

Millionaires Even Up Series With Toronto Marlboros

Detroit And Montreal In Final Chapter Of Thriller Tonight

DETROIT, April 4—(AP)—Detroit Red Wings and Montreal Canadiens pack their hopes for survival in hockey's Stanley Cup playoffs into a single wallop here tomorrow night when they meet for the seventh and deciding time in their first-round series.

Each club has won three games in a nip-and-tuck set that already has lasted two weeks. Winner of the climactic Tuesday struggle moves into the cup finals against Toronto Maple Leaf outfit that has won the prized trophy three times during the last four years.

Toronto clinched its berth in the finals by whipping Boston Bruins last week and is standing around waiting to take on the Detroit-Montreal winner.

Few of the experts rate this red-hot series other than a toss-up at its current stage.

Montreal, all but booted out of

the playoffs here last Thursday when Detroit won 3-1 to take a three-to-two edge in games, came back Saturday on its home ice to deadlock the series again, winning by the same score.

Now the Red Wings, who led the league almost all season to win the N.H.L. championship, are the team on the spot as third-place Montreal grids for an upset.

Detroit hopes hinge closely around the scoring efforts of right-winger Gordon Howe, 20-year-old goal-getting star of the first six games, who now has seven goals for the series and is within five of the playoff record of 12 set by Montreal's Maurice (Rocket) Richard in 1945.

Montreal again will bank heavily on a newly-organized forward unit of Richard, Gerry Plamondon and Joe Carveth, which produced all three goals in the sixth game at Montreal.

Adams & Ross Stunned By Dit's Resignation

BOSTON, April 4—(AP)—President Weston Adams of the National Hockey League Bruins, after thinking over the sudden resignation of coach Aubrey (Dit) Clapper, today indicated his successor would not be named for some time.

"Art Ross (Bruins' general manager) and I still are stunned by Dit's unexpected announcement," Adams said. "We do not plan to do anything about it until we have had ample time to give it our most serious and thorough study."

Speaking of goalie Frankie Brimsek's equally-surprising request to be traded, preferably to Chicago Black Hawks, Adams said: "I have high hopes that Frankie will reconsider."

Brimsek Bruins' star goalie since 1938 said he wanted to play near his Eveleth, Minn., home and hoped it would be in Chicago.

The Bruins now own 24-year-old Jack Gelineau, former McGill University star. They also have a string on Gordon (Red) Henry, goaltender for Hershey Bears of the American Hockey League.

Although Adams insists he has not given the "slightest thought" to Clapper's successor, several have been mentioned for the berth.

Charlie Conacher of Chicago Black Hawks, Terry Beardon of Providence Reds, Don Pennington of Hershey Bears have been suggested by hockey writers as well as captain Bill Schmidt and Jack Crawford, current Bruins stars.

R.C.A.F. Team Eliminated By Saints

The Summerside R.C.A.F. quintet defeated the St. Dunstan's University five at the former's basketball court last night 47-46, but lost the round by 8 points, the Saints having gained a nine point edge over them in Charlottetown. Saints will now enter the finals against Recce for the championship of the Physical Fitness League.

Baine and Mickus were high scorers for the air force with 13 points apiece. Campbell came second with ten, while Buckless led the College boys with 19 points.

Referee Squad Leader Gillespie; Umpire, Dave Cornish; Timer, Joe Ross; Scorer, Flight Lieutenant Ross.

Official Admits Not Having Facts To Back Up Charges

TIMMINS, Ont., April 4—(CP)—Bob Crosby, secretary of the Northern Ontario Hockey Association, said in an interview today that he did not have the facts to back up charges that there were seven over-age players in the O.H.A. junior series.

"It's about time the whole over-age mess in the O.H.A. junior A series was thrown wide open and cleaned up," said Crosby, who added that the two St. Catharines Teepees players he referred to Saturday as being over age were with the team two or three years ago and not with this year's club.

As to the four Windsor Spitfires he charged were over age, Crosby said he had no support for his statement which was not intended for publication.

"We should deal with facts," said Crosby, "and I confess I haven't the facts to back up the charges."

In Toronto, O.H.A. officials said they would call on Crosby to provide proof to back up his statement or retract the charges.

Seeking Re-Entry

SYDNEY, N. S., April 4—(CP)—Sydney will seek re-entry into the Colliery Senior Baseball League this season, it was announced today.

The Sydney franchise was suspended last year at the club's request when team backers were unable to arrange for a playing field. Financial difficulties were also encountered by the club last year.

The Garden corporation will cease to play the outstanding role in boxing. In the past the Garden has taken a nine count many times, but always beat the toll of ten. The big New York battle pit still is regarded around the world as the top spot in boxing. Also it has some astute men looking after its boxing interests, particularly Ned Irish.

According to Ivan (Hamilton Spectator) Miller: "Time is not again during the past schedule Toronto hockey writers wondered in print why the Leafs didn't bring up Sid Smith from Pittsburgh. While Toronto wandered aimlessly for stretches through the regular season, Smith's scoring feats in the American League brought frequent reminders along the home front. But Smith was left with the Hornets to win the American League scoring championship, while Gene Smythe basked in the Florida sunshine.

"Now Smythe is up to his old tricks, capitalizing on 'hungry' fans hands in the playoffs. The move has paid off for Smythe time and again, but with not much greater dividends or spectacular result than last Tuesday night when Smith led the way to victory and Fleming Mackell lent an effective hand."

Glacé Bay Team Shades Local Vics

Official Admits Not Having Facts To Back Up Charges

SYDNEY, N. S., April 4—(CP)—St. John's C.Y.O. of Glacé Bay tonight won the Maritime juvenile hockey championship by shading Charlottetown Victorias 3-2 in a sudden-death game at Sydney Forum.

St. John's copped the crown on a third-period goal by Dan George on a play set up by speedy, rugged Eugene Swartzack, who had a hand in his club's three tallies.

It was Swartzack's show all the way. At 12:30 of the final session he picked up a mid-ice pass from Morrison, smashed through the Charlottetown rear guard and whipped out a perfect pass to George. Unguarded in front of the cage, George knocked the puck in to the open side for the championship tally.

Before that it was a hockey dog-fight, anybody's game until the final Swartzack-George coup.

It was the second straight Maritime juvenile crown for Cape Breton. Last year Sydney Academy romped to the tri-Province title.

Summary:

First Period

1—Ch'town, Bradley. (Biso, MacDonald) 9:22
2—Glacé Bay, Batten (E. Swartzack, L. Bissou) 15:15
Penalty: J. Ford

Second Period

3—Glacé Bay, E. Swartzack, (Campbell, Bissou) 5:02
4—Ch'town, Biso, (Gallant) 6:53
Penalty: Gallant

Third Period

5—Glacé Bay, George (E. Swartzack, Morrison) 12:30
Penalty: George, Roger

Sport Briefs

The Duke of Edinburgh will represent the King at this year's Football Association Cup final at Wembley April 30. His Majesty generally attends the soccer classic himself, although two years ago, during the Royal tour of South Africa, he was represented by the Duke of Gloucester.

Ever tried bicycling 454 3/8 miles in 24 hours? That was the feat of Gordon Basham, 36-year-old member of the Wessex Road Club, last August. It won him the F.T. Biddale memorial plaque for what the judges called "the outstanding cycling performance of 1948."

Tom Whittaker has asked that his name be deleted from the London telephone directory. He is the only Tom Whittaker registered and he's tired of getting calls by the dozen for Tom Whittaker, famed Arsenal Football Club manager. He doesn't even like football.

Clinch Game In Overtime After Coming From Behind

Official Admits Not Having Facts To Back Up Charges

TORONTO, April 4—(CP) An overtime goal by Cliff Roach tonight gave Sydney Millionaires a 5-4 victory over Toronto Marlboros before a Maple Leaf Gardens crowd of 8,700 and tied their best-of-five Eastern Canada senior hockey semi-final series at one game apiece.

Marlboros, all-Ontario champions, won the second game 5-3 here Saturday. The first was a 1-1 tie. The fourth game will be played here Wednesday night.

Roach, the only native Sydneyite with the Maritime champions, took a passout from Lou Medynski for the winning counter at 4:10 of the 10-minute overtime period and the lucky centre, who scored Sydney's goal in the opening game, slapped the puck cleanly past goalie Howie Harvey.

Come From Behind

The winning goal marked the only time Sydney was ahead in the rousing, end-to-end struggle. Four times the Marlboros, Toronto Maple Leafs' farm club, took a one-goal lead only to see Jack Fritz fighting Millionaires tie it up.

The team were tied 1-1 at the end of the first period, 2-2 at the end of the second and 4-4 at the end of regulation time. The overtime was a straight 10-minute session, limited to that under Canadian Amateur Hockey Association play-off rules.

The scoring was divided on both teams. Sydney's other marksmen were Bruce Gallagher, Doug Fritz, Ronnie Nelson and Don (Red) McRae. Toronto's goals were scored by Ray Hannigan, Johnny McLellan, George Armstrong and Scotty Mair.

Hannigan barely recovered from a bout with the flu, shot Marlboros into the lead at 4:33 of the opening period, slapping in Al Buchanan's pass-out. It took Sydney 10 minutes to get this one back. Gallagher flipping home a rebound on a play with Paul Platz and Don Whalen.

Armstrong, up from the Junior Marlboros, set up McLellan for Toronto's second goal at 14:39 of the second period, but the Cape Bretoners evened the score when Fritz pushed the puck home after Roach and Medynski had dumped it in front of the goalmouth.

Lucky Counter

Armstrong again put Toronto out in front at 3:22 of the third period, only to see Nelson, flashy winger from Oshawa, deflect in Alex Birukow's pass, three minutes later. Marlboros made it 4-3 when Scotty Mair's hard shot was deflected behind goalie Jack Gibson after hitting a Sydney defender's leg.

Even this break didn't take the heart out of the Millionaires and they stormed to the attack, tying the score for the fourth time when McRae beat Harvey with a low corner shot just as Armstrong was coming back from a slashing penalty. Nelson and Birukow drew assists on the play.

After Roach scored the winning goal at 4:16 of the overtime, Marlboros couldn't seem to get organized and the Millionaires

Toronto Expert Selected As Judge For Kennel Show

Official Admits Not Having Facts To Back Up Charges

An interesting talk on the "Care and Feeding of Dogs" was given to the members of the Charlottetown Kennel Club by Dr. M. F. Lowrie, veterinarian, Dominion Department of Agriculture, in the board-room of the Y. M. C. A. last evening.

It was announced by the chairman, Dr. G. G. Houston that Paddy Boughs, Toronto, had been selected as the judge for the Charlottetown show this summer. A director of the Canadian Kennel Club and president of the Canadian Handlers' Association, Mr. Boughs is well-known as the owner of the Boston Bulldog "Disturber" Kennels in Toronto, and showed the best-in-the-show winner at the 1948 Canadian National Exhibition.

A number of excellent films were shown including two National Film Board productions "Bird Dogs" and "The Royal Winter Fair." Some business was discussed and, at the suggestion of Mr. Jim McConnell, Y. M. C. A. secretary, the club plans to give talks to the "Y" juniors.

Opening, Dr. Lowrie spoke of his experience in his younger days. He pointed out that dogs may be spoiled by bad feeding habits and advocated the feeding of dog and fox foods made from the wastes of packing plants.

Table scraps are also good, continued the speaker, but warned against feeding small bones—especially chicken bones. He advised the large bones which keep the dog chewing, and stated that 2 small meals per day were better than one large one.

When a dog takes to picking up coal and small rocks, check his diet for deficiencies, said Dr. Lowrie. He spoke of the need for strict discipline and felt that not only the dog, but children who were given dogs, should be trained in the handling of their pets.
