

Put a little Sunshine in your home

An old-fashioned, ill-working furnace is a non-producer.

It consumes the coal, but through leaks and cracks wastes the heat. It is not economy to have such a furnace in your own home, or in your tenant's home.

If you are thinking of building you should be interested in Sunshine Furnace. It adds 100 per cent. to home comforts.

As soon as you let the contract for your house decide on your furnace. The "Sunshine" man will be pleased to tell you just how the rooms ought to be laid out with an eye to securing greatest heat from the smallest consumption of coal.

If you want to experiment with the question don't specify "Sunshine." If you want to settle the question specify "Sunshine."

Everything Depends Upon Your Heart.

If you wish to live long, if you wish to avoid sudden death—you must attend to your heart. You must see that it beats properly. **SUNDAY SCHOOL LESSON**

S.S. LESSON. July 11th, 1909.

Paul's Second Missionary Journey—The Philippian Jailer. Acts xviii 30.

Golden Text—Believe on the Lord Jesus Christ, and thou shalt be saved. Acts xvi:31.

Verses 16-21—In what class do you place those who profit by the sins of fallen women?

This young woman was possessed with a very clever spirit of evil, an all round spirit of deception, including fortune telling; now wherein did her sin consist, and that of her owners?

Which are the more to be blamed in these days, fortune tellers or their willing dupes?

When bad men are losing the gains of their evil occupation, are they apt to be careful of the truth, when they are after the good men who have destroyed their business? For example the liquor dealers.

Verses 22—What made the multitude so angry at Paul and Silas, and is any reluctance ever to be placed upon the social attitude of a large crowd?

Do religious differences still make the people hate one another?

Does worldly gain, to-day play any part in religious intolerance?

Verses 23—Why did God permit such cruelty to his faithful servants?

Why is it that godly people often have to go through very exquisite suffering?

Verses 24—Say why it is possible for any good man in prison, lying upon a raw back, with his feet fast in the stocks, to be as happy as a man in health, and at liberty?

Does a good man's influence cease when he is imprisoned and his limbs are fettered?

In looking back over the results of his imprisonment, would Paul and Silas be apt to regret this painful incident?

Verses 25—Is there any circumstance so painful or disastrous, that prayer and praise cannot turn it into joy and victory?

If we prayed and sang more in our private lives, and in our families, would we have more joy and gladness?

Verses 26—Was this earthquake the result of the prayer of Paul and Silas or was it a natural event?

Does God to-day work out of his people, practically the same results as are here recorded?

Verses 27, 28—Why did the jailer decide upon suicide, and is such a course ever justifiable?

Verses 29, 30—Was it natural fear or religious conviction, that now operated in the jailer?

What did the jailer desire to be saved from?

Verses 31—What precisely did they mean by believing on the Lord Jesus?

May a father or mother believe in Jesus, so as to assure the salvation of their children? (This question will be answered in writing by members of the club.)

Verses 32—What is "the word of the Lord," and many a person know that word, first hand, who is not personally acquainted with the Lord?

Verses 33, 34—Can the grace of God suddenly turn a cruel and brutal man, into a tender-hearted Christian?

Verses 35-40—May we be confident that there will always be a happy ending to all our trials?

Lesson for Sunday, July 11th, 1909—Paul's Second Missionary Journey—Philippian and Berea. Acts xviii: 1-31.
