ALEXANDER MACLEOD

"In the midst of life we are in death." Scidom—has this been brought to our minds more clearly than when on the evening of March 7th it was learned that Alexander MacLeod of Lorne Valley had passed away suddenly due to a heart attack.

The deceased was 46 years of age, and was a son of the late Angus MacLeod and his wife, Barbara Mustard, both of whom predeceased him some years ago.

He leaves to mourn the loss of a kind husband and father a sorrowing wife, formerly Christina McInnis three sons and one daughter namely: Gordon, at present attending Prince of Wales College, Charlottetown; Vernon, Lauren and Aletha at home. There is also one brother, James M. MacLeod of Lorne Valley and one sister Minnie Mrs. Leigh Cobb of Milburn, P. E. Island.

The funeral took place from his late residence on Sunday, March 9th to the Lorne Valley cemetery. The Rev. T. O. Hughes, conducted the service. The pall bearers were: Daniel Shaw, Ernie MacDonald, Neil McCannell, Hugh McLeod, Peter McInnis, Francis MacIntyre.

CANADA CALLS

Canada has reason to count her blessings in these days of trial. Canada is three thousand miles away from the sound of guns which are devastating Europe.

The broad Atlantic Ocean rolls between us and the ruthless savagery of the German armies.

The strongest fleets in the world—British, American and Canadian—patrol the sea between us and the enemy.

We have a great friendly nation, probably the richest and most powerful in the world, at our side.

CANADA CAN AFFORD HER SACRIFICES

This war is a mechanized war.

We have the nickel... copper... lead... zinc and other metals the war industries need. We have access to the iron. We can make the steel.

We have the organized industries to fabricate these metals and make the trucks, and tanks, and guns, and planes, and the ships.

We have skilled workers and the plants for mass production.

Canada has the wheat and the food supplies.

Let us count our blessings, and tighten our belts.

Canada is rich—one of the richest countries per head of population in the world. Let us lend our strength to the utmost of our power. Our national future depends upon Victory.

We must win to live.

THERE WILL BE FURTHER CALLS

There have been many calls upon the people of this country for money since Canada entered the war at the side of Great Britain.

There will be further calls.

Let us face the future unafraid.

Canada can carry the load.

But every Canadian must shoulder his and her share.

This is the most critical hour in our history. Let the future historians say of Canada, as they will say of our Mother Country: "This was their finest hour."
