WILL GIVE \$500 TO SICK OF CHARLOTTETOWN AND VICINITY

Famous Scientist Who Originated the Now Wonderful "H-me Treatment" Offers \$1.00 Package Free to Sick and Ailing.

In order that every reader of The Guardian who needs treatment may have an opportunity to test this celebrated medicine, the famous scientist has come to the front with an offer to give absolutely free a full size \$1.00 package to five hundred persons to prove the wonderful claims which have been made for it. In making this offer the scientist says: "I know that there are many people who have been suffering for years with some chronic disease and many of them have spent large sums of money seeking a cure. I know that these people hesitate about investing money in medicine because they have despaired of ever getting well. Thousands have told me that story and many thousands of the same people have told me afterwards that my treatment had cured them after doctors' and every thing else had failed. I want to show these despairing people that all the newspaper talk about my treatment is absolutely true. I want to prove to a limited number, no matter what the disease, no matter how long they may have suffered, no matter how blue and discouraged that my treatment really and actually does accomplish the wonderful results that have been reported."

People who have suffered from Rheumatism, Kidney Trouble, Stomach Trouble, Liver or Bowel Disorders, Catarrh, Bronchitis, Asthma, Chronic Coughs, Weak Lung, Lumbago, Piles, Urinary Disorders, Female Weakness, of any kind, the weak, worn out, broken-down and despondent will be delighted at the effect of a few doses. This wonderful treatment creates a fine appetite and helps the digestive organs to carry on their functions as they should. It strengthens the kidneys, too, and drives rheumatism poisons from the blood as if by magic. That is why the people who try it become so enthusiastic. Any reader of The Guardian who will try this extraordinary medicine that has created so much excitement by its cures can obtain absolutely free a full size \$1.00 package by simply filling in the coupon below or writing a letter describing their case in their own words, if they prefer and mailing it today to James W. Kidd, Toronto, Canada. No money need be sent and no charge of any kind will be made. As this offer is limited, you should write at once, in order to be sure to receive your free treatment.

POWELL LAUDS HEARST IDEA

PASADENA, Cal., Feb. 20—"The day is coming, and not far off, when the American flag must fly from the Canadian border to the Panama canal. The time is approaching when the United States must step in and take the Central American states under her protecting wing, not wholly for the interest of our government but to succor the revolution-harassed people in the war-tossed states."

This was the statement that E. Alexander Powell, magazine writer, globe trotter, diplomat and hunter of big game in Africa with Roosevelt, made today at the Hotel Greene, where he is a guest.

"The United States will soon be forced to intervene in Mexico also," continued Mr. Powell. "About two hundred millions of dollars of American gold are invested and there are fifty thousand of our countrymen live there. If the revolution jumps the
