**ANOTHER RETURNED MAN**—Among the soldiers who returned this week was Pte. Herbert R. Vessey, son of Mr. R. H. Vessey, Harness maker Charlottetown. He left here with the first 105th reinforcements. He was in France nearly a year and saw considerable fighting. He was wounded in the right foot and spent some time in hospitals in England. His friends are glad to see him home again safe and sound.

**THE TRAINS**—The Murray Harbor railway line which was closed up by Wednesday's snowstorm is again all clear. The train which left here at 8 a.m. yesterday arrived there at 12.45. The line to Borden was also cleaned up in good shape by the wing plow, and the train got in last night in good time. The extreme western end of the line is still in bad shape the amount of snow there being a great deal in excess of that which fell in the Eastern section.

**MAY BE BACK ON ROUTE**—It is rumored that the well known steamers Governor Cobb and Governor Dingley, which have been in service as training ships for the United States Shipping Board, will very shortly be given back to the Eastern Steamship Lines, their places being taken by vessels recently built in government yards for the merchant fleet, the latter boats being better equipped to carry apprentices on regular voyages to distant ports. Two of the six cargo boats which are to be placed in this service have already arrived at Boston, and the others are expected to soon follow. Deep water voyages to distant ports are in store for the apprentices assigned to these cargo ships.—Portland Argus.

**PRESENTATION AT VALLEYFIELD** A very pleasant and enjoyable evening was passed at Valleyfield on Thursday January 30th, where a large number of his friends gathered together to welcome to his home, after an absence of three years overseas, Sgt. J. A. Nicholson. During the evening, a very kind address, expressing their appreciation for his sacrifices and their joy at his safe return, was read and presented to the Sergeant by Rev. J. M. McLeod; and the President of the Comfort Circle of Valleyfield Mrs. A. J. MacLeod, presented him, on behalf of the gathering, with a beautiful gold signet ring. In thanking them all, Sgt. Nicholson said that, above all receptions, that of his own community had touched him by its sincere kindness and cordality. The Valleyfield Comfort Circle has already welcomed eight members of its community on their return home from France; and in each instance it has not merely welcomed them but has given concrete expression to its welcome by the presentation of some excellent gift. The returned boys can never forget its kindness—a crowning sequel to its many remembrances to them when in France.

**IN MEMORIAM**  
ALBERT WALLACE

There departed this life at Coleman on the fifth day of February 1919, Albert Wallace aged 60 years. He was a man of an unassuming disposition and reserved manner yet every good work and worthy cause had his support and his words were always given in kind advice and gentle teaching.

Those who knew him from childhood as well as all his neighbours and associates have nothing but words of praise to speak concerning him. He and his wife, formerly Miss Mary MacNevin began life with comparatively nothing of this world's goods, but through patient industry and honest toil they provided and built up one of the most comfortable

years ago an ulcer appeared on my ankle," writes Mrs. Jeffrey of Methuen, Mass. "In spite of all the remedies I used, it spread to my knee, and developed into an open sore. I had medical treatment for twenty-five years, but only got temporary relief. The pain I suffered was terrible, and for years I was unable to leave the house.

"One day I saw in a newspaper an account of a bad ulcer having been cured by Zam-Buk. Although I was skeptical, now, of anything curing me—having tried so many remedies in vain—I decided to give Zam-Buk a trial. I applied the balm freely every day and to my delight the sore soon showed some improvement. Gradually the inflammation was drawn out, the pain was eased, and, after thirty years of suffering, I realized I was on the road to recovery. With perseverance the painful sore was finally healed, and, although it was three years ago, I have not seen the slightest trace of the ulcer returning."

Zam-Buk is the best remedy, also, for eczema, boils, pimples, blood-poisoning, piles, burns, scalds and cuts. All dealers, or Zam-Buk Co., Toronto, Ont., 2 for \$1.25

and valuable farm properties in the community. For a number of years he was a valuable member of the Church of Scotland and always attended her services, and revered her Sanctuary. He leaves to mourn besides his sorrowing widow, six sons and one daughter, George of Vinal Haven, Maine, John of Stoungiam, Maine, Rankin of Hyde park, Mass., Herman, William, and Gordon at home, and Elsie, (Mrs. Jas. El Stewart) of Hyde Park. The funeral service was very impressive and was conducted by his minister the Rev. James MacDougall of Cape Traverse, all the family were present. Those abroad hastened home expecting to meet their father in this life but only arrived in time to attend his funeral and comfort one another in their bereavement. His remains were laid to rest in the Kirk Cemetery at Milo where still united to Christ, they await the resurrection.
