### WRITING ACADEMY

CH'TOWN, P. E. I.

This College will re-open for the fall and winter course on

Thursday, August 14, Prox.

Intending students will consult their own interests by entering as soon as possible after the date of opening. Last year we were most successful in placing our students in positions. To enable us to do the same this year they MUST enter early in the session. There are lots of splendid positions waiting for competent persons to fill.

Business men are acquainted with our course and method of instruction and apply to us for competent young men and women. Come and get a live education; one with some backbone in it. If, perchance, you have made a mistake in the past, try an education in which you will be rewarded as you exert yourself. The past is gone, the future is yours. A special course in Shorthand and Typewriting will be given as soon as the term begins. "Phonography, What it is and What it Does," by Ben Pitman; also full particulars relative to the College will be cheerfully furnished on application to

**L. B. Miller,**  
Principal.

### Bad Appetite, Indigestion

Mr. Jas. McMath, 31 Inverness Street, Stratford, Ont., states:—"My digestive organs were entirely deranged, my appetite was poor, I was run down in health and had severe attacks of dizziness and nervous headaches. The use of Dr. Chase's Nerve Food has entirely cured me, as my digestion is very much improved, the headaches have left me and my appetite is real good. I can recommend Dr. Chase's Nerve Food most heartily, knowing it to be an exceptionally good medicine."

Being slightly laxative Dr. Chase's Nerve Food regulates the action of the excretory organs and through its restorative influence on the nerves and muscles ensures the healthful and vigorous action of the respiratory and digestive systems.
