British Open Golf Champion

Henry Cotton, 27-year-old Englah pro, whose record-breaking golf in the British Open Golf Championships left his opponents far behind. His first round was five under par and his second seven. Cotton is the first English homebred to lift the trophy since 1923.

DOWN THE BACK STRETCH

Now that Summerside races are over we can look forward to the next meet on the "Spud Island Circuit," namely, Northam, July 18th. The classes announced are 2.14 Pace, 2.15 Trot, Three-year-old Mixed, 2.28 Mixed and should bring together a goodly number of horses to face the starter that afternoon.

Calumet Climatic, who had a mark of 2.06 trotting last season, paced in 2.08 last week which makes him a double record 2.10 performer. He is owned by George McDonald, son of the late much admired Lon McDonald.

Senator Mimic (3 2.03¼, is not entered in the Hambletonian Stake, which ought to make some owners happy, as at North Randall last week he won the Fasig three-year-old trot easily and looked to be just jogging when he lowered the record of that classic to 2.03¼. He defeated the Florida trained Hambletonian candidates. Sep Palin, breeder of the colt, who took second money with Ella Brewer, remarked after the race "That is the best son of the Senator (3) 2.03½ I ever saw and I believe he is one of the best three-year-old trotters by any sire I have seen in quite a while, considering him from the standpoint of size, gait, speed and manners."

He is an inbred Peter the Great 2.07¼, his sire and maternal sire being two of the best colt trotters by that wonderful family founder, both of which secured identically the same record when three. He is by The Senator (3) 2.03½, out of Phalla Volo, a double 2.10 producing daughter of Peter Volo 2.02, next dam Phalla 2.04½, by Alliewood 2.09½, third dam Amiss (dam of seven) by Mimic, thus his name is derived from his sire and the sire of his third dam.

His Majesty (3) 2.00½, won the Free-for-all pace which had seven starters including Lee Storm, J. E. Vonian, Rip Hanover, etc., in straight heats, the first two in 2.01¼ and the third in 2.03¼. The four-year-old black son of Abbedale 2.01¼, had won at Flint, Michigan, a few days previously, then was obliged to make the return trip by van to North Randall to meet his Free-for-all engagement and notwithstanding the classy opposition, he showed that he was able to hold his own against all comers.

Will Hodson has a new charge in Lu Barient 2.08, a double winner in the Bay State Circuit, which was purchased by Squires Bros. and now domiciled in Hodson's stable.

Lousetta 2.09, out of Binsetta (dam of three in 2.10) by Binjolla is the second new trotter by Bogalusa to gain admission to the 2.10 list this season in a race over a half mile track.

Abbie Scott 2.02¼, sister of Peter Scott 2.05, won her race at Flint, Michigan, in three straight with seven other starters, best time 2.08½. She is also a sister of Sally D. Scott 2.05, who made Baldwin 2.07¼, step to win at Berea, Ohio, June 12th.

Zombro Hanover 2.00, who has been on the retirement list for the past year, is being worked again, Billy Leese having recently stepped him a mile in 2.09 with the last quarter in 28¾ seconds at Goshen, N. Y. He has apparently not lost his great brush after his year's layoff.

Dillon Axworthy (3) 2.10¼, sired very few pacers during his career as a public stallion but among them are Margaret Dillon 1.58¼, and Zombro Hanover 2.00. In the two-year-old pace at Sturbridge recently three of his get finished one, two, four in the summary, namely, Aunt Ida, 3, 1, 1, Minerva Hanover, 1, 2, 2, and Dorsh Hanover 6, 4, ro., best time first heat 2.13.

Will Fleming who deserted the harness horse game for the runners, was a winner at Rockingham Park with Teeter Totter, but the coolt is no longer in his charge having been taken away after the race at the claiming price of $2,000.

Will Hodson with six victories under his belt, now leads the Bay State Circuit drivers.

Wouldn't you like to start five horses from your stable and have four of them finish in the first four places? This is what Ben White did when he started five two-year-old trotters from his stable in the same event at North Randall. Belvedere, Bookie Barnes, Silver King and Mary Taylor finishing in the order named. Belvedere, a sister of Brevere (3) 2.03, trotted the second heat in 2.09¼, but as she was marked in 2.08¾ before leaving Lexington, this is not a new mark for her.

All races trotted at Hamburg-Earmsen, Germany, May 9th, were won by trotters whose sires were ex-Americans. Mechthild 4, by David Guy, Bastian 4, by Anvil, Flitzi, 6, by the same sire, Guy Alfone, 3, by Frank Guy, Carl Pluto, 3, by Peter Pluto, Klabautermann, 6, by Peter Speedway, Schmeling, 5, by Daytime and Iller, 7, by St. Roberts.

Dr. McIntyre has disposed of his good trotter Peter Dawes 2.12 to Rollie Wood, Southport. The "Doc" has had a lot of pleasure with this good little chestnut and we believe it is his intention to purchase one for the slower classes.

Balbo, the three-year-old pacer owned by Willard Kelly, worked in company with Helen Worthy a mile in 2.26 Wednesday at the Charlottetown track. This colt looks like one of the best three-year-old pacers out this year.

Pat McKenna is training a three-year-old pacer by Al Worthy out of Betty Mozart and this week stepped him a mile in 2.26½ at the Charlottetown track.

The fastest heats paced this season so far were those of Chief Abbedale and Napoleon Grant in the 2.16 pace at Cleveland, Ohio, July 4th. The latter won the first heat in two minutes flat, Chief Abbedale repeating in the next in the same time and Abbedale winning the third heat and race in 2.02 1-5.

The much talked of match race that we mentioned in the Back Stretch last week between Calumet Crusader 2.01½, and Vansandt 2.01¼, was won by Calumet Crusader by Truax in straight heats, best time 2.03.

There was fine racing at Summerside Dominion Day, the heats being closely contested. The 2.14 class was a great race between Star G, and Billy Cope, the former getting the first heat and Billy the second. In the third Billy led to the three-quarter pole where he was outbrushed by Star G. This was Billy Cope's first race in two years and he looks as though he still has the goods.

Ontario Miss Triumphs Over Montreal Star

Opening Day Of Canadian Women's Track And Field Championships Halted By Rain—Four Sprinters Disqualified.

(By Elmer Dulmage, Canadian Press Staff Writer)
(C. P. By Guardian's Special Wire)

LONDON, Ont., July 6—Before a sensational string of upsets really had a chance to get started, rain washed out the opening programme of the Women's British Empire trials here early tonight and left girls from every section of Canada facing a full day of competition tomorrow.

There was just time before the deluge arrived for Duke McGarry, veteran Toronto starter, to serve notice that sprinters from six provinces will receive no mercy if they break before he gun. In the only two heats of the 60-metre senior dash run off McGarry disqualified four entrants.

It was merely notice of treatment to come because he 60-metre event is not an Empire trial. Empire trials in the all important 100 and 220 yards sprints will be staged tomorrow—the furlong in the morning. It was to have been run tonight.

A meagre crowd of 400, scarcely outnumbering the competitors, took to cover when the rain came less than an hour after the two-day meet started. Officials kept the girls on hand for an hour and then announced the first half of the scheduled events would be staged tomorrow morning, starting at 10 E.S.T.

But there was time before the end to give warning to such celebrated speedsters as Hilda Strike of Montreal, Canada's No. 1 sprinter in the Los Angeles Olympics two years ago and Mildred Fizzell of Toronto, another Olympian, that the pace in these trials will be hot.

The dashing Miss Strike ran into trouble in the first heat of the 60 when Hamilton's Audrey Dearnley, unbeaten in Ontario this season and rated the most promising graduate of minor ranks in many months, led the Montreal star all the way. Never a great finisher, Miss Strike fell behind two yards in the last 10 and barely edged out Betty Taylor of Hamilton for second place.

It was a close call for the champion, Miss Dearnley, who stood head and shoulders above intermediate class sprinters in Ontario last season, pushed ahead of Hilda at the 30 yard mark and steamed the rest of the way on high, gaining with every stride. Her time was 7.7 seconds.

Starter McGarry got to work without delay when the seniors came to the mark. He disqualified Peggy Matheson of Toronto and Margaret Fitzpatrick, who came all the way from Calgary to compete, for two false starts.

Josephine Laba of Halifax and Mildred Fizzell went out by the same route in the second heat. This left Betty White of Hamilton, whose early season form was disappointing, to stage a brilliant comeback, serving notice that the ace of the 1933 sprint crop is still a spectacular performer.

Miss White won by four yards from Dot Brookshaw of Toronto in 7.5 seconds and appeared to be running without effort. Charlotte Dawes of Edmonton was third, failing to qualify for the final. Margaret Stone of Vancouver was fourth, Edna McDonald of Halifax had failed to qualify along with Miss Taylor in the first heat.

The third heat would have brought together Olive Hinder and Thelma Norton of Toronto, Eileen Meagher of Halifax, Mary Frizzell of Vancouver, Elinore Honeyman of Winnipeg and Phillis Ford and Jean McLelland of Montreal. This heat and the final both will be run tomorrow morning.

Irene Grinkle of Winnipeg and Thelma Norris of Calgary scored in the fastest heats of the intermediate 60 metres, both being caught in 8 seconds flat. The seconds in these heats, Mary Yeandell of Montreal and Doris McKay of New Liskeard, Ont., also qualified.

Only winners of the other two heats gained entry to the final. Audrey Stanton of Swansea, Ont., captured one place with a bristling victory over Harriet Grieve of Toronto and Vivian Graham of Halifax and Eileen Williams of Toronto won the other. Doris Rosie of Merritton, Ont., was second.

C. N. R. TEAM LOSES TO GEORGETOWN

Georgetown's softball team won their third straight victory over a City team last evening when they defeated the local C. N. R. nine 6 to 5 in a bitterly contested tilt.

The losers were leading 4-1 up to the eighth only to have the winners score five runs in their last two times at bat while holding the railway team to a single counter in the ninth.

HOW ABOUT HEATHERBELL?

Guardian Sports Department,

Sir,—In the classes for Northam Races the writer notes that a 2.14 pace is included in the programme.

Would it not be a good suggestion that this be changed to a 2.14 trot and pace, mixed class, with 3 minutes allowed trotters and by so doing allow Heatherbell the privilege of starting in this race.

The horses Heatherbell would have to compete against in this class all have records from 2.09 1-2 to 2.11 1-2 which is in keeping with his own mark of 2.10.

The race fans of Charlottetown would like to see some new blood injected into this class and past performances warrant Heatherbell starting.

I am Sir, etc.
HORSEMAN.

Will Select Athletes Today

AMHERST, N. S., July 6—Selection of athletes to represent the Maritimes at the British Empire Games Trials at Hamilton will be made immediately after the track and field championships in Halifax tomorrow afternoon, Sheriff C. D. Shipley, President of the Maritime Provinces Branch of the Amateur Athletic Union of Canada announced today.

Rises To Great Heights To Beat Australian Ace

Fred Perry Gives England First Wimbledon Singles Title In Twenty-five Years Vanquishing Crawford In Straight Sets.

By Gayle Talbot,
Associated Press Sports Writer.
(By Guardian's Special Wire)

WIMBLEDON, England, July 6.—Fred Perry, England's great "artisan" tennis player, rose to the greatest heights of his brilliant career today to present England with its own singles championship for the first time in 25 years. A. W. Gore was the last Englishman to win, in 1909.

While John Bull's best "public school boys" had proven inadequate for a quarter o fa century to cope with the invaders, Perry stepped in and crushed Jack Crawford, the world's No. 1 player from the end of the Empire, Australia, just like breaking sticks—6-3, 6-0, 7-5.

Perry, the boy who only a fwe years ago had to ask his employers' permission to get off work to play in park tournaments, proved himself the undoubted master of the present crop of amateurs, and possibly entitled to rank with the greatest of all time. Seldom has a player of Crawford's ability absorbed such a thorough shellacking as Perry applied.

What's more, he was doing it for the third time in a year. Perry went to Australia to take Crawford's home title away on his own grounds, and he whipped Crawford for the American singles championship last September. But for an injured angle, which probably cost him a quarter final match against Gregorio De Stefani, in the French championships, he might have achieved the tennis equivalent of Bobby Jones' golfing grand slam of 1930.

What made the one-sided triumph doubly impressive was the fact that Crawford had full control of his own smooth game at all times. Yet Perry not only proved himself able to outlast the Australian master at his own back court driving game, but he advanced throughout behind his fiery backhand, forcing Crawford into errors, or putting the ball away with smashes that bounced into the covered stands.

Full of fire from start to finish, Perry played at top speed for every point and never let his Empire rival get a foothold. He missed the defensive court with his explosive first service only about once in each five tries. He lost his own delivery only twice in the hour and 10 minutes it took him to complete his conquest, one of the shortest in all Wimbledon's colorful history.

Outside of the champion's superb play, the only thrill of the match came when Crawford broke through to take a lead of 5-4 in games in the final set. At that point Perry just opened the throttle a little wider, and went away from there with the three straight games he needed for the victory.

Improving with every match, George Lott and Lester Stoefen, American Davis Cup players, swept through the Australian-German combination of Harry Hopman and Daniel Prenn, 6-4, 3-6, 6-3, 8-6.

They meet Jean Borotra and Jacques Brugnon, the veteran French team, in the final round. Borotra and Brugnon knocked out the highly touted British team of Ian G. Collins and F. H. D. Wilde today, 7-4, 3-6, 6-2, 6-4.

On the strength of her Wightman Cup victory, Helen Jacobs, American champion, is a slight favorite to beat Dorothy Round, the English girl, in the women's singles final tomorrow. In the women's doubles Elizabeth Ryan, former Californian, and Mme. Rene Mathieu, of France, are pitted against Dorothy Andrus, of Stamford, Conn., and Mme. Jung Henrotin, of France, in the final.

The other final tomorrow is between Henry (Bunny) Austin and Mrs. D. C. Shepherd-Barron, all-English combination, and the Anglo-Japanese team of Miss Round and R. Miki, in mixed doubles.

GROCERS WIN FROM HAWKS 5-4

Displaying some of the best ball seen in the loop to date Burhoe's Grocers, leaders of the Industrial League, eked out a 5 to 4 victory over "Pomp" Bolger's Hawks at the Victoria Park diamond last evening.

Scoring two runs in the second on an error, a brace of hits and two wild pitches with runners on third enabled the winners to pull up on even terms with the Hawks who had garnered two runs in the opening inning on a passed batter and four safe blows.

Continuing their attack in the third Grocers swelled their total to five. Garnhum, first man up grounded out; Larter and McInnis singled, putting runners on first and second; MacFarlane was safe at first as Bolger forced Larter at third, Williams connecting for a double a minute later to score McInnis; "Hec" McQuarrie, with two strikes on him slammed the third pitch for a single, driving in MacFarlane and Williams, the latter scoring what later proved to be the winning counter.

The losers came back in their half of the inning to count twice; Gillis, Doyle and Lawlor all hit safe, the first two counting on infield outs, but Lawlor was run down between third and home to end the frame.

Hawks had a great chance to tie it up in the fourth as Stewart, the first batter, connected for a triple, but was thrown out at the plate trying to stretch it to a homer.

The game started out in a loose manner with both hurlers being hit hard and often in the first three innings. After that however, it developed into a close hurlers' battle; Pius Bolger, Hawks hurler, granted not a single hit in the last five frames of the game while his opponent, Archie McFarlane, granted but one, a single by Gillis at the start of the fifth.

The defensive performance turned in by young "Had" McInnis, second sacker of the Grocers, was easily the highlight of the game, "Had" accepting seven chances without an error, while a fast double play by the Hawks in the fifth was also worthy of mention.

Ship Team Wins From Abegweits

Showing superiority in every department of the game a team from H. M. S. Dragon, last evening handed the Abegweit soccer outfit their initial defeat of the season by blanking them 4-0.

The "Navy" flashing more speed in the attack and laying down well placed passes, dribbled in close to register three counters in the first half. Harrison scored the openet shortly after the game got underway, while Tarrier accounted for the other two on well directed shots. The Abbie thrusts appeared disorganized and were turned aside by the sturdy defense thrown up by the ship team.

In the second half the locals endeavored to force the play, but were soon thrown back on the defensive by the combintaion play of the Navy, Harrison scoring the final goal of the game a few minutes after the half opened. On more than one occasion the locals broke through, but overanxiousness and erratic shooting robbed them of a scoring chance.

LINEUPS

H. M. S. Dragon: Goal, Stewart; fullbacks, Cove, Hayes; halfbacks, Constantine, Brown, Ogilvie; forwards, Hook, Adams, Harrison, Tarrier, Baylie.

Abbies: Goal, Thompson; fullbacks, Covill, Reymond; halves, Duffy, Smith, McKie; forwards, Coker, Bevens, DuPasquier, Taylor, Neilson.

Referee—P. O. Smith.

First To The Wire

A splended action shot as Sir Victor Sassoon's Homily, on the left, wins the Home-Bred Three year-old cup at Gatwick, England, from Bonnlaw.

Sport Briefs

Hymie McArthur and Leo Sargeant have taken over the gas and service station on the McIntyre Highway for the summer months.

On July 18th the two wrestling "champeens" Ed Don George and Jim Londos will settle their mat differences at Fenway Park. Paul Bowser will be the referee.

Enzo Fiermonte, the Italian boxer who wed the former Mrs. John Jacob Astor, has deserted matrimony and returned to his first love, the ring. He is headed for his training camp at Ashbury Park N. J., and after training for five weeks hopes to proceed to Long Island to meet Maxi Rosenbloom in a match there

There is no lack of international intercollegiate competition this summer what with Harvard's baseball team going to Japan Pennsylvania State's soccer outfit visiting Scotland, various American crews at the British Henley and the Cornell and Princeton track athletes' showing in England.

Capt. R. F. H. Norman, a member of the Portland Club of London, won a unique wager recently by playing 10 non-stop rounds of golf in fewer than 1000 strokes on the Stoke Poges, Buckinghamshire, course. The Captain is 40 years of age, was severely wounded during the World War, has a metal plate in one of his legs and is quite lame. To win his wager he walked 45 miles in 16 1-2 hours. His total number of strokes for the 10 rounds was 960—so he had 40 strokes to spare. His only sustenance was four lemons and an occastional drink of water during the rounds.

The "silver bullet" the $100,000 speed car that was unsuccessful in the hands of Kaye Don at Daytona, Fla., in 1930, has a new owner in Freddy Dixon, one time racing motorcyclist. Dixon considers the power of the car's engines insufficient and after a certain amount of reconstruction has been completed he hopes to carry out first tests at Pendine Sands, North Wales, and then become another challenger for the world land-speed record.

Dave Komonen, Sudbury's "phantom Finn" won the Lion's Club Dominion Day road race easily, having no trouble with the other nine entrants in the ten mile race

Howie Morenz, flashy centre of the Canadiens in the N. H. L., was given a royal welcome to his native town of Stratford at the opening of the new "National Stadium" there and was presented with a handsome chest of silverware.

Six countries are represented in the annual tour de France, around the country cycling classic which begun July 3rd at Paris. The countries are France, Germany Italy, Spain, Belgium and Switzerland.

Max Baer, heavyweight champion of the world, will star in his own musical show at the Metropolitan Theatre commencing Friday, July 13th. Max will have his brother Buddy with him as well as the stage and screen comedian Benny Rubin.

Jack Lovelock former mile world record holder, only got third place at the Southern England track championships Saturday.

Primo Carnera will fight at Paris, Oct. 15th. His opponent will be the winner of a match between Jack Peterson, British Empire heavyweight boxing champion and Larry Gains of Toronto, who will stage a match in the White City, London, Sept. 10th.

The second annual William Randolph Hearst-Herald and Examiner marathon swim in Lake Michigan will be held July 22nd. The distance will be 15 miles and $10,000 in prizes with $5,000 going to the winner will be offered.

While Maxie Baer has been wildly cheered throughout the United States on his victory over Primo Carnera, and bringing the title back to America, a number of exchanges from across the border have not been over enthusiastic as to the clowning actions of the big Californian both in and out of the ring, and doubt that he will lend the same dignity to the crown, that this predecessors, even the lumbering Carnera, once a circus freak did.

Even the proposal that Baer defend his heavyweight title in Bermuda has its repercussions as may be judged by the following from an Ottawa paper: "If they allow Maxie Baer over there the community will be wrecked. That fellow can make more noise in five minutes than a flock of hose reels answering a three-alarm call. Everywhere he goes he creates more racket than a rogue elephant on the rampage. Bermuda would think that a volcano had erupted if he ever stepped on its shores. If the promoters want to match him on an island all well and good, but they can take him to Cuba or some place wheer the populace is unhappy unless a revolution or some similar excitement is present, coming or going. Bermuda is too gentle for Maxie Baer and should be protected from him."

On losing to a team from H. M. S Dragon last night, the Abbies have nothing to reproach themselves for, in that, the first team of the ship holds the soccer title of the American West Indies fleet and a number of first team players were on the lineup last night.

(A. P. By Guardian's Special Wire)
Home Runs Yesterday — Lee, Braves, 3; Gehrig, Yankees; Burns, Browns; McNair, Athletics; Suhr, Pirates; Leslie, Dodgers; Schulmerich, Reds; Slade, Reds; Lombardi, Reds; Collins, Cardinals; J. Moore, Phillies, one each.
