Boys' Suits Slaughtered

In going through our Clothing Department, we find we have altogether too many Boys' Suits on hand, and as we have ordered, for spring delivery, a large and handsome assortment, we have decided to cut the price to the core on surplus stock, in order to clear them out quickly.

This is a rare opportunity to get your boy a suit, as the price asked is only about half the regular selling price. See our window for samples of what we are selling, for \$1.25 a suit—worth up to \$2.50. Another line selling at \$1.50 a suit—worth up to \$3.75.

This is a sensational bargain, and shrewd buyers will speedily take advantage of it. Be one of the first and get best choice.

This proves beyond doubt that any case of Asthma is curable with Catarrhzone. No remedy so pleasant, none so absolutely certain to thoroughly cure; try 'Catarrhzone' yourself; it is guaranteed.
