Dick Murphy, a big righthander worked for Bigney's team with Billings, a talkative catcher on the receiving end. The game was arranged as a result of a challenge which Halifax Herald.

Meanwhile, Teddy Hayes, Jack Dempsey's trainer, who is here for the purpose, some say, of getting a line on Willard, will not be welcome at the big fellow's Holly wood training camp, Doyle said.

Lambert Todd a Green Pacer is Sensational

FREDERICTON, July 22—Lambert Todd 2:14 1-4 winner of the 2:30 pace at the Maine and New Brunswick circuit meeting at Woodstock is one of the most sensational green pacers in any of the New England States campaigning the half mile track this season. He is a Canadian bred pacer and a product of Miss Wilkes Cruikson farm in Ontario, is a son of Jim Todd and at Readville, Mass., last fall he worked the mile track in 2:04 with the time half in 59 1-2 seconds. Before Will Utson reinsman of the Roaring Brook Farm left his home track at Barton, Vt. for New Brunswick he worked the Bay pacers in 2:11 on a half mile track with the first trip around the double oval in 1:01. Lambert Todd is staked in some of the richest events at the biggest meetings in the eastern states this fall.
