MEXICAN SITUATION

(Canadian Press) LONDON, Jan. 31.—The Saturday Review in discussing Mexico commends the course of the United States but says the waiting policy can be kept up only so long as it does not lead to a financial catastrophe. Huerta's Financial Policy will clearly lead to eventual chaos and the British Government cannot remain inactive but must protect the interests of its citizens and President Wilson may force the British hand "He really cannot wait indefinitely."

REMODELLING PATON'S STORE WON'T INTERFERE WITH BUSINESS

Every Department will be in Full Swing in the Large Show Room in the Rear.

The preliminary work towards the remodelling of the interior of Paton and company's store is now under way. The clerks are busy removing the goods from the main store to the show room in the rear, in order to give the carpenters an opportunity to begin operations. Important improvements and alterations are to be made. The front windows of the main store are to be enclosed. The present shelving is to be removed and replaced by low shelving of a modern type, and the tops will be dressed with goods. The ceiling will be covered with beaver board. A new ceiling is to be put in. Modern electric light fixtures are to be installed. The Gent's Furnishing Department will be included in the plan of general transformation, and the most up to date fixtures and fixtures will be introduced. There will be several new silent salesmen to assist the salesman in charge. It is possible that a number of the departments will be re-arranged. The carpet room has already been attended to, and the clothing department has undergone a complete renovation. Although the carpenters will be

SCREAMED WITH THE TERRIBLE PAIN

"Fruit-a-lives" Completely Cured Distressing Kidney Trouble. ST. THOMAS, ONT., April 1st, 1913. "In 1911, I was laid up with Kidney Trouble and not able to get out of my chair. I had tried many kidney remedies without satisfactory results. The pain was excruciating and my screams could be heard on the street. One day a friend from Ottawa came to see me, and when he found me in such poor health, said he would send me a sample of 'Fruit-a-lives', which he did and I commenced taking them. The results were so apparent with the first few doses that I continued to take 'Fruit-a-lives' and was completely restored to my normal state of health. I would strongly advise anyone suffering with Kidney Trouble to take 'Fruit-a-lives' and cure themselves." CHARLES CALVEART. 50c a box, 6 for \$2.50, trial size, 25c. To the Electors of Ward 5:

LADIES AND GENTLEMEN:—Yielding to a largely signed petition of representation of the people of the Ward, I have decided to nominate as Councillor at the forthcoming election. I shall not make a personal canvass, but take this opportunity of stating that I shall be pleased to receive your support, assuring you at the same time that I shall, if elected, use my very best judgment in the administration of the affairs of the city.

Yours Faithfully, R. H. JENKINS 4159-1-27M141.

To the Civic Electors of Ward 5:

LADIES AND GENTLEMEN:—At the request of a large delegation, I have consented to nominate as the Civic Electors are by ballots I hold in unnecessary to make a personal canvass, but as I stated at the meeting my endeavours will be to have a thorough inspection of all meats and milk, and also to have a reduction of the water rates especially for domestic purposes, as a healthy condition, I deem this an opportune time for a reduction in our water rates. I am also in favor of encouraging industries and everything pertaining to the welfare of the City and if elected my best endeavours will be to carry out the above.

Yours Respectfully, GEO. WHEATLEY. Ward 5 Central. 4149-1-26Mtd.

To the Electors of the City of Charlottetown: LADIES AND GENTLEMEN:---

At the urgent request of a large number of influential business men, I have decided to contest the City for the Mayoralty at the forthcoming Civic Election. If you do me the honor to elect me, I will endeavor to do all in my power to further the best interests of our City. As the time is short, it will be impossible for me to make a personal canvass. I therefore take this opportunity of soliciting your support. I am, Ladies and Gentlemen, Yours most sincerely, R. H. STERNS

January 22, 1914. 4119.

To the Electors of the City of Charlottetown--- Ladies and Gentlemen

Having been waited upon by a delegation from the voters of this City and presented with a largely signed requisition asking me to contest the City at the forthcoming Municipal election for the position of Mayor, and, after mature consideration, I have consented. With an experience of twenty-four years at the Council Board, during which time I served the people faithfully, and, if elected to the honorable position of Mayor, I will do likewise, and, with the aid of the Council, endeavor to carry on the business of our City in the interests of the tax-payers. As it will be impossible for me to make a personal canvass. I respectfully ask the electors to give me their support.

I am, Ladies and Gentlemen Yours Alexander Horne 3891-1-16Mfmwtf.

To the Electors of Ward Three LADIES & GENTLEMEN: ---

Having received a petition signed by over thirty of the principal residents inviting me to come forward as a candidate for the representation of your ward in the City Council I have decided, after due consideration, to accede to their request.

I have been a resident of the city all my life and, in the whole of my business career have been associated with Ward 3. I am personally known to the majority of the electors and am familiar with their wants and aspirations in the matter of municipal progress and reform.

My experience as a member of the Fire Department for the past twenty years enables me to speak with authority on the requirements of the city in this connection, and I recognize the necessity of keeping the department up to the highest possible standard of efficiency consistent with economy.

The question of improving the condition of our streets will receive my best attention. While a great deal is being done towards improving these, much still remains to be done. I would make it part of my duty to see that the streets in ward 3, especially the side streets, receive a fair share of the expenditure for this purpose.

I have always considered that Charlottetown ought to be one of the foremost cities in Canada and my aim shall be, if elected, to do everything in my power to make it so.

Any electors who may desire to have further particulars as to my views on public matters I shall be glad to confer with at my place of business or by appointment otherwise. I am, yours obediently, R. B. RATTRAY

Yours Faithfully, R. H. JENKINS 4159-1-27M141.

To the Civic Electors of Ward One: Ladies and Gentlemen:---

At the solicitation of a largely representative delegation of voters of the Ward, I have consented to be a candidate for Councillor at the forthcoming civic election.

I am of the belief, with the great majority of the Ward that the Councillor-elect should be a resident of the Ward he represents and thereby in touch with its requirements.

I am for economy in the various civic departments, whilst not neglecting civic improvements, but am opposing any innovation that will unnecessarily increase the taxes of citizens without first consulting my supporters.

I am in favor of cheaper water and more light along the approaches to the city which I claim has been neglected in the past, and that some of the taxes collected in the Ward be spent therein; also of better protection.

Ladies and gentlemen electors, I may say the time is too short to call on you all personally, so I take this means of soliciting your support; and if you do me the honor of electing me to the Council, I will endeavor to serve the best interests of the Ward and City.

I remain, ladies and gentlemen, Yours truly, I. A. SMITH. Charlottetown, Jan. 26, 1914. 4174-1-27Mtd.

Ladies and Gentlemen: At the request of several delegations, and in response to your large signed requisition, and as I was nominated at a large meeting of the electors of this ward, in my absence, I now am in your hands as a candidate for councillor, for this most important ward, at the forthcoming civic election. Although I did not seek the nomination, I am deeply sensible of the very warm expressions of good-will toward me that I have received from the electors in all parts of the ward. As the civic elections are by ballots, I hold that it would therefore be inconsistent for me to make a personal canvass; the voter should enjoy the right of freely expressing his opinion at the polls without fear, favor, or affection. The choice should be yours to elect whom you please, and should I be elected will make but one promise only, to serve your interests to the very best of my ability. 1914 is likely to be one of the most important years in the history of this Garmaux of soliciting your support; and if you do me the honor of electing me to be alive to this fact and to see that the capital city is governed ably and wisely, ever keeping in view all possible progress consistent with due economy. L. B. MILLER. Ward 5 East. 4150-1-26Mtd.
