Aluminum Foil works 4 ways to let you enjoy Perfection Butter better—

1. Keeps air and moisture out to keep Perfection sweet and wholesome.
2. Prevents any trace of other food odors. Even onions are kept to themselves by Aluminum Foil.
3. Keeps light out to let Perfection keep its appetizing color.
4. Adds no taste of any sort to the perfect taste of Perfection Butter.

Better Butter . . . Better Wrapped . . . Better Buy It!
