

Had Rheumatism For Years—Found Help At Last

Tells how simple home treatment brought relief

Thousands of rheumatic sufferers who have tried remedy after remedy in vain, report that they have got quick, complete relief from a very simple home treatment.

"I have suffered with acute rheumatism for years," writes a man from Winchester, N. H. "After having tried various remedies, Sloan's Liniment was recommended to me, and it stopped the pain. I am quite old—past sixty years."

A little Sloan's patted on lightly—and a healing tide of fresh, germ-destroying blood is sent tingling through pain-ridden tissues. No rubbing! The medicine itself does the work.

Soon the swelling and inflammation go down. The aching stops. Almost suddenly you find yourself really free from pain, really comfortable at last. Get a bottle today and have it on hand. All druggists—85 cents.

Save the Eyes Stop Errors Close work tires eyes very quickly if the sight is weak and errors are almost sure to creep into the work being done. Sightless eyes deserve best attention that can possibly be given them and if given this attention they pay splendid dividends in increased efficiency. Correct glasses rest eyes and promote accuracy. Have your eyes examined with precision and thoroughness. H. J. MABON Optometrist Montague, P. E. I. Office Connected With Drug Store

INSIDIOUS EYE STRAIN We use this adjective advisedly. Sufferers from eyestrain may have perfect vision and therefore do not suspect the presence of any eye defect. The motive power of the entire human organism is Nerve Energy. Normal eyes, it is computed utilize about 20% of this Nerve Energy, but when eyestrain is present, a much larger proportion is required. Hence defective eyes, through their consumption of an excessive amount of Nerve Energy, may seriously affect the functioning of other organs of the body, and produce ill health. ADDRESS AND PRESENTATION

The semi annual examination of Wilmot Valley school took place on Wednesday afternoon, Dec. 23rd. After the pupils had been examined in the various subjects the teacher, Miss Georgie Cairns was presented with a beautiful fountain pen accompanied by an address. Mr. Ralph Hogg on behalf of the pupils presented the gift while Miss Lucy Hogg read the address:— Miss Georgie Cairns. Dear Teacher:—At this the closing of our school for the Christmas holidays we wish to extend to you our appreciation of you as teacher in our school. We feel that in you we have a teacher whose heart is in the work and the harmonious manner in which we get along together is proof of the bond of friendship existing among us. We know that often times we do not obey you as we should but we trust you will overlook our childish ways. In conclusion we ask you to accept this pen as a Christmas present and our best wishes for a Merry Christmas and a Happy New Year. Signed on behalf of the Pupils of Wilmot Valley School.

FASHION FANCIES Is simply pluck, And doing things over and over. Courage and will, Perseverance and skill Are the four leaves of Luck's Clover The girls who think that men are not good enough for them may be right, but they are often left.

SMILES "Conditions must be terrible in the slums." "Yes, some of those poor souls have hardly enough clothes to cover their backs."

SOCIAL WORKERS "Oh Mamiel I've got a lot of sand in my stocking." "I've got enough sand to go with 'em."

STAYED FOR MORE THAN A SECOND Mother (to departing caller): You've been kissing my daughter in there, young man! Caller: Why—why, how could I? Mother (fiercely): Stayed for a tenth or a twelfth, you should say!

NO FAITH "Eat, drink and be merry, for tomorrow we die." "Haven't you any more faith in your bootlegger than that?"

ONLY A FRAGMENT OBTAINED "Well, did you get the girl you were so crazy after?" "No—only got a piece of her mind."

COLLISION.—During the speeding of fast horses on Water Street on New Year's afternoon, a collision of two sleighs, owned respectively by John Harkness and John Cobbs, both citizens, resulted in the latter sleigh (a new one), being damaged considerably; the affair was an accidental one. No one was injured.

KENSINGTON COMMUNITY WELFARE.—A concerted movement has been made by citizens of Kensington and vicinity to hold a series of Community lectures during the coming winter. The services of some of the best lecturers of Mount Allison University Dr. McLeellan of Tignish, Dr. Gauthier of Palmer Road, Dr. Kline, Prof. McKiel, Prof. W. L. Stewart, Dr. McKinnon, Pine Hill; Rev. Nell Herman, Rev. Dr. Genge, will be secured. Rev. Drs. McLeellan, Tignish, Dr. Genge, Kensington; and Dr. Gauthier Palmer Road will be invited to deliver lectures on Education, Health, and the memory of the welfare of any community. The proceeds of the lectures will form the nucleus of a fund to procure a public library public park, and other community improvements. Tickets will be sold at popular prices \$1.25 for the full series. General admission to each lecture 25c. The lectures will be given in the Strand Theatre twice each month. The schedule will be announced later. This movement is somewhat of an innovation, and no doubt will be eagerly taken advantage of by young and old of town and country contiguous. The hearing of good lectures is again becoming popular. Most people are "fed up" on the jazzy, fluffy-ruffle literature of the day. They pine for the sound logic and ethics of the orators of the old school. A heavy advance sale of tickets is anticipated. A regular ticket selling committee has been appointed for town and country. The committee in charge are most anxious to make the venture a success from every standpoint.—K.

THE LATE DOUGLAS GORDON On the threshold of the new year, Summerside is called upon to mourn the death of one who may fittingly be called one of its best citizens, namely Douglas Gordon. Few men have been better known, none more highly esteemed and respected. For fifty years he was agent of the Steam Navigation Company and in that office came into contact with the business life of the province and in that capacity also the public at large learned the value of his word, the kindness of his unfailing courtesy and consideration for others. For over twenty years he was an elder in the Summerville Presbyterian Church, the duties of which office he performed with the earnestness and faithfulness of a devoted servant of Christ. As a citizen none knew him but to love and respect him. The late Mr. Gordon had been invited to deliver lectures on Education and to cherish the memory of the welfare of any community. The proceeds of the lectures will form the nucleus of a fund to procure a public library public park, and other community improvements. MRS. A. D. BREHAUT. AT Village Green on Dec. 4th, Mrs. A. D. Brehaut passed peacefully away to the Mansions of eternal day to join those who have fought the good fight and now wear the crown that fadeth not away. Her maiden name was Mary Jane Ballem and 36 years ago was united in marriage with A. D. Brehaut. A member of the Official Board of the United Church of Canada on Pownal Circuit. For many years Mrs. Brehaut manifested vigorous vitality and energy but during the month of spring she had a severe attack of heart trouble. From this attack she re-

NEW YEARS AT MONTAGUE.—New Years day passed off very quietly in Montague. The larger stores were closed and little or no business was done. In the Catholic Church Mass service was held. The church was handsomely decorated in green, spruce and holly for the New Year's service there being no service in the church at Christmas. The pastor, Father Kiggins delivered a most eloquent and impressive sermon on the night of the day pointing out one obligations to God for the blessings of the old year and the new.

covered and was again able to attend to her household duties. Recently, however, the former trouble returned with greater severity and in a brief period the translation took place in the 63rd year of her age. Mrs. Brehaut will be greatly missed, especially by those in the home. For many years, in the month of Nov. the members of the Official Board of Pownal Circuit met in the home of Mr. and Mrs. Brehaut to transact the business of the Circuit. During those meetings the many manifestations of kindness and goodwill will not soon fade from the memory of all former ministers and members of the Official Board. Her name and memory will long be remembered by all favored with the hospitality of her home. She leaves to mourn the loss of a devoted wife and fond mother, her husband, two sons, Vernon and Willard at home and Mrs. Heber Weeks of Fred. Pictou, P. E. I. Also two brothers George and William residing in Pownal and a large number of relatives and friends who will miss her from their circle of friendship as the years pass away. Floral Tributes from Official Board family and others of her friends were laid upon the casket. The funeral service on Sunday Dec. 6th, was conducted by Rev. P. H. Littlejohn, Pastor of Pownal Circuit, assisted by Rev. Mr. Lindsay of Hazelbrook. All that was mortal of our translated friend was laid to rest in the Brehaut Plot in Pownal Cemetery there to await its resurrection morn. "Blessed are the dead which died in the Lord."
