1 A regular inflation check will be made on all your tires, and your tires, including the spare, will be changed over regularly to balance tread wear, which should increase your tire life about 20%.

2 You will be informed about any uneven tread wear that indicates wrong alignment or defective brakes.

3 Your tires will be regularly checked for dangerous hidden cuts and bruises. The inside fabric of your tires will also be checked at necessary intervals.

4 You will be advised when your non-skid treads are losing their effectiveness.

5 Your tubes will be inspected for signs of pinching or chafing.

6 The purchase of a new tire will be recommended only when it is *absolutely needed for your safety*.

7 You will be given a Preferred Service Card entitling you to *special call* on your Dunlop Dealer's time and service facilities. No dealer will issue more cards than he can service efficiently.

MONTREAL, Sept. 8—(CP)—Led by industrials, issues traded on the stock exchange today practically all moved forward, increases being shown in every department except golds.

Failing to keep pace were Massey-Harris, and the Alcohol issues.

Senior metals came in for some late support and Consolidated Smelters, International Nickel and Hudson Bay Mining sported gains at the finish. In papers, Bathurst and Price were out ahead but Dryden slipped.

Gaining stocks among miscellaneous were Celanese, Distillers-Seagram, Dominion Textile, after an unsteady start, and Imperial Tobacco. National Brewers wound up in the losers' camp.

Finance

By Bernard S. O'Hara
Associated Press Financial Writer

NEW YORK, Sept. 8—(AP)—Soaring commodities and strength of aircraft and specialty stocks held the play in today's financial markets.

Activity in Canadian stocks was small with a few select issues ranging slightly higher. International Nickel gained 1-2, Ford 1-4, and Imperial Oil 1-8. Only loser was Distillers Seagram off 1-4 while Brazilian Traction was unchanged.

The Associated Press average of 60 stocks was unchanged at 43.4. It was the fifth successive session in which this composite had registered no progress. Dealings were lively at intervals and transfers totalled 617,650 shares compared with 574,610 Friday. It was the largest turnover since Aug. 5.

New highs were posted for Boeing, Glenn Martin, Consolidated Aircraft, Curtiss-Wright, Grumman Aircraft, N. Y. Shipbuilding, American Sugar Refining, International Nickel and Western Union.

Well in advance were Douglas Aircraft, United Aircraft, Sperry, United Air Lines, American Airlines, Studebaker, Montgomery Ward, Lockheed and Texas Corp. Coca-Cola got up 4 points on a few trades.

On the offside were J. I. Case, International Harvester, Union Carbide, Allied Chemical, Anaconda, Kennecott and American Telephone

Toronto Exchange

TORONTO, Sept. 8—(CP)—Base metal and western oil stocks posted moderate gains and the golds and industrials were slightly lower in today's Toronto exchange market. Volume was down from last week's average of 285,000 shares.

National Steel Car stood out in the industrial section with an advance of 2 points to 38, helped by the annual report, showing an improved outlook. Canadian Car and Dominion Foundries gained slightly and the balance of changes was on the up side in the implement, food and senior oil groups and on the down side in the utilities and liquors. The Canada Steamship issues firmed to new high prices for the year and minor gains came through for Bell Telephone, Canada Malting, Dominion Steel B, and Dominion Bridge. Gains of a point or more appeared for Weston pfd, Canada Permanent Mortgage, Imperial Bank and Consumers Gas.

Malartic Gold Fields continued in the feature role. It traded 58,000 shares and advanced 18 cents to 2.38. The day's top was 2.41. O'Brien moved in volume of 16,000 and closed a cent up at 1.70. Small gains were netted by Chesterville, Inspiration, Kerr-Addison, Island Mountain, Little Long Lac and Perron and the close was down narrowly for Beattie, East Malartic, Pamour and Sylvanite.

Trading in the base metal stocks was fairly quiet on strong prices for the big issues. Smelters, Noranda and Nickel. Pend Oreille firmed 2 cents to 1.72 and Falconbridge weakened 5 cents to 3.35. Steep Rock held unchanged.

Home Oil moved in sizable volume and the price held a gain of 8 cents at 2.57. Calgary and Edmonton gained a cent to 1.38, Davies a cent to 15 and Foothills was up 5 cents to 70 for broken lots.
