

THE CHARLOTTETOWN GUARDIAN

Morning Daily (Founded 1887) President, Lieut.-Col. W. Chester S. McLure...

"The Strongest Memory is Weaker than the Weakest Ink."

A Critical Week-End

At the time of writing, there has been no official indication as to the purport of the interview between Herr Hitler and Prime Minister Chamberlain on Thursday...

Canada's Position

Canada's position in the event of another world war is discussed in an article by Archibald Erskine in the current issue of The Navy...

In such case, it is asked, where would the United States stand? Mr. Erskine believes it would be "practically impossible" for our American neighbors to remain as passive spectators...

Obviously, American help for Canada would spring primarily from the well-founded apprehension that Canada's defeat would be the forerunner of a terrific attack upon the United States...

War or no war in the near future, the author believes that Canada's course in strengthening its defenses is in line with what every important country in both hemispheres is doing...

ambitions to secure Colonies for the settlement of its own emigrating nationals. While no such immediate peril threatens...

Budget Policy Proving Failure

"The Dominion Government's policy of waiting for prosperity to balance its budget," says the Financial Post, "is proving a dismal failure."

British West Indies Tuber Market

There is a steady demand for Canadian table stock potatoes in the Eastern Group of the British West Indies and in British Guiana...

Editorial Notes

Allenby defeated the Turks at Megiddo this date, 1918. The longer we live the longer we learn: President Roosevelt has just given a new interpretation...

Hitler may crow as much as he likes about the storehouse of food and other necessary reserves Germany has, the fact nevertheless remains that already Germany is bottled up by the British fleet...

They are all doing it—Hitler in Europe, Japan in Asia, Italy in Africa, and now Audain in America—demanding possession of other people's property...

The total assets of the ten chartered banks at the end of April, the last statement issued, were \$3,337,320,000. Of the assets, Dominion and provincial securities were valued at \$1,155,135,000...

This Province is fast becoming a second Ireland—governed by absentees, Ministers are rarely being left to officials, who are thus being coming bureaucrats...

THE CHARLOTTETOWN GUARDIAN

NOTES BY THE WAY

Observation on Calgary street corners reveals that drivers seldom make any signal and when they do it is generally vague...

The most recent survey by the Department of Commerce reveals that twenty per cent of United States homes have neither bath nor shower...

A rich man must hire a valet, a laundress, a secretary, a cook and a housekeeper; the poor man just Express.

An explorer recently found a wild spot in Europe that was completely bare of fortifications...

Is whitening becoming a lost art? Not until vacation time when we and our countrymen leisurely curl shaving with his knife...

In 1914 the German Kaiser thought Britain could not go to war for the protection of Belgium...

"Nothing will take you straighter to hell than an intellect" was the dictum of a nineteenth century wit...
