**Prices Support Board And Potato Floor Price**

The attitude of the Prices Support Board with regard to a proposed potato price of Mr. subject of discussion in the following telegram and letter which are self explanatory:

I wish to point out to you and your board that every day you delay action in carrying out the terms of the Agricultural Prices Support Board Act, the potato producers in the Maritimes are losing thousands of dollars by selling below cost of production and at the same time weakening our position with the U. S. Support Board.

Your Board will be held responsible for not carrying out the intentions of the support act, made law in 1944, with \$200,000,000 voted at that time and according to the Minister of Agriculture, Mr. Gardiner's statement, Revised Edition, 1944, page 6624, it was desired that only assure the farmers cost of production but a fair return for his produce.

If your Board had taken action when requested, then there would be no need for a delegation to be going to Washington at this time.

Yours very truly,  
H. H. HATFIELD, M.P.,

**Two New Potato Storehouses Near Completion**

With the completion next week of the potato storehouses at Tignish and Vernon River, the Province will have eight such storage planning operation. The others are located at Elmira, Douglas, Wellington, O'Leary, Bloomfield and Morell.

Mr. J. F. Connolly, Deputy-Minister of Reconstruction, said yesterday that the plants were built under a Dominion-Provincial arrangement whereby any community wishing to form a co-operative group of at least 10 members and able to provide 25 per cent of the cost, could, after the project had been approved, have such a potato storage plant built.

All eight plants will be in operation in a few days. Mr. Connolly said, with a total storage capacity of 270,000 bushels. Since such plants have a normal turnover during the season of three times their capacity, these eight plants will give safe storage to about 750,000 bushels of potatoes.

**Trinity Church Afternoon Auxiliary November Meeting**

The Afternoon Auxiliary, W. M. S. of Trinity United Church, Charlottetown, held their November meeting in the Social Hall, on Thursday afternoon, at 3 p.m. The President, Mrs. R. E. Mutch, opened the meeting with prayer. The theme for the meeting was, "The Kingdom Come through the healing message of the church." The hymn, "Thy Ceaseless Unexhausted Love" was sung and all joined in prayer. Mrs. Windor and Miss Funcher read scripture passages, illustrating the healing power of Jesus. Mrs. Morsom led in prayer, followed by the Lord's Prayer in unison which closed the Worship Service.

Mrs. Bustin and Mrs. MacFadyen gave the secretary's and treasurer's reports respectively. Mrs. Morsom reported one hundred and twenty-five calls made during the month, and Mrs. Johnson gave an interesting temperance reading.

Mrs. J. L. Lockhart, Mrs. Long and Mrs. Calverley were appointed a nominating committee to bring in a new slate of officers at the December meeting, for the coming year.

Mrs. MacNair and Mrs. Spencer were appointed to prepare the Christmas program for the above meeting.

Mrs. Mutch voiced the pleasure of all present in having Mrs. R. H. Rogers with us again, and Mrs. Rogers happily expressed her pleasure being there and her enjoyment of the meeting. Two new members were welcomed to the society.

The collection was taken and dedicated by singing The Doxology. Mrs. G. H. Barbour, secretary of Christian Stewardship presented an unusually lovely program on Christian Stewardship. She was assisted by Mrs. Morsom, Mrs. MacFadyen, Mrs. MacNair, Mrs. MacLennan, Mrs. Bustin, Mrs. Mutch, Mrs. Long, Mrs. Newton, Mrs. Cox, Mrs. Lockhart and Mrs. Saunders, who in their different parts showed clearly the true meaning of Stewardship. "To every human being not just to educated or selected persons — God has given a trust. He has a purpose for each individual and He depends upon us to work out His plan for all humankind. Stewardship is a way of life. God wants us to be day-by-day living of our lives and using of our resources to serve the ends of His Kingdom."

While all stood in rededication, Mrs. Spencer sang very effectively "Lord Speak To Me, That I May Speak" and a highly inspirational meeting was brought to a close with the Mizpah Benediction.

Powers held their lines against Russian attacks on the plan and defeated a Soviet counter-proposal and an Indian attempt to soften their stand.

By its vote on atomic energy, the Assembly:

1. Approved the majority plan for atomic control as the basis for establishing effective international regulation.
2. Expressed official concern at the West on the subject, Russia objects to the inspection provisions and has steadily attacked it.
3. Asked Britain, the United States, China, France, Russia and Canada to meet to find out if there is a basis for agreement and to report to the Assembly not later than the next session.
4. Called upon the Atomic Energy Commission to pick up its work where it left off last spring, when the Commission decided it could accomplish nothing until the East-West deadlock was broken.

The Assembly action showed no change in the East-West line-up on the subject. The Western plan had been approved by a majority of the 58-country political committee. Before that it had been vetoed in the Security Council by Russia.

**Evening Auxiliary Thankoffering**

The Autumn Thankoffering service of the Evening Auxiliary W.M.S. of Trinity United Church was held on Monday of this week, with a fine attendance of members and other interested friends. The program was under the leadership of Miss Linnie Aitken and Miss Alice Fraser.

After the opening hymn "On the Wings of the Dove" a scripture reading was given by Miss Fraser. Miss Sally Wood then gave solo "Watch and Pray", and Miss Linnie Aitken led in prayer. The concluding number of this part of the program was a duet rendered by Misses Phyllis MacFadyen and Betty Bear.

The missionary address was given by the Rev. Dr. W. E. Dudley, who spoke for his subject the life and work of Dr. David Livingstone in Africa. Dr. Livingstone was filled with a profound love for his fellow men and was anxious to open up the dark continent to the influence of the Gospel and to redeem its people to Christ. He was one of the great souls of history, a man who lived for his fellow men, and whose life was a fulfillment of Christ's commission to go into all the world and preach the gospel to every creature. Dr. Dudley brought all this vividly to the audience.

After the concluding hymn Dr. Dudley pronounced the benediction. A short business session was held at the close of the Thankoffering service.

A most enjoyable function was held at Prince of Wales College Wednesday night when the annual co-ed night was enjoyed by practically the entire student body. The affair was a re-vamped "Sadie Hawkins week" gathering.

The program was launched by Miss Betty Compton singing the College Song.

Highlight of the evening was the crowning of the "King and Queen" of the campus by His Worship Mayor E. Barle MacDonald. Picked by popular student vote, the "King" was Abner Dewar while the "Queen" was Heather MacLean. The Mayor's speech was full of humor and greatly appreciated by the students.

The College principal, Dr. G. D. Steel and a number of the other members of the faculty attended.

Music was supplied by the Down-towners Orchestra.

Other features of the program included a girls' quartet, Hilda Pickard, Phyllis Tait, Jean Lockhart and Marilyn Rupert, who sang "Now's the Hour" and "With Someone Like You." Betty Compton and Garth Crockett sang "Cuddle Up a Little Closer."

As the result of a spot dance Carmen Thompson and Audrey Miller appeared in costume for the remainder of the evening, while "Spy" Ready and Garth Crockett sang a solo, "Carolina in the Morning" and "A Good Man Is Hard to Find," providing their own accompaniment on the piano.

During the evening Mark McGulgan, editor of the College Times, presented awards to Don McQuarrie, Austin Bowman and James Nicholson, joint authors of what was voted the best essay in the current issue of the Times.

**Y'S MEN'S MEETING** — Ways and means of raising funds for the Y's Men's Club were discussed at that organization's regular weekly meeting last night. President Walter Cowie presided. The meeting heard reports from the various committees after which the members enjoyed the regular supper and sing song.

**Y.P.U. MEETING** — The Baptist Young People's Union regular weekly meeting was held last night in conjunction with the M.R.E.C. workers convention in the Sunday School room of the Baptist Church, Mr. Ralph Young, M.R.E.C. secretary gave a short talk on the importance of a child's surroundings on his development as a true Christian. He told how a child is influenced by the home, the Church, playmates and the school. The adult is particularly valuable in the guidance of the child in all these institutions. This was very clearly illustrated by two films, "Is Your Home Fun?" and "The Christian Family". The young people then retired to the social hall where a short business period ensued, during which plans were discussed for the B.Y.P.U. meeting which will be held next Friday night in the church. Mr. V. Runtz, Charlottetown cartoonist, gave a very interesting talk on the "Tinky Way", the inside story of cartooning and how it has developed in the last few years. This was illustrated by several interesting slides on the subject.

St. Laurent for the main job of Prime Minister, which he is to take over from Rt. Hon. W.L. Mackenzie King permanently in a week or so.

Since Mr. Halsey's departure, the Nova Scotia post in the Cabinet has been open, and it is understood the Government has been having some difficulty finding a suitable portfolio for that Province. There has been no indication of what job will be assigned Mr. Winters.

Today, the Cabinet discussed by-election dates, and Mr. St. Laurent said after the meeting an announcement would be made tomorrow morning.

Earlier, preparations had been made for an announcement this afternoon covering, it was understood, the Carleton and Laval-Two Mountains ridings. The delay might mean the Government intended to include the Marquette election date at the same time. An informed source said Mr. Glen's resignation was an indication of the Carleton by-election being called to open up a Commons seat for George Drew, new Progressive Conservative leader. Russell Boucher, Progressive Conservative member for that Ottawa district riding, resigned last week to make way for Mr. Drew.

**Acadian Fund Campaign Meeting**

The Saint Thomas Aquinas Society campaign organizers held a very successful meeting Wednesday evening in the Whelan Memorial Hall. A very representative gathering of the Acadians of the Basilica parish were present and heard several addresses stressing the need and advantages of the drive now under way to obtain fifty thousand dollars to constitute a permanent fund the interest from which will be employed to provide scholarships in St. Dunstan's University and other institutions of learning for promising Acadian boys and girls. The chairman of the meeting was Professor J. H. Blanchard, who has charge of the organization work in the city. The speakers of the evening were His Honor Lt. Governor J. A. Bernard, Rev. Dr. Patrick Mahon, pastor of the Basilica parish, Honourable A. E. Arsenault, Rev. Jean F. Buote of Mont-Carmel, Rev. Charles Gallant of Egmont Bay, Mr. Walden Gaudet, Hon. J. Robert LeBlond, Hon. J. Wilfred Arsenault and Mr. Gilbert Gaudet, barrister. The educational work already accomplished by the St. Thomas Aquinas Society came in for high commendation and all were hopeful that the campaign would be a success. The audience by its applause, indicated its approval of the drive and the remarks of the various speakers. This very successful meeting augurs well for the success of this important undertaking. The meeting closed with the singing of Acadian Anthem, "Ave Maria Stella" and God Save The King.

**Potato Conference At Washington Ends**

OTTAWA, Nov. 4 — (CP) — An authoritative source said last night that the Canadian-American potato conference in Washington has been concluded with no clear-cut policy yet in sight.

However, he said shipments of Canadian potatoes across the border will continue for the present. Canada already has exceeded her yearly table potato quota of 1,000,000 bushels by more than 200,000 bushels.

The new sending to U.S. markets, especially in the southern states, 2,500,000 bushels of seed potato which is her quota for the year.

The conference in Washington was attended by 100 growers in the U.S. protested against continued shipments of the Canadian product which sold at a lower price than their own crop, supported by the United States Government at \$2 a bushel.

teach the fishermen, have cost him seven or eight cents a pound.

But the important thing for the fisherman is to be able to get bait in the quantities he wants, at the time he wants it, at a reasonable price. The new freezer would meet all these requirements.

The Premier said the present cold storage plant had meant the saving of thousands of dollars to many of the Island's primary producers, strawberry growers, blueberry pickers, scallop fishermen, and many others including the shareholders in butter and cheese factories, received more money for their products because those products could be placed in storage.

**Federal Assistance**

It is estimated the new addition to the plant will cost between \$60,000 and \$70,000. The Premier said his Government was assured of financial assistance from the Dominion Government in the construction but that the amount to be contributed by Ottawa had not yet been fixed.

The arrangements for the construction of the new plant are the responsibility of Mr. J. F. Connolly, Deputy Minister of Reconstruction. The actual construction will be under the supervision of Mr. T. W. Cope, refrigeration expert, who built the present plant.

**Saint John Potato Shipments To Date**

SAINT JOHN, N. B., Nov. 4 (CP) — Shipments of Nova Scotia potatoes through the port of Saint John this week will boost the total volume flowing through the port since Sept. 25 to about 900,000 bushels, the National Harbors Board officials here announced today.

These tubers were consigned to markets in the United States, Cuba, South America and South Africa.

At current prices these shipments will net provincial potato growers more than \$1,000,000 besides providing a large amount of employment for waterfront workers and others engaged in the shipping and transportation industries.

The potatoes were grown in Carleton Place, Madawaska and Restigouche counties. There were 10 shipments made up to Nov. 1 with two other cargoes going forward this week. Largest single cargo was a party taken by the freighter Uddeshelm which carried about 200,000 bushels to Cuba and southern United States ports.
