The other decorations in the room were carried out in pink and white. A beautiful flowering maple, ferns and potted plants made a perfect setting for the bridal party. The bride entered the living room on the arm of her father, who gave her in marriage, to the strains of the Wedding March played by the bride's cousin Mrs. James Coles. The bride wore a lovely gown of pale pink net over a white bodice with light fitting and the full skirt hung in graceful folds to the floor. On her head was a coronet of orange blossom fastened with velvet ribbons. The bride carried a show-off bouquet of pink roses. Miss Jeanne Johnstone, sister of the groom, was bridesmaid, and wore a dress of gold brocade, with a bouquet of bronze chrysanthemums. New Building Opened At Summerside

Mayor Robinson, Councillors, prominent citizens and the press were guests at a banquet at the New World Cafe on Saturday for the opening of the new brick building erected by Col. E. H. Strong on Water Street, Summerside. The building is one of the finest in the town and in an informal speech at the conclusion of the dinner Mr. Strong paid a tribute to the workmanship of the building, which was put up by Messrs. F. Schurman and Co. under the supervision of Mr. Harold Schurman, to Messrs. R. T. Holman, who installed the heating plant and to A. W. Palmer and Ralph Williams who were responsible for the plumbing and electric fittings. The place is very modern and the proprietor of the restaurant served a most delicious meal. The table was gleaming with silver and glass. The seating arrangements are the last word in comfort and elegance.

Mayor Robinson in a short after dinner speech congratulated Col. Strong on his initiative and confidence in the town of Summerside to expend the large amount of money necessary to erect such a fine building. He felt sure that the proprietors of the cafe had not made any mistake in locating in Summerside the western capital and one of the finest towns in the Maritime Provinces. It is to citizens such as Col. Strong who are not afraid to branch out and chance their luck that towns such as this owe their existence. No town can progress without progressive citizens, who are wide enough awake to grasp opportunities for expansion and who show a justifiable pride in the place of their birth. Col. Strong has proved himself to be just that, and Mayor Robinson wished him and those who occupy the building every success.

Mr. Frank Arnett, as president of the Board of Trade added his congratulations to Col. Strong and the proprietors of the cafe. Impromptu speeches were made by Dr. E. T. Tanton, Councillor Nicholson, C. T. MacKay, Senator MacArthur and others.—S

Bishop O'Sullivan Dedicates New Catholic Church At Kensington

The beautiful new Catholic Church at Kensington, which was dedicated to the Holy Family was formally opened and blessed yesterday morning by His Excellency Rt. Rev. J. A. O'Sullivan, assisted by several members of the clergy. A very large congregation witnessed the ceremony of blessing the church. The outside of the church was blessed first and then the Bishop and clergy entering the sacred edifice a similar ceremony was performed inside, with the Indian River Church choir chanting the responses. The church stands where its predecessor stood, burned some years ago. Rev. R. F. MacDonald, parish priest, of Indian River and of the new church at Kensington, in a short address publicly thanked the parishioners and citizens of Kensington for the wholehearted cooperation he had received in the erection of the beautiful structure. This congregation is privileged to worship in this morning. He paid a very fitting tribute to the late Mgr. Gillis, for many years parish priest at Indian River, whose handsome bequest made the building of the church a reality, who carried his solicitude for his people beyond the grave. The church will remain a lasting tribute to his love for his church and his people. Rev. Fr. MacDonald also paid tribute to the late John Hines, who left funds for the new altar and church bell. Also the late John Mullins who left money for a stained glass window over the altar and to the late T. N. Donahoe, who left a handsome contribution for the interior decoration of the church. He also thanked the architect, Mr. James E. Harris, Charlottetown, the builder Mr. S. J. McAulay, Souris, the decorators, Messrs. J. E. Inglis and Mr. Hazleton Gillis of Indian River for the interest they had taken in completing the work. He also expressed his thanks to His Lordship, Bishop O'Sullivan, for his advice and co-operation. He referred to the fact that through the generosity of the architect and builder they had not gone too deeply into debt and although they had not everything for the interior of the church these things would come in good time if people continued to help as befitting their means as they had always done in the past. The collection that morning was to help defray expenses. Rev. Fr. MacDonald regretted that the bell for the church had not arrived but hoped it would soon be in its place. Pontifical High Mass was celebrated by His Excellency Bishop O'Sullivan assisted by Rev. Martin Monaghan as high priest, Rev. Geo. MacDonald and Rev. Ray MacKenzie, deacons of honor, Rev. W. McCabe, deacon of office, Rev. Father Ellsworth, sub-deacon. His Excellency preached the sermon for the day and at the beginning paid fitting tribute to the splendid work which had been accomplished in the parish of Kensington in the building of this beautiful church which he hoped

would prove a blessing to all. He thanked the citizens of Kensington very sincerely for the kindly cooperation and friendly spirit of helpfulness they had shown in the erection of the sacred building. He was particularly pleased to see in the congregation Mr. Harris the architect who had given of his best in designing the building. The Bishop also thanked each and every one who had assisted in any way with the building. His Lordship took for his text Ephesians Chapter 2 verse 19 and 20, "Ye are fellow citizens with the saints and of the household of God and are built upon the foundation of the apostles, Jesus Christ being the chief corner stone." His Lordship in an eloquent sermon emphasized the fact that the Catholic Church was built on the firm foundation of Jesus Christ and had remained unchanged through the ages still a vital living thing with a vital message for the children of God and all humanity, the same now as in the 1st century. He expressed pleasure that this church had been named the Church of the Holy Family as God blessed the family life when Christ Himself became part of the Holy Family at Bethlehem. In closing Bishop O'Sullivan gave his blessing to the congregation.

—**“Lost Horizon” Fliers Welcomed As Heroes**
 BERLIN, Oct. 3.—(AP)—Three bearded German air explorers, lost since Aug. 30, on a trail-blazing flight through the Asiatic hinterland, were welcomed as heroes today at Tempelhof Airport. Motor trouble forced them down near Khotan, in eastern Turkistan and they were taken captive by the suspicious natives. Finally a revolt broke out and rebel leaders gave them 24 hours to get out of the country. Although their plane had been exposed to weather for four weeks and was in poor flying condition, they managed to start the motors and fly to Kabul, Afghanistan. Broad grins flashed across the faces of Baron Von Gablenz, leader of the expedition; Flight Captain Untucht, and radio operator Kirkehoff when they dropped into their home port.
