IN MEMORIAM

MRS. A. A. STEWART

The people at Belle River were shocked and saddened on Friday morning, March 29th, on learning that Mrs. Alexander Allen Stewart had passed away during the previous night. She had been complaining of rheumatism for some time, but was always going about her household duties and her demise came suddenly and unexpectedly. She was of a cheerful and happy disposition, was loved and highly respected in the neighborhood and wherever she was known. She was the second daughter of Mr. Murdoch P. Matheson of Featherdale, where she was born sixty years ago. She leaves to mourn a disconsolate husband, three sons and three daughters; also two or more brothers and sisters. Her funeral took place on Wednesday, April 1st, and was very largely attended. She was buried in the old historical cemetery of Belfast, where the dust of some of her children is lying. The funeral service was conducted by her pastor, Rev. John Gillis. The funeral was postponed until April 1st waiting the arrival of three of her children who came home from Boston to attend. The pall-bearers were: William McLaren, Capt. Finlay McLaughlin, Alexander Campbell, John A. Gillis, William Matheson and Alexander D. Stewart.

MRS. WM. JUDSON.

The death occurred in Cherry Valley Sunday morning of Mrs. William Judson aged 52 years. Her death is ascribed to measles, which are very prevalent in that part of the country at present. She leaves to mourn besides her husband a family of seven, 1 son and daughters, the youngest of whom is only five years of age. Deceased was formerly Miss Elizabeth Docherty of Vernon River Bridge.

MRS. THOS. SULLIVAN.

Sadness was cast over the home of Mr. Alfred Ross, North Lake, on the evening of the 2nd, when a telegram was received from Halifax, stating the death of his daughter, Mrs. Thos. Sullivan, (nee Olive Ross), deceased had been in ill-health for only a short time, and despite all that medical aid could do, she passed peacefully away, after having received the last rites of the Catholic Church. Her remains were interred in the Catholic Cemetery, Halifax.

MRS. FLORA McDONALD.

On March 26th at New Argyle here entered into rest, Mrs. Flora McDonald beloved wife of Mr. Malcolm McDonald in the sixty-third year of her age.

Deceased was a daughter of the late Nicholas Nicholson of Hazel Grove, P. E. I. She leaves to mourn her loss a bereaved husband also eight children—Mrs. Wm. Gillis of New Argyle, Nicholas of British Columbia, Mrs. Lou Miller of Concord, J. H. Barrett of Edmonton, Alta., Matilda, John and Florence. The latter who is a trained nurse arrived some from Concord, N. H., some months ago and ministered to the physical comforts of her mother during her last illness.

Mrs. McDonald was a woman of sterling character, broad in her sympathies, lovable in disposition, a kind friend and neighbor she will be missed in the community and in the Presbyterian Church at Bonshaw of which she was a valued member.

Truly her work is not done for she being dead yet speaketh. The funeral services conducted by Rev. D. E. Hattie of Hampton, assisted by Rev. D. McLean, were held at the cemetery at Argyle Shore. The pall bearers were Messrs J. J. McLeod, J. A. Robertson, C. W. Crosby, Wm. Boyce, D. MacGillivray, and A. B. McLeod. (Patriot please copy)

ALWAYS CONSULT THE PHONE DIRECTORY

It is surprising the large number of people in Charlottetown who, when they want to inquire about their Morning Daily Guardian or Subscription, ask Central for the News phone No. 132.3, instead of 132.2, or when they want to inquire about advertising ask Central for the Subscription phone No. 132.2, or for the News phone No. 132.3; or when they want to know the Editorial Department ask Central for the Subscription phone No. 132.2, or the Advertising phone No. 132.3, instead of 133, although all those departments and their respective phone numbers are plainly given in the telephone book. Some people, instead of looking at the book, even phone on want will greatly lessen the work of other department. All this is a great waste of time on the part of the person phoning, the operator at the Central, and the clerk in the department who answers the phone. The necessary information about advertising or advertising or subscriptions, or the advertising staff about subscriptions or news, nor the subscription staff about advertising or news. In other words the clerks know and do but their own work in their departments, and if it were otherwise they would be continually running from one department to another, up stairs and down, mixing work, wearing themselves out and causing a great deal of possible confusion. On an after 5 p. m. daily it is useless to ask for any phone numbers except 132.2.
