DEATH WARRANT WAS CANCELLED

Aviator uses Kellogg's ALL-BRAN with beneficial effects

"I didn't 'want' in France, but came home to Canada carrying my death-warrant, the doctor declared. I weighed exactly 120 pounds—not much for a six-footer. Look at me now! 185, and as hard as nails!" The speaker (name if requested) was a young Canadian who served overseas with the Royal Flying Corps, and returned in 1918 a mere shadow of a man. His uncle, a prominent doctor, suggested Kellogg's ALL-BRAN. After one month's trial, he felt better. He persevered, and in three months was back at his position, healthy and happy. The best part of the story is: his health has lasted as only health gained in a natural manner can last. He is still holding his strenuous position as editor of a successful publication.

Kellogg's ALL-BRAN will relieve constipation and the chain of ills that arise from it, permanently and naturally, if eaten regularly. Eat at least two tablespoons daily—in chronic cases at every meal. Only ALL-BRAN can conquer constipation. Made in London, Canada. For sale at all dealers.

Insidious Eye Strain

We use this adjective advisedly. Sufferers from eye strain may have perfect vision and therefore do not suspect the presence of any evil defect. The motive power of the entire human organism is Nerve Energy. Normal eyes, it is computed utilize about 20% of this Nerve Energy, but when Eye Strain is present, a much larger proportion is required. Hence defective eyes, though their consumption of an excessive amount of Nerve Energy may seriously affect the functioning of other organs of the body and produce ill health.
