

Feels One Hundred Per Cent. Better

NORTH SYDNEY MERCHANT CLAIMS DRECO EASED HIS STOMACH AND MADE HIM FEEL GOOD ALL OVER

Many people of Cape Breton are testifying to the good results Dreco has given them. For instance, Mr. William Marr, a merchant of North Sydney, who owns a cigar and tobacco store, says: "I highly recommend Dreco and feel sure that anyone suffering with indigestion and stomach trouble will get great benefits from it. I am now taking my third bottle and it is a fact that I have not been so relieved for many months."

"I was troubled with belching, nausea, shortness of breath. I had to take laxatives very frequently I had pains in the back and through my shoulders, dizzy spells with spots floating before my eyes. I did not rest properly at night always felt dizzy, my food did not digest and therefore I received no nourishment. Dreco has changed all this. My bowels act regular. I have no pains in the back or through my shoulders. I sleep all the night through and never waken. My food seems to give me good nourishment, and I am feeling 100 per cent better than I have for many a day, thanks to Dreco, which has gone to the bottom of my troubles, and brought results where every other medicine has failed."

Dreco, the great herbal tonic, is winning new victories every day for sick, nervous, run-down weak men and women who are in need of a tonic and builder. Dreco is sold in Charlottetown by E. A. Foster. It is also sold in Summerside by Gallant Drug Co. Limited, and by good drug stores everywhere.

A BOY ON FIRE.—A boy walking on Dover, Eng. sea-front, suddenly burst into flames. He, and though four men had the presence of mind to tear off his blazing clothes, he was severely burned. It seems he had picked up a tube washed ashore and had put it in his pocket. Unfortunately the tube contained an inflammable mixture of phosphorus used for making smoke screens by vessels of the Dover Patrol, and the heat of his pocket set it on fire. White phosphorus is always a dangerous substance to handle, for it bursts into flame at 120 degrees Fahrenheit, or even if subjected to a little friction.

ILLNESS REGRETTED.—A number of the girls of Montague, taking advantage of the good roads to last week enjoyed a sleigh drive to Bruenell to visit their friend and former co-worker, Miss Isabel McLaren, who, we regret to say, is critically ill. Although the outing was all that could be desired, it was marred by the knowledge that the condition of Isabel is such as to cause her many friends grave anxiety.

PRESENCE NOT WANTED.—John Barsleycor has apparently been ousted from the position he has long held, as a herald of the festive season to the citizens of Montague, and Santa Claus has taken his place, there being not one single evidence of the cup that cheers. The people of this town are becoming enlightened to the fact that Christmas is a time for thankfulness, and not one in which to celebrate, as has been the custom in former years.

FINE XMAS TRADE.—Pools & Thompson, the largest mercantile concern in Montague, and one of the largest in the province, reports the best Christmas trade in the history of the firm. They are glad, in fact, that the storm came on, as had the Saturday before, Christmas been fine, they would have been entirely unable to handle the great crowd that would inevitably have thronged their store, and no doubt by the bargains which this firm is always offering.

MASONIC OFFICERS.—At a meeting of St. George's Lodge No. 4, A. F. and A. M., Georgetown, on St. John's night, December 27th, 1923 the following officers for the ensuing year were duly installed. W. McDonald.

LITTLE POND SCHOOL.—The semi-annual examination was held in Little Pond school Thursday afternoon, December 21. A large number of the ratepayers and school officers were present. Mr. John A. Steele presided. The pupils were examined by their teacher, Miss Margaret McCormack, assisted by Miss Sadie Blagden, Annandale and Miss Laura McDonald, Little Pond. The ready answers of the pupils to the questions of the examiners showed plainly that great care was taken in teaching them. The spelling, reading and grammar, and the other subjects, too, are so thoroughly taught that there is no place for criticism. A good program was rendered and refreshments served.

DEEPLY MOURNED.—A sad gloom was cast over Georgetown on Thursday, Dec 28th when it became known that Barbara Gordon, one of the most highly respected citizens of that place had passed away after a brief illness. The deceased had been in failing health for some time but was never known to complain, she bore her sufferings with patience and resignation to the will of God. All that medical skill and tender nursing could do has been done but no avail. She was a general favorite with both young and old. The late Miss Gordon will not only be missed in her home but in the community in which she lived. There are left to mourn two brothers Heber and Wesley Gordon in the United States also three nieces Inez and Mrs George Hopwood in Charlottetown and Mrs Leslie of Georgetown. Sincere sympathy is extended to the family in their sad and sudden affliction.—A.

BRINGING UP FATHER

SERVICES APPRECIATED.—Mrs. Fulton Campbell is again the organist in the Montague Presbyterian church. Mrs. Campbell, formerly Miss Mae McQueen, has fulfilled this duty for a number of years, and it is certainly a credit to her when with the duties of a mistress, added to her already daily routine, she still finds ample time for faithful service in the Master's vineyard. As music, especially good music, is one of the greatest concentrative forces in the world today, some credit is really due this gifted musician, for the high level to which the church has risen and the harmony that exists throughout the congregation.

PROFITABLE AFFAIR.—Notwithstanding the unfavorable condition of the roads, the chicken supper and candy sale, in the Odd Fellows' Hall, Montague, in aid of the Methodist church, was a decided success, a snug sum being realized. A fair number from the outlying districts made it a point to be present. This supper was held on New Year's night, the ladies showing unusual skill in the culinary art, in the excellent quality of the supper. This congregation, who now own one of the finest church properties on the island, was prepared to a very large expense during the past summer in the way of repairs. With such a capable pastor, assisted by his musical and faithful helpers, it is thought another year will be sufficient to wipe out all obligations.

MRS. MOSES H. PETERS.—A deep bloom was cast over this vicinity when the death of Emma Cormier, dearly beloved wife of Moses H. Peters and daughter of Mr. and Mrs. Joseph Cormier of Egmont Bay, took place at the Charlottetown Hospital Jan. 2 at the early age of 36 years. Mrs. Peters had been ill for the past year, but bore her sufferings with characteristic patience and cheerfulness. But her death came peacefully with all the rites of the Roman Catholic church. Mrs. Peters was a loving wife and fond mother and she had a great number of warm friends. She leaves to mourn besides her sorrowing husband, five children, also five brothers and three sisters. The funeral took place from her late residence in Geytown Jan. 4th to St. Dunstan's Cathedral where Requiem High Mass was sung. There was a large attendance, testifying to the high esteem in which the deceased was held. Rev. Father Rooney officiated at the church and Rev. Father St. John at the grave. The pall bearers were Messrs. Cyrus Vessey,

WHIST PARTY.—It snows and it blows. But the Little Pond people are as jolly as ever. The members of the re-organized whist club of Little Pond, enjoyably entertained themselves on Sunday, December 29th, at the pitiable home of Mr. John G. Donald, Little River. Met in a farmyard by the friendly pro or, ready to house the horses at the door by the genial wife, each guest was shown a comfortable and each one felt home. Thus the first play was decided success. The whist playing were carried off by Alex. A. MacDonald and Miss Bella MacDonald, while the other players were given Mr. St. and Mr. D. McDonald. Tea passed around, accompanied such a supply of dainties as everybody with every day Xmas and every night a whist. Excellent instrumental music was rendered and the light tie enjoyed for an hour. A generous vote of thanks was tendered to the host and hostess, and who helped to make the evening so pleasant. After singing "A Jolly Good Fellow" and "A Jolly Fine Lady," all departed their homes. For the folks days wherever the whist players they said "Well, wasn't great time?"
