The secretary's report had been received one of the best dairy meetings held there for some time took place, the following taking part: John R. Wood, D. I. Thompson, John Dawson, Jas. Arnett, Joseph Noonan and others. The treating of the speaking was along the lines of improvement; how to improve the dairying business generally, and the Tryon Dairying Co. in particular. One important change was made; which is expected to work beneficially, namely to make final settlements with the patrons at the end of every month. As a result of this the patrons are now receiving from \$1.03 to \$1.35 per 100 lbs. for their milk. In a report of the secretary's accounts of the above factory some time ago they were mixed. The accounts of the Tryon Creamery Co. being given as for the Tryon Dairying Co.

New Spring Corset Models

Style and Elegance Displayed in Every Line

Assure yourself of a well fitting suit or costume by being fitted over one of our superb 1908 models. The right corset makes all the difference in the general contour of the figure. We have the new 1908 models, which produce the longwaisted and slender hip effect, so fashionable this season, in the celebrated D. & A., the P.C., the new Bias Filled and many other makes.
