-SEEING OUT THE OLD AND RINGING IN THE NEW-

A large number of Summerside citizens said goodbye to the old year and welcomed 1930 at midnight on Tuesday. Some attended the watch night services at the various churches, while others danced out the old year at the special dance held in the Olympia Cabaret. A good many others stayed quietly at home and listened in to the singing in of the New Year at the different churches in New York and other large centres. New Year's Day dawned bright and clear and was an ideal day for the customary visiting of old friends. The recent snow storm having stopped the majority of cars from running the merry jingle of the sleigh bell was once more heard as merry driving parties enjoyed themselves in the crisp air during the day. In the evening the special skate at the rink attracted a number of citizens and the talkies, which were exceptionally good, were well patronized.-S.
