ON THE SIDELINES

THAT THIS SEASON'S junior hockey league is under the guidance of a capable executive was clearly demonstrated last evening when the first meeting of the new slate of officers took place at the Old Spain Tea Rooms, with President W. R. Aitken in the chair. Uppermost in the minds of those present was the thought that stress be laid on the success of the league and developing of young players. With this in view every motion coming before the meeting was discussed from every angle before being passed and when finally written into the minutes were conducive to assuring close, keen competition throughout the entire length of the schedule. Much necessary work was done over and only a few minor details are left to be completed before the league gets underway on Christmas Night.

TONIGHT WAS ORIGINALLY intended as the date for the opener but the ice had already been rented previous to the first meeting; Friday night next was suggested but with the stores remaining open it was felt that it was in the best interests to defer the date until Dec. 25th. A committee was appointed to draw up the by-laws and league schedule, they to present same at a meeting called for Monday evening next. No efforts are being spared to put the league over with a "bang" and everything possible will be done to ensure the youngsters receiving recognition long since due them.

AS THE FIRST step towards this cause a "Junior Hockey Booster Club" has been organized; membership tickets are to be printed and the executive has been divided up into five teams and shortly will call upon all hockey-minded citizens to join the club. Besides raising funds necessary for the teams to buy equipment, defray registration expenses, etc., this step should act as an incentive for those purchasing tickets and who have previously never witnessed the juniors in action, to take in a game. The result will mean increased attendance and interest, the real aim of the league, and at the same time prove a big aid in helping the players surpass previous performances.

AND THE TEAMS are going to have something worth while fighting for besides just the honor of winning the league championship. President W. R. Aitken showed how solidly he was behind the league when he announced donation of a beautiful challenge trophy to the champions of the loop. The meeting voiced appreciation of Mr. Aitken's generous act and it is certainly to be commended. Young players in particular in any branch of sport will fight all the harder and better if their efforts are to be rewarded with something tangible and donation of the cup will prove of incalculable value to the success of the coming games.

PLAYOFFS WAS a question that came in for a lot of discussion, it being finally decided that all three teams be eligible for the playoffs with the winner of the league drawing a bye and then meeting the winner of the second and third place playoffs for the league championship. The decision will keep up the morale of a team if they should happen to fall behind in the regular schedule of games through loss of players through sickness or inability to take part in games.

ALSO IT SHOULD help the league itself as it very often proves the case that when a team falls far behind and realize they are out of the running they very often drop out of the picture altogether. If this should happen and leave but two teams to compete then the loop itself would quickly drop through and probably ruin any further attempt to put junior hockey on as large a scale as it should be.

THE CITY HOCKEY league executive are reminded of tonight's meeting at the Holy Name Club at 7:30. Several matters have cropped up in the last few days that require instant rectification if the loop is to meet with any success at all and all teams are requested to have a representative on hand.

THE NEW GLASGOW Chronicle has the following and speaks for itself: Under pressure "Daddy" Eubar has yielded to the deferred invitation and is now willing to go to Berlin as a member of the Bears of Port Arthur.

Ted Turner Forges Ahead In Golf Play

CORAL GABLES, Fla., Dec. 16.—Young Ted Turner smacked them straight down the middle of the Miami Billmore Golf Course to forge ahead in the \$10,000 open today by shattering with a 66 for the par 71 layout the tournament record Willie MacFarlane set in 1933.

The 27-year-old Pine Valley, N.J., professional's performance, two strokes better than the 68 which gave him the lead on opening day, made his 54-hole total 209. In second place at 211 were Horton Smith, Oak Park, Ill., yesterday's leader who added 72 today, and the veteran Frank Walsh, Chicago campaigner, whose good 69 was added to the 142 with which he finished yesterday.

Second to Turner in supplying the day's drama, however, was none other than the same MacFarlane, the old timer from Tuckahoe, N.Y., who won the 1933 event. MacFarlane toured the first nine today in 31, four under par, chipping in three for birdies. His back nine, however, was only par, giving him 67 for the day, 213 for the 54 holes and fourth place in the standings.

Aussies Lead In Match With South Africa

DURBAN, South Africa, Dec. 16.—(C. P. Cable)—With six wickets to fall Australia had a lead of 32 runs at the close of the second day's play in the opening cricket test match with South Africa. Replaying to the Springboks' first innings total of 248, the tourists had made 280 for four wickets when stumps were drawn.

Fine bowling caused the Aussies to fight hard for runs but Stan McCabe compiled 149 before he was caught by Eric Rowan off A. B. C. Langton's bowling. W. A. Brown made 66 and L. S. Darling remained unbeaten at the close with 51. The score card: South Africa—first innings 248. Australia—first innings. W. A. Brown, C. Langton, B. Robertson, 66. J. H. Fingleton, C. Nicholson, B. Crisp 2. S. J. McCabe, C. Rowan, B. Langton 149. L. S. Darling, not out 51. V. Y. Richardson, B. Langton 2. W. C. Clippertfield, not out 2. Extras 8. Total (for four wickets) 280.

LONDON, Dec. 15.—(C. P. Cable)—Sydney Metcalfe today broke the world record for hop, step and jump with a leap of 51 feet 9 3/8 inches. The best previous mark was set by C. Nambu of Japan, who jumped 51 feet seven inches at the 1932 Olympic Games at Los Angeles.

DETROIT, Dec. 15.—(A.P.)—Detroit Lions jammed over four touchdowns on a muddy field of the University of Detroit Stadium this afternoon to defeat New York Giants 26-7 for the world's professional football championship. The Giants were the 1934 title holders.

LOS ANGELES, Dec. 15.—(A.P.)—The University of Pittsburgh gained revenge for two Rose Bowl defeats at the hands of Southern California by decisively defeating the Trojans 12-7 here yesterday before 35,000. The Panthers counted touchdowns in the first and third quarters. The Trojans counted in the fourth.

MINNEAPOLIS, Dec. 15.—(A.P.)—Leo Freisinger, 19-year-old Chicago flash, won a place on the United States speed skating team for the 1936 Olympics in a special trial today. He negotiated the 500 metre in 33.8 seconds, one second slower than the world record, and then sped over the 1,500 metre course in 2:32.6, one second better than the record set in last year's tryouts. A fifth place will be added to the team roster to accommodate Freisinger.

SAN FRANCISCO, Dec. 15.—(A.P.)—University of California at Los Angeles' Bruins defeated St. Mary's Gaels 13-7 in the final collegiate football game of the season here yesterday.

Not To Send Soccer Team Next Year

(C.P. Cable By Guardian's Special Wire) LONDON, Dec. 16.—The English Football Association will not send a representative soccer team to Canada and the United States next year. Announcement was made today by the Association that it would be unable to accede to the request of the Dominion of Canada Football Association and the United States Football Association that a team should be selected to tour those countries early next summer.

1935 No Respector Of Champions

(By The Canadian Press) Like most years, 1935 was no respector of champions in sport. The year in which Max Baer lost his heavyweight title, Fred Perry was beaten at tennis and Jim London was dethroned as wrestling champion by Dan O'Mahony, was no more kind to Canadian champions, team or individual.

O'MAHONY RETAINS TITLE

(A. P. By Guardian's Special Wire) NEW YORK, Dec. 16.—Danno O'Mahony, of Ireland, successfully retained his world's heavyweight wrestling championship tonight when he tossed Ed Don George, former Michigan University athlete from Java, N. Y., after 1:23.39 of rugged heaving in Madison Square Garden. O'Mahony weighed 220, two pounds more than his rival.

Close Fight For Scoring Honors Waged

(C.P. By Guardian's Special Wire) MONTREAL, Dec. 16.—A younger player and a veteran of New York Rangers supplied the feature to the National Hockey League - scoring during the past week as Rangers won two games and got into the thick of the fight for the United States sectional lead, two points behind Detroit Red Wings. Glen Brydson, filling in for the ailing Bill Cook on right wing, scored seven points, four of them in one game against Montreal Maroons, for the best gain of any player of the week. Right at his heels was Frankie Boucher, play-making centre, with six points. Their spurt brought them close to the top which remained so possession of Paul Thompson, Chicago Black Hawks wingman, whose goals, six assists, 14 points, were a single point better than his showing a week ago.

Second in the League and top of the Canadian division was big Charlie Conacher of Toronto Maple Leafs who did not score a point in Leafs' two losing games of the week but his six goals, six assists were one point better than the five players crowded into third place. They were Doc Romnes, Chicago, Boucher and Brydson of the United States section, and Nick Metz, and Harvey Jackson of Toronto. Metz accumulated three points during the week. Young Metz still led the whole League in actual goals with nine, one more than Thompson.

Red Horner of Toronto had little competition for the "bad man" leadership. His 50 minutes in the penalty box was well ahead of the 32 total for Allan Shields of Montreal Maroons. Marty Burke of Chicago topped the United States section with 27 minutes.

Toronto Leafs And Maroons Clash Tonight

(By The Canadian Press) (By Guardian's Special Wire) Highlight of tonight's three-game National Hockey League card is the battle between Toronto Maple Leafs and the skidding Maroons at Montreal where both need a win if they are to keep ahead of the rapidly climbing New York Americans who are idle.

Maroons can hop over the second-place Americans into a tie with Toronto for leadership of the League's Canadian section provided they run their winning streak over the Leafs to five-straight. Toronto has not won a game from Maroons since the start of the Stanley Cup finals last Spring. Maroons are in third place two points behind Leafs and one behind Americans.

Standings in the American section may be changed in the other two games scheduled. Detroit invades Boston on the crest of a powerful winning streak while Canadians journey to New York for a meeting with Rangers, who are in the thick of the fight for leadership of the American section.

Hockey Results

Senior O.H.A.—Western Section. Brentford four, Hamilton Pats three. Etchenew-Waterloo five, Niagara Falls three. due to the fact Rainville didn't play much in Canada. Sooty Campbell of Seattle let his amateur golf title go by default, Sandy Somerville of London, Ont., losing no time in picking up his favorite championship. The open title also was undefended. Gene Kunes of Norristown, Pa., won the event that was taken in 1934 by old Tommy Armour. Badminton got new champions in Rod Phelan of Toronto and Margaret Taylor of Kelowna, B.C. Vancouver Province, men's basketball champions last year, were humbled right in British Columbia this year and the title was won by Victoria's Blue Ribbons.

"Buddy" Myer American League Batting Champion; Vosmik In Second Place

By Charles Dunkley, Associated Press Sports Writer (By Guardian's Special Wire) CHICAGO, Dec. 16.—A scratch hit, banged out somewhere along the line last summer, was worth \$500 and the 1935 batting championship of the American Baseball League to Charles "Buddy" Myer, smooth fielding second-baseman with Washington Senators. It was the margin by which Myer today was officially proclaimed the champion with an average of .349. With that honor goes a prize of \$500, awarded for the first time by the American League. In a furious stretch drive, Myer nosed out Joe Vosmik of Cleveland by one point with Jimmy Fox, then with the Athletics, but now with Boston third. Only three percentage points separated them, the official averages revealed. Vosmik, who apparently had the honors clinched two days before the finish of the season, made only two hits in his final 11 trips to the plate, while Myer, in a batting rampage, knocked out 10 in 15 times at bat. Vosmik, who made the most hits, also connected with the most doubles, 47, and the most triples, 20. Big Hank Greenberg, slugging first baseman of the world's champion Tigers, who made 46 doubles, tied with Fox for home run honors with 38. Greenberg also collected the biggest assortment of total bases, 2389. Lou Gehrig, Yankees' first baseman and 1934 batting champion, wound up in sixth place, but held the distinction of being the leader in runs scored with 125 to 123 for Charley Gehring, second baseman with Detroit Tigers.

Rothsay Oaks Defeat St. Stephen 5-4

(C.P. By Guardian's Special Wire) SAINT JOHN, N. B., Dec. 16.—The second fixture of the Southern New Brunswick Hockey League was a hard affair tonight when Rothsay Oaks nosed out St. Stephen 5-4. Play was mostly slow and unexciting excepting flurries in the third period, when four goals were scored.
