DO YOU SUFFER FROM CONSTIPATION?
 Countless remedies are advertised for constipation. Many relieve for the moment but they are habit forming and must be continued. Others contain calomel and dangerous mineral drugs, which remain in the system, settle in the joints and cause aches and pains. Some are harsh purgatives which cause cramp and grip and leave a depressed after effect. Avoid lubricating oils which only grease the intestines and encourage nature's machinery to become lazy. A purely vegetable laxative such as Carter's Little Liver Pills, gently touches the liver, bile starts to flow, the bowels move gently, the intestines are thoroughly cleansed and constipation poisons pass away. The stomach, liver and bowels are now active and the system enjoys a real tonic effect. All druggists 25c and 75c red pkgs.

—PRESENTATION—The Summerside Chadwick Chapter of the Eastern Star held their monthly meeting in the Lodge Rooms last Friday evening. After the usual routine business had been disposed of, Mrs. A. S. MacKay, Past Worthy Matron, was presented with a jewel, accompanied by a beautifully worded address. Mr. Benj. Sharp made the presentation and Mrs. Douglas Gordon read the address. Mr. MacKay replied in a manner fitting the high honour bestowed upon her in recognition of her services and the great interest shown by her in the Order during the past year. A dainty lunch was served and a pleasant social hour concluded a very enjoyable evening. S.

—OPENING OF SUMMERSIDE CURLING RINK—The Summerside Curling Rink opened for the season of 1930 with a sumptuous banquet and a few friendly games on Monday evening. Curling commenced at five o'clock and through the combined efforts of the very efficient care taker, Mr. Andrew Blaquiere, and the cold snap during the week-end the ice was in splendid condition for the roaring game. At 6.15 about forty members sat down to one of the best suppers that have ever been served at the curling rink, the entertaining committee worked hard all day in preparing the feast. The supper was very informal and was presided over by the President, Mr. B. W. Robinson. Several excellent after dinner speeches were made by different prominent members, among which were the following:—Hon. Adrian Arsenault; Messrs H. T. Bogg, M. P. Titus, J. J. Morris, H. T. Holman and Leonard MacNeill. The spirit throughout was optimistic for the future and with the enrollment of several new members that evening the club felt that they were in for a very successful curling season and all were determined to do their best to bring to Summerside this year the MacArthur cup and Gadbury trophy at present held by the Charlottetown curling club. Mr. J. J. Morris, chairman of the games committee, will call a meeting of the committee during the week so that the schedule of games for the season can be drawn up and the curling at Summerside can get away to a good start. The enthusiasm shown on Monday night speaks well for the good old game at Summerside. After supper curling was resumed until late in the evening.—S.

The Crystal Sisters Orchestra, of which he was a popular member were present in a body and joined in extending to their departing comrade every good wish for his future success. Cards and dancing were indulged in to the wee small hours and dainty refreshments were served by Mrs. Walter Callbeck assisted by some of the ladies present. S.

..WELL DEAR—The death of Mrs. M. E. ... of Mrs. T. E. ... of town. She was of a ... loving disposition and was noted for her many fine qualities and kindly nature and was held in the highest esteem by an exceptionally wide circle of friends. Death at all times is sad but more especially when you taken away in the prime of life. She was lovingly looked after by her devoted mother. All that medical skill and kind nursing was done but God willed otherwise. Beatrice is a bright angel in Heaven. Many were the tears shed as she lay in her casket. The many beautiful floral tributes, Mass cards and messages of sympathy show the high esteem in which she was held. She was attended regularly by her pastor Rev. O. Kiggins, who administered to her the last rites of the Roman Catholic
