ANTIGONISH, Nov. 8.—Dal and St. F. X. Universities engaged in a scoreless exhibition rugby game on the College Campus Saturday afternoon. The contest was played under most unfavorable conditions. Rain had fallen steadily for ten or eleven hours before the game and the gridiron was water soaked and muddy. In several places in fact it was covered by over a foot of water. Rain descended in a steady down-pour during the contest. The under-

footing was uncertain and good footing was out of the question. The players were all covered and soaking wet before the engagement was fifteen minutes old. Dal was represented by its city league team while the Xaverians employed the Inter-collegiate lineup. St. F. X. assumed the offensive from the kick-off in the first period and a few minutes later the ball as a result of a series of dribbles was carried over the Dal line, where MacLeod prevented a score by touching for safety.
