The young Misses of Lennox Island are practicing hockey this winter and display great agility. They do not intend to play any matches this winter but are keeping themselves in training for next year's foot ball season. Their foot ball team will in all probability pay a visit to Charlottetown next fall. It is expected that John Sark, the clever half-back of St. Dunstons, will be the teacher on Lennox and that he will be Captain of the foot ball team. Though Sark can run some, he will be the slowest man on the team. By the way, Michael Thomas, has done the five mile run in almost professional time. He is not opposed to marathonism and his friends would like to see him in a Guardian's road race.

The choir of the First Methodist church with their friends were entertained in the Kindergarten last evening by the musical committee Col. Moore, D. O. C. James Paton and A. M. Peters. The choir under the leadership of Prof. Watts took charge of the program. Special numbers were rendered as follows:—Mrs. (Consul) Hale, a reading accompanied by Prof. Watts on the piano, Herbert Beer, a solo and Prof. Barlow, a whistling solo. Each part of the program given by the choir is worthy of special mention, but to do so would require much space to give them justice. The specials were particularly pleasing and afforded much pleasure. Speeches were then made by the three members of the committee and also by Consul Hale and Rev. H. E. Thomas, all complimenting Prof. Watts and the choir on their excellent service. Mr. Paton said by way of praise that he ventured to say that the choir was as good as any in Canada. Prof. Watts was very warmly commended for his zeal in the work and in return on behalf of the choir thanked the speakers for their many words of appreciation. Refreshments were then served and a delightful evening was brought to a close by singing the Island Hymn and God Save the King. Special chaperons were Mrs. (Col.) Moore and Miss Cora Paton.
