## P. E. I. HOSPITAL ANNUAL MEETING

### Held Last Night in the Y. M. C. A. Yearly Report Read, Showing a Splendid Standing.

The annual meeting of the P. E. I. Hospital was held last night at 8 o'clock in the parlour of the Y. M. C. A.

The reports of the Trustees, and the Treasurer's report, shows the institution to be in a flourishing condition.

The retiring Trustees Messrs H. J. Cundall and B. Rogers were unanimously re-elected.

Cordial votes of thanks were given to the Trustees, the medical staff, the ladies aid, and the collectors in town and country.

A committee was appointed to endeavor to procure portraits of all floors of \$500 or over, to be placed in the Hospital.

The following resolution was moved by R. M. Johnson, seconded by Mr. Pope, and unanimously agreed to:

Any person or society contributing not less than \$100.00 towards furnishings, shall, if a room be available have the right to designate the name by which it shall be known, for a period of three years, and so long thereafter as the donor contributes the sum of \$25.00 per annum for maintenance; or the payment at one time of a sum not less than \$1000.00 shall extend such right in perpetuity.

This regulation shall apply to all rooms now named, which have not been or may not be fully maintained

for a period of two years.

Rev. H. E. Thomas spoke in terms of highest appreciation of the management of the Hospital. Patients had stated that "it was a great place to be when sick."

The Trustees expressed their high appreciation of the services of A. W. Hawley who had been visiting the institution for about thirteen years, and wished him success in a larger sphere of usefulness.

The report for the year 1908-09 was then given:

The Trustees of the Prince Edward Island Hospital in presenting their twenty-sixth Annual Report are exceedingly gratified to be able to state that the finances of the institution have been well kept up during the year.

The number of patients admitted was 349, being an increase of 50 over the previous year, and as three fourths of them have been paying patients, the fees from that source have shown a considerable increase over any former year.

The large number of operations (203 during the year) proves that persons requiring surgical treatment appreciate the advantage of the institution, particularly in that respect.

Of the whole number of patients admitted 259 have been cured, 42 improved, 9 not treated, 1 incurable, 16 died and 22 remain in the hospital. (Continued on page 8.)

## CANDIDATES' TOTAL VOTE TO THURSDAY, MAY 27TH

### Below is the Last Published Account of the Candidates' Standing Until the Final Count, Giving List of Winners.

(Photo by Cook.) MISS WINNIFRED BEER, Charlottetown.

one of the popular young ladies from the "Charlottetown and Royalty District" in the Guardian's Big Free Trip Contest.

Here is the last published account of the candidates until the final publication announcing the winners of the different prizes.

Tomorrow, Saturday May 29th is the last day a vote can be polled in this great contest. Votes are good that come by any mail due in this city tomorrow or tomorrow night up to midnight. If the S. S. Express should be delayed, so as to delay the mail express until after midnight, the votes on such a delayed mail train will be accepted. The same rule applies to any other delayed mail train.

During the past week many changes have been made in the candidate standing.

In "Queen's County District" the following candidates have moved a head one or more places. Miss Emma MacMillan, Cornwall, Miss Janie Buchanan, Brookfield, Miss Della Pickering, Clinton and Miss Eva Mutch, Earncliffe.

In "Montague, Georgetown and Souris East, District" the candidates are very close. It would take only a few subscriptions to make a big change in the present standing.

In "King's County District" Sadie Riley, Milburn has jumped from fifth to third position.

The other counties remain unchanged from last count although thousands and thousands of votes have been polled.

One of the busiest centres in the business life of Charlottetown is the Union Commercial College, which occupies two entire flats in the Offer Brick Building, Queen Street, Charlottetown. Here young men and women are prepared for business life and are made competent for Business. That is the way Principal Moran expresses it laying emphasis on the fact that a thorough business training is what he aims to impart. His efforts are all for the success of his students. He develops their faculties and guides them in the direction of business. He gives them a thorough course in Book-keeping and Shorthand and Penmanship, and in all the other subjects of the college curriculum in which he is most capably assisted by vice-principal Pruner—the result being that students are turned out thoroughly fitted for positions in business anywhere.

In addition to other valuable prizes offered by the "Guardian" are three scholarships in the Union Commercial College. The young women who win these will be fortunate. A practical Business and Shorthand education is the key to success. Many young people have traced their success to the instruction received in this College. Its graduates are to be found holding excellent positions in all parts of Canada and United States. Six graduates of the U. C. C. now hold excellent positions in Montreal City.

Notwithstanding the fact that some of the best business colleges in America are situated in that city, The Union Commercial College is particularly desirable of securing, as students, young people who seek the best in Business Education and who those who become students there and work as hard for their own interest as the instructors of this school will, the outcome is bound to be satisfactory.

Those who win the Scholarships will receive exactly the same instruction as others in attendance.

## THIRTEEN MORE MEN EXECUTED.

### Were in April Plot in Turkey. Bad Man Gets Appointment to Distribute Relief Funds. It Causes Much Concern.

CONSTANTINOPLE, May 27—(Special)—Thirteen men were hanged in public at daylight today having previously been found guilty of complicity in the revolutionary outbreak of April 13.

Their bodies were left exposed for a short time only.

Much apprehension has been caused among the Young Turks and Armenians by the news that the Vall of Adana, described as a somewhat fanatical Kurd has been entrusted with the distribution of the government

relief fund to Bagdad.

He is a Turkish land owner, who was the first to lead the band of armed men into the bazaar at Adana and begin the slaughter of the Armenians.

There is reason to believe that local notables implicated in the massacre are endeavoring to secure official support at Constantinople to protect them from the well-merited chastisement that many of the military leaders are anxious to inflict upon them.

## LARGE LUMBER PLANT BURNED

### Mill Property of Dickie, McGrath, Tusket, Destroyed. Insurance \$25,000.

YARMOUTH, May 27—(Special)—The extensive lumber mill of Dickie and McGrath, Tusket, together with the blacksmith and machine shop were totally destroyed by fire last night.

INDIANAPOLIS, May 27—(Special)—Mistaking her for a burglar, George Thompson shot and killed his wife in their home.

Thompson went to bed early, leaving his wife downstairs sewing.

Later she entered the room carrying a lighted match.

Thompson awoke, thought the light was from a burglar's lantern, took a revolver from under his pillow and fired twice.

He is held at the police station for fear he will harm himself.

## SAILORS STRIKE NOW IN FRANCE

PARIS, May 27—(Special)—The strike of sailors, stockers and stewards of the merchant marine is extending.

The men demand a weekly day of rest and the equalisation of pay on passenger and freight boats.

The tie-up is complete at Marseilles, where fifty vessels are unable to move and is partial at Havre, Dunkirk, St. Nazaire, Toulon and Bordeaux.

Passengers are delayed and torpedo boats are being employed for the conveyance of mails to Algeria and Corsica.

The companies concerned have asked the government to lend crews from the warships to insure the movement of the mails.

## SYDNEY MINES BOY BURNED TO DEATH

SYDNEY, N. S., May 26—The little three-year-old son of Mrs. Dryden of Sydney Mines was burned to death today while playing with matches. Men nearby heard screams and hurriedly smothered the flames, but the injuries were so bad that the boy died several hours afterwards.

## CUTTING DOWN CAMP EXPENSES

Mary Office's Not Train at Militia Camps For This Reason.

OTTAWA, May 27—(Special)—To keep the expenditures for the annual drill within the amount available, the Militia Council has issued an order reducing the establishment of the various corps for training purposes.

The reductions are based on the average number trained by each unit during the past five years.

For all units the following reductions have been made:

Cavalry, paymasters, regimental, quartermaster sergeants, orderly room sergeants, signalling corporals and hospital corporals will not train.

Infantry, paymasters, stretcher bearers, section sergeants, drummers and signalling corporals will not train.

## DIXIE'S LAND HAS GREAT RAIN

### Crops Destroyed, Train Service Blocked, and Many Towns Under Water.

NEW ORLEANS, May 27—(Special)—The train service on the many roads in Louisiana, Mississippi and Alabama is badly crippled as the result of the torrential rains experienced throughout those states.

Reports from the surrounding country bring advice of considerable devastation by storms.

Flood warnings have been sent out that other rivers will rise above the danger point.

The crops have been almost totally destroyed, while numbers of towns are under water and families driven to the roofs of their homes, the only means of transit being by boat.

A tornado yesterday passed over the northern portion of Mississippi, wrecking many houses.

## MORMONS MAKE SOME TROUBLE

### High-handed Conduct at Lethbridge. A Gentle's Wife Enticed From Home.

LETHBRIDGE, May 27—(Special)—A Mormon mob threatened to hang three Gentiles who went to Magrath settlement for the purpose of inducing the wife of one of them to return here.

The woman was a daughter of a Mormon resident, but married a settler named Barclay, later returning home for a visit.

During her stay in Magrath the church authorities persuaded her to remain permanently.

Barclay and two friends endeavored to persuade her to return, but the mob assaulted them, put handcuffs on and placed them aboard an outgoing train.

## LONDON SHELTERS SULTAN'S WIVES

LONDON, May 26—Once again England has shown herself liberal in granting refuge to alien exiles. One evening last week eight women from the ex-Sultan of Turkey's harem arrived in London and they are now temporarily living at a boarding-house in the fashionable neighborhood of Portland Place. The authorities are fully aware of their presence, but say they have no reasonable grounds on which to interfere.

## JULIA W. HOWE IS NOW NINETY

### Aged Authoress, Bright But Feeble, Receives Many Hearty Congratulations.

BOSTON, May 27—(Special)—Surrounded by her children and grandchildren, Mrs. Julia Ward Howe quietly celebrated her 90th birthday in her home today.

Despite her advanced age the famous writer is in full possession of her faculties and her mental knowledge and she still manifests great interest in all great public questions.

The feebleness of age, however, compelled her to forego the public observance of the anniversary.

During the day letters and congratulatory telegrams poured into Mrs. Howe's house, while immense quantities of flowers were sent by friends and admirers in all parts of the country.

## SALE OF LAND IN WEST.

VANCOUVER, May 27—The first day's auction of Prince Rupert Townsite was a great success, the total value of the property sold being nearly \$500,000.

Two thousand people attended sale and the bidding was keen. In no case was property withdrawn because of failure to reach the reserve price, and in many cases the prices went far above what was anticipated. This was especially the case in the business section where the choicest corner brought \$16,500.
