 years, a native of Grand Banks, Newfoundland. He was one of the crew of the schooner "Linda Tibbo," which arrived there on Saturday. Fox and three other sailors were in a dory, running out an anchor, and when putting it overboard the dory capsized, throwing the four men into the water. Three of them managed to reach the vessel safely, but Fox was drowned in trying to swim ashore. His body was recovered ten minutes later and every effort was made to resuscitate him, but in vain. He leaves a widow and four young children. His body will likely be forwarded to Grand Banks for burial.

ISLAND AVIATOR.—The Victoria, B. C. Colonist contains an excellent portrait of Mr. Herbert McKenzie, son of Mr. George McKenzie of Mount Herbert, P. E. I., and nephew of Mr. G. H. Toombs of this city. The Colonist says that "Mr. McKenzie is another of Victoria's sportsmen who has arranged to take an aviation course at the Wright School, Dayton, O. He will leave some time this week. Mr. McKenzie, who is about 25 years of age, and came to Victoria with his parents from Prince Edward Island about three years ago, is well known as a hockey player. He is considered one of the best local amateur point players, having played that position for both the Cloethiers and the Y. M. C. A. team."

YOUNG CULPRITS.—In the Police Court yesterday morning three boys were arraigned charged with stealing from a number of residences. The thefts occurred several days ago and the matter has since been in the hands of Sergeant Bradley, who finally succeeded in locating and arresting the juvenile offenders. The articles stolen consisted of pieces of jewellery, a mirror, a revolver, a watch and in some instances a few cents. Sergeant Bradley in his search for the culprits visited the jewellery stores of the city, and a watch which was identified as that stolen from Mr. James Purdy's residence, had been left there for repair. Mr. Patterson gave the name of the person who had left the watch. The youngster was arrested and through him the names of the others were ascertained and all the stolen goods recovered, with the exception of a revolver, which the boys said they had hidden in one of the squares and from which it was afterwards stolen. They had gained access to the residences by removing panes of glass, while the occupants were absent. His honor gave the boys a severe lecture and then sent them to their parents on a two weeks probation. The need of a reformatory for this province has thus once more been demonstrated and it is hoped that in the not distant future some steps will be taken to have one instituted. To send boys of the ages of those implicated in yesterday's scrape to jail would be only to send them still further on the downward road.

AN HEROIC ACT.—While fishing melts at the Marine Wharf yesterday afternoon Fred Kenney, twelve years old, son of Mr. Art Kenney, 62 Pownall Street, fell overboard at the stern of the C.G.S. "Minto" and was sinking for the third time when Michael Bourke, one of the Minto's crew, jumped off the taffrail and caught the boy when about six feet under water and rescued him. This act is deserving of recognition by the Canada Humane Society or the Carnegie Hero Fund Association.

EDUCATIONAL MEETING AT SOUTHPORT.—A meeting of more than usual interest was held in the Southport school house Monday night. The purpose for which the meeting was called was to consider ways and means by which educational facilities might be provided for the rapidly increasing school population. About 25 ratepayers were in attendance. After the object of the meeting was briefly stated by Inspector Crockett a very interesting and profitable discussion followed. Among those who participated in the discussion were the Secretary of School Trustees, Mr. James Trainor, Mr. Owen, Mr. George MacDonald, the Teacher, Mr. Harvey Christopher, and a number of other ratepayers. Before the meeting closed proposals were made which, when acted upon, will have the effect of placing this school among the best in the Province. Since coming to this school Mr. Christopher has been untiring in his efforts for the improvement of educational conditions, and results are already quite apparent. Forty-five pupils are now enrolled.

The average attendance for October was 23. The enrollment, before the end of the year, will be increased to 50. A number of pupils who formerly went to Charlottetown have decided that education for rural life is best obtained in a rural school and their names appear in the Southport register as of old. The people of this district are convinced that the best education the country affords is none too good for their boys and girls, and they are prepared to pay for it.

MINISTERIAL ASSOCIATION.—The annual meeting of the Ministerial Association of Prince Edward Island was held yesterday afternoon in the Y.M.C.A. building. Rev. Mr. McLean, the President, in the chair. The officers for the ensuing year were elected. Rev. T. W. Murphy being appointed President and Rev. G. C. Taylor, Secretary-Treasurer, vice Revs. McLean and Fash, respectively. Mr. McLean had been the capable and worthy President for two years. The Association appointed two of its members to draft a resolution in regard to Rev. Z. L. Fash, expressing their regret at his departure and wishing him success in his new charge. It was decided that two of the ministers should hand
