

# Moth Preventives

When packing away winter clothing, blankets, furs, etc., better insure finding them whole in the fall by using Jamieson's Moth Balls, Camphor Gum or our Moth Proof Bags. Moths begin laying eggs about this time and it is the larvae from these eggs that do the damage. It behooves you to take prompt measures to exclude Mrs. Moth. Our moth preventives cost little and pay every time.

Moth Proof Bags 3 sizes  
50, 60, 75c each  
Moth Balls 30c lb.  
Gum Camphor 10c oz.

**J. G. Jamieson**  
Druggist

# Gin Pills

FOR THE KIDNEYS  
**Why They're Bought**

"I can certainly say the Gin Pills have done a lot of good for me. Some four years ago I could not walk up stairs, my feet and ankles were so swollen, but I took three boxes of Gin Pills and the trouble has never returned. My mother, 82 years of age, is taking them and feels fine."

MRS. J. B. SALSBUURY,  
Camden East."

GIN PILLS are 50c. a box, or 6 boxes for \$2.50 at all druggists. Sample sent free if requested.

National Drug & Chemical Co. of Canada, Limited, Toronto.

## For Sale

The undersigned offers for sale by tender, the following property part of the Estate of the late John C. Clark of Bay View, P. E. I.:

**FIRST.**—The Bay View Corner property, consisting of about 1 1/4 acres of land, a 16 room house, two warehouses, a set of Fairbank scales, and the wharf property.

**SECOND.**—The "Kirklaw Point" property consisting of 132 1/2 acres of the home farm, 70 acres of which is in high state of cultivation, the balance covered with a heavy growth of soft wood.

Tenders will be received until May 1st, 1916. The highest or any tender not necessarily accepted.

A. W. STERNS,  
Administrator.

73 Cumberland Street,  
Charlottetown, P.E.I.  
3027-3-31MSt121.

## Large and Valuable Farm For Sale

GAUDET & HASZARD,  
Solicitors.

Charlottetown, P. E. I.  
8150-4-8MSt161.

## Synopsis of Canadian Northwest Land Regulations.

The sole head of a family or any male over eighteen years old, may homestead a quarter section of available Dominion land in Manitoba, Saskatchewan or Alberta. Applicant must appear in person at the Dominion Lands Agency or Sub-Agency for the District. Entry by proxy may be made at any Dominion Lands Agency but a Sub-Agency on certain conditions.

Duties—Six months residence upon and cultivation of the land in each of three years. A homesteader may live within nine miles of his homestead on a farm of at least 80 acres, on certain conditions. A habitable house is required except where residence is performed in the vicinity.

In certain districts a homesteader in good standing may pre-empt a quarter-section on along side his homestead. Pre-emption patent may be obtained as soon as homestead patent, or certain conditions.

A settler who has exhausted his homestead right may take a purchased homestead in certain districts. Price \$3.00 per acre. Duties—Must reside six months in each of three years cultivate 50 acres and erect a house worth \$2.00.

The area of cultivation is subject to reduction in case of rough, stubby or stony land. Live stock may be substituted for cultivation on under certain conditions.

W. W. CORY, C. M. G.,  
Deputy of the minister of the Interior

## Volunious Questionings

(Continued from Page One.)

been paid since first of January, 1916?

(13) How much is still due on the work and material?

(14) Is the work completed, if not, what portion of work still remains to be done and what is the probable cost of same?

Mr. JOHNSTON gives notice that he will ask the Commissioner of Public Works to lay on the table of the House a statement showing:

(1) How much money was spent during the year 1915 for work done on the road leading from Baldwin's Road near James J. Samphys to the Brothers Road, near Andrew Murphy, Jr.?

(2) Was the work done by days wages?

(3) To whom were the different amounts paid and how much to each?

(4) Who supplied the concrete for the bridge over said road? What did the concrete cost per barrel and what was the total cost of same?

(5) Is the work and material all paid for? What portion of each was paid since first of January 1916?

(6) How much is still due on the work and material?

(7) How much is still due on the work and material? If not, what portion of the work still remains to be done, and what is the probable cost of same?

Mr. JOHNSTON gives notice that he will ask the Commissioner of Public Works to lay on the table of the House a statement showing:

(1) How much money was spent during the year 1915 on the bridge known as the Lewis bridge near Cardigan?

(2) Were tenders called for the work?

(3) Who were the tenders and what was the amount of each tender?

(4) Were any of said tenders and which of them accepted?

(5) Was the said work done by day's wages?

(6) To whom were the different amounts paid and how much to each?

(7) Who supplied the material and how much was paid for same?

(8) Who was the Inspector; how many days was he paid for and what was the wages per day?

(9) Who was the Foreman; how many days was he paid for and what was the wages per day?

(10) What was the rate of wages per day to laborers on the work?

(11) Who worked with horses and how much was paid to each of these parties?

(12) What was the rate of wages per day to laborers on the work?

(13) How much cement was purchased from whom was same purchased and at what price per barrel and what was the price per day including cost of bags?

(14) How much gravel and sand was purchased and at what price, who supplied the gravel and sand?

(15) Who supplied the iron pipe and rail stanchions? what quantity of each was purchased and what was the cost of each?

(16) Is the work and material all paid for? What portion of same has been paid since 1st January 1916. How much is still due on the work and material.

Mr. McNEILL gives notice that he will ask leave of the House to present a petition from the Mayor and Councilors of the Town of Summerside praying for an Act to further amend the Summerside Incorporation Act 1893.

Mr. HUGHES gives notice that he will ask the Commissioner of Public Works if it is the intention of the Government to place a steel bridge at Rusticville. If so when does the Government propose to commence its construction.

Mr. McNEILL gives notice that he will ask leave of the House to present a petition from Charles W. Bell and others praying for an Act to amend an Act intitled "An Act to incorporate the Cape Traverse Hall Company."

Mr. McNEILL gives notice that he will ask leave of the House to present a petition from Harry T. Holm and others praying for an Act to vest certain lands in "The Prince Edward Island Brick and Tile Company Limited."

Mr. Matheson gives notice that he will ask leave of the House to present a Bill to be intitled, "The Evidence Act Amendment, 1916."

Mr. Speaker Martin took the chair at 11.45 a. m.

Dr. Hon. S. R. Jenkins presented a petition for the incorporation of Patons Ltd. which was referred to committee for report, which duly reported and a bill was introduced and read a first time. Mr. H. D. McEwen presented a petition for the incorporation of the Savage Harbour Pack-

ing Co. Ltd. which was also referred to a special committee for report. The Committee reported and a bill was introduced and read a first time.

Mr. Lea also asked for a return showing the taxes collected by Mr. George A. Bowness, Roadmaster, Bedeque, in Lot 36.

The Commissioner laid over a statement giving the names showing the amount computed as \$71.90 and cash collections \$22.

Mr. Bell asked the Premier whether a private member had the right or privilege of access to an inspection of the lists of income tax-payers of the Province in the hands of the Secretary Treasurer.

The Premier said if a member wished to inspect documents there was only one way to go about it. The question had been raised when the

## Make Your Body Tingle

with life and energy for the day's work by eating foods that contain real nutriment—that do not use up all the vitality of the body in an effort to digest them. Shredded Wheat Biscuits supplies the greatest amount of body-building, energy-creating material with the least tax upon the digestive organs. It is a real whole wheat food, ready-cooked and ready-to-serve, containing the life of the wheat grain—nothing added, nothing taken away. Start the day right by eating Shredded Wheat with hot or cold milk. Serve it for luncheon with sliced bananas or other fruits.

Made in Canada.

## Resolve Now That You Will Have a Bigger and Better Crop Next Fall

Don't take any chances on a small, meagre crop, this year—don't run the risk of just an ordinary yield. Resolve that you will have a bigger and better crop next fall, than you have ever had before.

Be determined that you are going to get a liberal share of the high prices and good profits that will be paid for farm produce this year, go after them earnestly, intelligently, scientifically—farm with our Unmixed Fertilizers—and you are bound to be successful.

Through the use of our Unmixed Fertilizers, every foot of your farm can be made to yield a maximum amount of good produce. They supply the elements of fertility to exactly suit the varying needs of every section of your farm. Superphosphate, Nitrate of Soda and Basic Slag can be applied individually or in combinations to suit the soil.

Get our free booklets on farming and fertilizing.
