GERMANS ADMIT BERLIN IS DOOMED

Greatest Year In History Of P.E.I. Red Cross

1944 was "the greatest and best year in the history of the Red Cross Society in Prince Edward Island" declared Hon. Dr. W. J. P. MacMillan, O.B.E., provincial president, at the annual meeting of the organization held yesterday at The Charlottetown.

There was a large and representative attendance.

The following officers for the year 1945 were elected:

Honorary President—Lieut.-Governor B. W. LePage.

Honorary Vice-Presidents — Mrs. V.L. Goodwill, Mr. W.F. Tidmarsh, Mr. William Moran, Mr. G.F. Hutcheson.

President—Dr. W. J. P. MacMillan, O.B.E.

Vice-President—Mr. R. H. Rogers.

2nd Vice-Presidents—J. M. MacFadyen, Queen's County; Miss Gladys Holman, Prince County; Mrs. David Wright, King's County.

Honorary Secretary—N.W. Lowther, K.C.

Honorary Treasurer—D. A. MacKinnon.

The executive comprises Mrs. C. G. Duffy, Mrs. E. A. Foster, Mrs. J. H. McQuaid, Mrs. H. E. Miller, Mrs. J. J. Morris, Mrs. W. H. V. Dunbar, Mrs. A. E. Baker, Mrs. J. A. MacMillan, Mrs. S. G. Peppin, Mrs. George Martin, Mrs. H. L. Palmer, Mrs. E. M. Bagnall, Mrs. D. F. Tompkins, Mrs. V. A. Ainsworth, Mrs. J. D. McGuigan, Mrs. C. H. Beer, Mr. W. S. Grant, Mr. E. C. Johnstone, Mr. A. B. Fisher, Mr. W. F. Brawders, Mr. J. P. Crockett, Judge St. Clair Trainor, Mr. Lloyd W. Shaw, Dr. A. J. Murchison, and Mr. A. B. Belcher.

From outlying centres, members of the executive are: Mrs. Charles Profitt, Alberton; Mrs. Wilfrid Taylor, Kensington; Mrs. Laura Mair, Georgetown; and Mrs. P. E. Holland, Souris.

Representatives to the Central Council are Dr. W. J. P. MacMillan, O.B.E., Mrs. E. A. Foster, and Mr. J. E. Campbell, Summerside.

Dr. MacMillan, in his presidential address made a strong appeal on behalf of the Blood Donor Clinics. The need for blood plasma is greater at present than ever before, he said, and he urged that the people respond more generously to the call. During 1944, 2936 blood donations were given in Charlottetown; 408 in Summerside; 377 by the Summerside R.C.A.F.; 456 by the personnel of Mt. Pleas-

Coal Mine Tie-Up Threatens In U. S.

NEW GLASGOW, N.S., Feb. 6—(CP)—A complete tieup of all Nova Scotia collieries manned by members of the United Mine Workers of America was threatened today by the union's district 26 convention in an effort to hasten Government action to improve conditions in the Cape Breton mining community of Donkin.

Donkin was partially isolated last fall by the washout of a large section of the road linking it with Glace Bay, and recently it lost its only doctor. The union has been urging the Government to provide a doctor immediately and make the road usable.

Mayor Blanchard Reviews City Council Activities

MAYOR BLANCHARD

Revision of the School Act will be asked for at the next session of the Provincial Legislature, Mayor J. E. Blanchard stated at the annual meeting of the City Council last night. The proposed revision applies to the Act insofar as it affects the Charlottetown School Board and City Council in the number of City appointed members as compared with members appointed by the Provincial Government.

Under the present setup, Mayor Blanchard said, the City "has absolutely no control over capital expenditures, and in current expenditure pays approximately 70 per cent."

The Act provides for the appointment of four members by the Government and three by the City Council. This was unfair, His Worship said, as "irrespective of the City members the majority of the Board can issue debentures to any amount for capital expenditure and the City Council must assume the liability."

Revision of the Act was recommended in a resolution passed by the Council early last year.

Forward To Victory

Reference to the great significance of the year 1944 on the battle fronts was made by the Mayor, who voiced the hope that all would cooperate to hasten the day of final victory, that the present year will see the homecoming of Canada's overseas forces, and that "we at home may never lose sight of the sacrifice they have been called upon to make that we may enjoy freedom."

"Although the year has ended in a deficit, the increased expenditures which have brought this about were most necessary and, in respect of the increase to the teachers and the Fire Department, most necessary," His Worship said. He continued:

"A pleasing event and a most generous gift early in the year, was the presenting to the Council of a portrait of Mayor Holman, by Mrs. Louisa Holman Fiske.

"In the month of May, Mrs. E. G. Saunder accompanied by Councillor and Mrs. LePage, proceeded to Quebec City where the christening of the H.M.C.S. Charlottetown took place, the honor being conferred on Mrs. Saunders. Councillor LePage, representing me on this occasion, extended an invitation to Commander Harding to bring the "Charlottetown" to the home port on the journey to the East Coast. On May 20th we were most pleased to have them make their official visit and spend an all too short time as our guests.

"In the month of June, I, accompanied by Councillors Gay and Rogers, together with Messrs. Fullerton and MacDonald, attended the meeting of the Dominion Federation of Mayors and Municipalities held on board ship on the St. Lawrence and Saguenay Rivers. This conference was most pleasant and most instructive. I believe much valuable assistance is derived which is beneficial to those of us who are endeavoring to serve as City Aldermen. Various types of municipal problems common to all cities and towns were discussed and solutions to these difficulties had often been found by an exchange of ideas.

"The next meeting, in Toronto, I feel should be attended by as large a representation as possible. Post war problems, the Dominion Housing Scheme, and many other vital Phases of Municipal, Provincial and Dominion Governments' tie-ups will

(Continued on page 7, Col. 7)

Report F. D. R. To Meet Pope

LONDON, Feb. 6 — (CP) —The Swiss radio quoted Rome reports today that President Roosevelt is making plans to meet Pope Pius.

The broadcast said Myron O. Taylor, the President's personal envoy to Vatican City, was making the preparations and that Mr. Roosevelt may meet the Pope upon his return from the Big Three conference.

Sask. Premier Seeks Ruling

REGINA, Feb. 6 — (CP) —Premier T. C. Douglas said in an interview today that the Saskatchewan Government will ask for a tribunal to decide whether the Dominion Government has violated the 1941 tax agreement in its demand for settlement of the $16,468,852 seed grain debt.

He said the Dominion Government already had "defaulted" in withholding from the Province a payment under the agreement — $582,331 which was due to the province Jan. 31.

In a letter delivered to the Provincial Government today Federal Finance Minister Ilsley said the Dominion would secure repayment of the seed grain debt in part by withholding sums from the Province payable under the tax agreement made when the Province relinquished its right to corporation, income and gasoline taxes in 1941 in return for payment of a grant by the Dominion Government totalling $5,880,000 annually in instalments.

Mr. Ilsley said the $582,331 instalment would be withheld until the Province made a payment in cash of $609,972 on the seed grain debt.

"We are to challenge the power of the Dominion to withhold this money," said Mr. Douglas.

WHITEWOOD, Sask., Feb. 6—Defence Minister McNaughton has advised the Qu'Appelle federal constituency Liberal Association that he is prepared to seek election as a Liberal candidate in this constituency which includes Moosomin, the town where he was born.

Coming Events

**Dance Oddfellows Hall, Montague, Friday. 2-6-3i.

**Notice — Loading hogs at Albany, Thursday, February 8th from noon until 4 o'clock Friday. Emerald until 11.30. G. C. Green and A. C. Green. 1-23-2i

**Loading hogs at Fredericton, Friday, February 9th until 11.30. Also at Colville until noon. D. Leslie MacDowell. 2-7-2i.

**The Annual Meeting of the Wiltshire Dairying Co., will be held in the hall on Monday, February 12th at 2 P. M. Roland Easter, Secretary. 2-2-4i.

**Unloading car of bulk barley at Bradalbane, Wednesday and Thursday. Bring bags. Can crush if desired. Elmer Wigmore. 2-7-1i

**Unloading car mixed feed and flour at Bradalbane Thursday and Friday of this week. Elmer Wigmore. 2-7-2i

465 To Leave Italy For 30 Days At Home

By WILLIAM ROSS

WITH THE CANADIAN CORPS ON THE ADRIATIC, Feb. 6 —(CP Cable) — Four hundred and sixty-five Canadian soldiers who have served the equivalent of five years overseas will leave Italy shortly to spend 30 days leave in the Dominion.

This will be the third party of five-year men to go home on leave from this theatre and approximately 1,950 remain to go. This means that at the present rate all should be seeing Canada by the end of July.

The first contingent, of 200, which went home for Christmas was followed in January by a second group twice as large.

These men qualified for home leave by virtue of five years service, service in Sicily and Italy counting double.

War Situation Last Night

By KIRKE L. SIMPSON, Associated Press War Analyst

With Allied heavy bombers striking at targets in Germany's great central plain, closely integrated Allied-Russian efforts to force the issue in Germany became a fact whether by joint staff planning or not.

Magdeburg, Leipsig and Dresden were among announced air targets of yesterday's massive long-range sweep into Saxony southwest of Berlin by United States heavy bombers. Over Dresden, American airmen were within 70 miles or less of the deepest Russian penetration west of the Oder at Sorau.

If that Allied air foray was mutually planned by Russian and Allied staffs it must mean that Berlin is only one prime object of the Russian drive to the Oder. It came precisely at the time and in the places were Allied strategic air power could most aid a Russian breakthrough into the plains of Saxony.

Saxony ranked third in population among German states in normal times. More than 5,000,000 Germans lived upon its broad, fertile and highly-industrialized plains. That has been swollen incalculably by new hordes of refugees and by the thousands previously evacuated from Berlin.

With loss to Russian forces of the Silesian industrial hub in the Upper Oder Valley, the war industries of Saxony and the other states spreading across the central plains to the Alps in the south are vital to any organized defence of the Oder line or behind it. That made the great Allied raid in the wide area south and southwest of Berlin a strategic mission of first consequence.

Saxony also offered the big bombers targets of hardly less significance from the "war of nerves" point of view. The attacks were calculated to bring home to great masses of the German people the fact that nowhere in Germany are they safe from Allied or Russian attack.

Legion Presents Brief To Prime Minister King

OTTAWA, Feb. 6 — (CP) — The Canadian Legion in a brief prepared for presentation to Prime Minister Mackenzie King today called for prompt review of the war manpower policy to allow the early return to Canada of men with long overseas service.

The Legion renewed demands for all N.R.M.A. personnel to be made available for service anywhere and said that when demobilization came veterans would only be satisfied with a "first-in, first-out" plan.

The brief said "the present policy of keeping men at the front until they are either killed or seriously wounded or become the victims of battle fatigue" was "nothing short of laxity" toward the welfare of Canadian soldiers.

Alex Walker, Dominion president of the Legion, headed the delegation which waited on the Prime Minister and which included E. J. Struthers, Dominion second vice-president; J. C. G. Herwig, general secretary; R. Hale, chief pensions officer and Lt.-Col. D. E. Macintyre, general manager of Legion War Services.

The brief also requested important changes in the pension and rehabilitation programs.

Included in these were:

1. Application of the "insurance principle" to pensions.

2. Changes in succession duties to exempt disability or widows pensions.

3. Revision of the dual pension scheme applicable to veterans of the present and First Great War.

4. Discretionary power to allow payment of war gratuities to soldiers' estates in some cases where dependent's allowances are not being paid.

5. Provision for veterans' housing in urban areas and additional financial assistance to veterans in establishing themselves in small businesses.

6. Rehabilitation benefits to auxiliary service personnel serving with the troops overseas.

7. Reduction in the interest rates charged under the First Great War Soldier Settlement Plan to facilitate reduction of outstanding debts.

In the section dealing with manpower the brief said the Legion had long believed the time would come when a review of the manpower policy would be necessary to assure a prosperous and United Canada in the future. That time now had arrived.

"There are thousands of men overseas who have completed four or five years service in the Army or Navy," the brief continued. "They have not had extended to them the policy adopted by the R.C.A.F. in returning officers and men to Canada after completion of a stated number of tours of operation. The future for such members of the Army and Navy is bleak indeed if the present system is to be maintained."

Married men, absent from their homes for five years, had become

(Continued on page 7, Col. 8)

International At A Glance

GERMANY — Russians cross Oder River southeast of Breslau, penetrate 12 1-2 miles beyond west bank on 50-mile front.

WESTERN FRONT — Americans near Siegfried Line's permanent fortifications.

PACIFIC — Japanese fire Manila's business section.

ITALY — German Air Force sent into action in effort to prevent further destruction of Brenner Pass rail line; ground action mainly confined to patrolling.

AERIAL — Allies hurl nearly 4,000 planes into battle of Germany; American heavy bombers hammer communication centres; R. A. F. planes strike V-bomb installations in Holland; Canadian fighters and fighter-bombers attack German rail lines.

Allied Offensive In Italy Reported

STOCKHOLM, Feb. 6 — (Reuters) — Berlin correspondents of Swedish newspapers tonight claimed that the Allied armies in northern Italy have launched a violent new offensive along the entire Bologna-Faenza front.

The 1st Canadian Corps has been fighting as part of the British 8th Army in the sector northeast of Faenza.

There has been no confirmation of reports of a new attack in Rome said front dispatches. William Boss, Canadian Press War Correspondent with the 1st Canadian Corps, in a dispatch dated Feb. 6 said the Canadian sector continued quiet with both sides even curtailing patrol activity.

Report Germans Not Using Penicillin

LONDON, Ont., Feb. 6 — (CP) —Group Capt. G. Edward Hall, newly-appointed dean of medicine at the University of Western Ontario, said in an address to the Canadian Club here today that penicillin, wonder drug used by the Allies to prevent post operative infections, is not used by the Germans. This fact has been "definitely established," he said.

Red Forces Advance West On Oder River

LONDON, Feb. 6 — (CP) — Germans were told by their own propaganda spokesmen tonight that the Russian offensive could not be stopped at present, while Moscow broadcasts called on Berliners to revolt and spare the city "because no miracle can save Berlin any more."

D.N.B. Commentator Col. Ritter von Schramm admitted that the Russians still have the initiative but added, "German countermeasures are beginning to be felt....."

LONDON, Feb. 6 — (AP) — The Russian Army has stormed across the Oder southeast of Breslau and penetrated 12 1-2 miles beyond its west bank on a 50-mile front, Moscow announced tonight, while German reports said the water barrier protecting Berlin and the heart of the Reich had been crossed by the Russians in two other sectors as well.

Broadcasts from Berlin, again reporting Soviet successes long before their confirmation by Moscow, placed Soviet Army units west of the Oder northeast of Berlin, perhaps less than 30 miles from the battered capital, and northwest of Breslau in the area of Steinau, a Silesian city which the Germans said they had evacuated.

The announcement of the Silesian crossing, made first in an order of the day by Marshal Stalin and repeated in the nightly communique broadcast from Moscow, broke the silence that had blanketed operations of Marshal Ivan S. Konev's 1st Ukraine Army for several days.

Claxton Pleased With Progress Of Registration

OTTAWA, Feb. 6 — (CP) —Welfare Minister Claxton said today 40 per cent of the families of Prince Edward Island have registered their children for family allowances since registration forms were put in the mail Feb. 1.

"Judging by the reception so far everyone in Prince Edward Island is in favor of family allowances," said Mr. Claxton at a press conference.

"Everyone from the Premier down has been most co-operative and the newspapers and heads of various organizations have been of the utmost assistance in making family allowances information available. A group of volunteers recruited through women's voluntary services has been helping enormously in handling the large mail."

He said the department has been fortunate in obtaining the services of Maj. Allan Nicholson as regional director for Prince Edward Island. A former school principal at Montague P.E.I., he had been discharged from the army after losing a leg in Italy.

With registration for the allowances under way in the Island Province the minister expects it will begin in other provinces in March. Payment of the allowances which go to parents or other designated persons in respect of all children under 16 will start July 1.

Here On Feb 18

Mr. Claxton said he will visit Prince Edward Island on Feb. 18 and also go to Halifax on Feb 21, Saint John Feb. 22 and Fredericton Feb. 23. He will address meetings in these cities. Later on, possibly in the first two weeks of March, he expects to go west.

The purpose of the trip east is to look into the administration of family allowances and visit other offices of the National Health and Welfare Department. He will meet representatives of the provinces and discuss arrangements for continued co-operation in the fields of health and welfare and seek the best means of co-operating in the educational work being carried on in connection with family allowances.

No obstacle has been placed in the way of preparations for family allowances by any province, said Mr. Claxton.

He declined to discuss the recent suggestion from Premier Duplessis of Quebec in a letter to Prime Minister MacKenzie King that family allowances interfered with provincial rights except to say that he could not conceive of any respect in which they did.

It was just a question of the Dominion deciding in what way it wished to spend the money it raised by taxation.

Deficit Shown in City Finances

Total revenue for the year 1944 of $340,270.78 and total expenditure of $356,864.53, leaving a deficit of $16,593.75, was reported by Coun. B. Earle MacDonald, chairman of the Finance Committee, at the annual meeting of the City Council last night. The year's revenue compared with $336,017.72 in 1943 and the expenditure with $334,621.54 in 1943.

(See page eight for detailed statement of revenue and expenditure.)

The deficit, Coun. MacDonald said, was not "entirely unanticipated and was accounted for by various reasons", some of which I will now mention.

"The year 1943 showed a small surplus and also marked the closing of the two year term of the Council, and as the year 1944 meant a new Council, and in view of the 1943 surplus, a raise in the tax rate would have seemed inopportune.

"An increase in the grant to the board of school trustees for the year 1944 of $10,173.51, earmarked for the specific purpose of a well deserved and necessary raise in salary to the teachers; an increase of $3,000.00 in the grant to our Fire Department; a settlement of $1,300.00 with Mr. Dominic Butler, and the additions of an extra policeman and an extra caretaker in our Fire Hall account largely for our deficit. As these expenditures were most necessary, your Finance Committee has no apologies to make.

"By a careful study of the auditor's report, not only your Council but the citizens of Charlottetown will see that there are certain fixed charges, incurred more especially, in the payment of interest and the amount prescribed to be set aside for sinking fund; in the requirements of the

(Continued on page 9, Col. 1)

Germans Call Roer Action Diversionary

PARIS, Feb. 6 — (AP) — American troops fighting along a broad front in western Germany extended their operations northward today with a two-direction attack against the last enemy positions west of the Roer guarding the river's important dams.

(German commentators predicted an imminent Allied offensive on the Western Front would come at a point not now active and termed the operations in the Roer sector diversionary. They did not, however, predict where the blow would fall.)

The U.S. 3rd Army advanced up to 1 1-2 miles on an eight-mile front, while the United States 1st Army pushed within a half-mile of the Siegfried Line's permanent fortifications.

On the Alsatian front French 1st Army troops with American aid continued cleaning out the halved Colmar pocket of Germans while the Americans placed the fortress city of Neufbreisach under siege.

The British, Canadian and United States 9th and 7th Army fronts remained comparatively quiet.

Federal Cabinet In Brief Session

OTTAWA, Feb. 6 — (CP) — Prime Minister Mackenzie King and his Cabinet met in brief session today, their first gathering since Defence Minister McNaughton was defeated in the Grey North by-election.

So far as could be learned it was a routine session and the big question of the time for dissolution of Parliament and a general election was not raised. Gen. McNaughton was not back in Ottawa for the meeting. He is expected to arrive tomorrow.

The Grey North result, however, was the chief topic of conversation wherever politically minded people, including cabinet ministers got together. The general expectation was that Parliament will be dissolved very soon and the general election held in April.

Party headquarters were busy making plans and all three of the leading organizations, Liberal, Progressive Conservative and C.C.F. professed themselves ready and eager for an election.

The election machinery is arranged so far as it is possible to go before the issuance of the writs. Special returning officers to handle the voting of the men and women in the services in Canada and overseas have made preliminary preparations.

Manila's Business District Ablaze

MANILA, Feb. 7 — (Wednesday) —(AP)—Liberated Manila's business district was ablaze Monday from Japanese torches, a communique announced today, but three American columns still were liquidating the desperate enemy in a tightening three-way trap.

Water mains were empty and the Manila fire department was helpless. The enemy blew up water pumping stations several days ago.

Royal Family Visited Warship

GREENOCK, Scotland, Feb. 6—(Reuters) — A few hours before the battleship King George V sailed from here for the far east she was visited by the King, Queen and Princesses Elizabeth and Margaret Rose, it was permitted to disclose tonight.

The disclosure came a day after a communique from Allied South-east Asia Headquarters at Kandy, Ceylon, announced the mighty warship was part of a force whose carrier planes dealt crippling blows to Japanese oil supplies in southern Sumatra Jan. 25 and Jan. 29.

The King wandered about the ship named after his father and chatted with the sailors.

The princesses spent their time delightedly examining the mysteries of a 14-inch gun that was at some later date to spout flame and shells upon Japan's vital oil establishments.

That night everyone on board the King George V drank a double

CENTENARIAN CONGRATULATED

QUEBEC, Feb. 6 — (CP) —Hon. Camille Pouliot, Quebec Minister of Game and Fisheries, today, sent a congratulatory telegram to Alfred W. Legrand of Cape Cove, who is celebrating today his 100th anniversary. The Minister is himself a resident of Cape Cove, Gaspe. Mr. Legrand, a native of the Island of Jersey in the English Channel, has lived in Canada for the last 83 years.

METEOROLOGICAL SERVICE

TORONTO, Feb. 6 — (CP) — Minimum and maximum temperatures: Vancouver 39, 46; Edmonton zero 12; Regina 3B, 1. Winnipeg 7B, 2B; Toronto 26, 30; Ottawa 7, 31; Montreal 6, 26; Halifax 18, 34; Charlottetown 12, 25.
