GOOD YEAR

STUDED Motorcycle Tires

THE fast 1913 machines require extra heavy, tough tires.

Goodyear Studded Treads are made extra tough for the unusual wear and strain of the heavy machines.

You can have these hard-wearing tires with the tough non-skidding studs if you specify them. Because twenty-eight of the largest Motorcycle Manufacturers in America have contracted for Goodyear's this year. Insist on getting them.

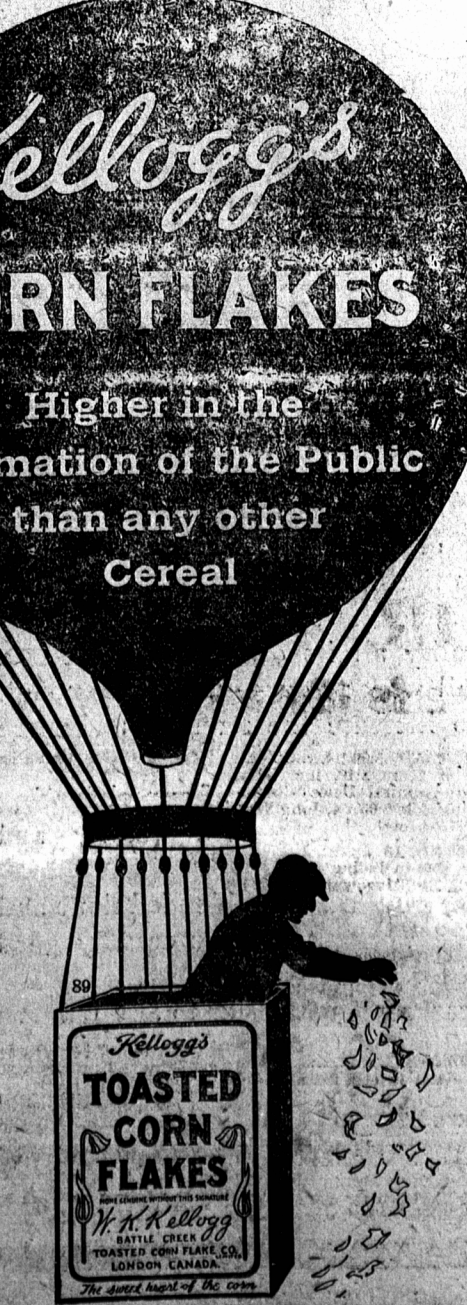

Remember every world's motorcycle record—whether on road or track—has been made on Goodyear Tires.

MONDAY

NOTED CASE SETTLED.—His Honor the Master of the Rolls has handed down his decision in the celebrated Gordon Fox Case, confirming the partnership of Mr. R. H. Gordon with the deceased at the time of his death. This case, a history of which appeared in the Guardian some time ago and which has aroused general interest, involved property valued at about a million dollars.

WEDDING BELLS.—The marriage took place at Watmore, June 11th, by the Rev. D. MacLean, of Mr. John Wm. Boyce, New Haven and Miss Margaret Isabell daughter of Mr. John MacFadyen, Riverdale. The happy couple were attended by Mr. Brewer Boyle and Miss Sarah E. MacFadyen. They intend residing in New Haven and have the very best wishes of a large circle of friends for their future prosperity.

In the chapel of Notre Dame Convent at six o'clock this morning a pleasing event will be witnessed, when City Councillor Wallace W. Walker, will lead to the altar as his fair June bride, Miss May Gertrude Gillan, youngest daughter of Mr. Thomas Gillan of the P. E. I. Railway.

The bride will be attired in an Alice blue silk, with black picture hat, and will enter the chapel to the strains of the wedding march and will be given away by her father. She will be attended by her sister, Miss Ada, wearing cream silk, with hat to match. Both bride and bridesmaid will carry bouquets. Mr. A. J. MacAdam will discharge the duties of groomsmen. The nuptial mass will be celebrated by Rev. Maurice McDonald, the choir rendering a number of appropriate selections throughout the service. A wedding breakfast will be served at the Convent. The genuineness of many expressions of esteem is fully attested by the large collection of presents, embracing many articles of considerable value. The groom's gift to the bride is a gold necklace and pendant, and to the bridesmaid a silver mesh bag.

After the wedding the happy couple will leave by the Northumberland for a short trip to the mainland, the bride's going-away gown being of navy blue.

The Guardian joins in congratulations to Mr. and Mrs. Walker, expressing the fervent hope that their happiness of this day may continue unabated through many years to come.

The Secret of Good Health

Keep the Blood Rich and Pure with Dr. Williams' Pink Pills.

The condition of the blood makes all the difference between health and sickness. Impure blood and straggling healthy nerves and muscles never go together. It is the blood in thin every part of the body becomes weak. The stomach fails in strength and the appetite becomes poor. The body does not obtain enough nourishment from the food, and soon the person becomes irritable, dependent, worn out and nervous. For a time there may be no actual sickness, only a run-down weak condition, but there is no defence against disease and from such a condition spring disorders such as anaemia, rheumatism, indigestion, neuralgia, and even paralysis itself.

People with impure, thin blood should take Dr. Williams' Pink Pills for Pale People. Every dose helps to make new, rich blood, and new blood means health and strength. They stop the progress of disease, and red cheeks, good appetite, new strength declare the general improvement in the Health. Here is an example: Miss Ellen Maude McQuodale, Harriston, Ont., says: "I feel it my duty to add my voice to the many now recommending Dr. Williams' Pink Pills. For years I was a sufferer with backaches, rheumatism and nervousness. I was so bad at times that I was confined to my bed. I felt sleepy and heavy after my meals, and had flashes of light before my eyes, and a difficulty in collecting my thoughts. After using several remedies without benefit I began using Dr. Williams' Pink Pills and used ten or twelve boxes in all. They gave me the best health I have enjoyed for years, and I have not since had the least return of the trouble."

You can get these Pills from any dealer in medicine or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

The funeral of the late Albert E. Chandler was held from his late residence on Water Street, Halwell, Maine, Tuesday afternoon, May 13th, Rev. Fred V. Stanley officiating. The bearers were George Cole, William Wedge, W. G. McGray and Wilbur Sproul. Mr. Chandler, who was 52 years of age, was a granite cutter by trade, having worked at that business for the past 24 years. He was a man well liked by his fellow workers, and was always ready to help any, who might be less fortunate than himself. A widow, one daughter, Doris A. Chandler, a mother living in Mt. Albion, P.E.I., and six brothers, Daniel M. and James H. of West Newton, Mass., Charles and John of Sydney, Cape Breton, William A. and R. Westmay Chandler of Mt. Albion, P.E.I., also two sisters, Mrs. Flora McDonald of Mt. Albion, P.E.I., and Mrs. Margaret Myers of Mt. Albion, P.E.I., survive. (Mr. Chandler was a son of the late Mr. Wm. Chandler, Mt. Albion.)

TUESDAY

MISSING MARY.—As indicated in a previous issue of The Guardian when the adjourned case against Mary Myers, for keeping a disorderly house, was called at the Charlottetown Police Court yesterday morning, it was intimated to the Magistrate that the Bench warrant issued a week ago for the arrest of the missing woman, was still awaiting execution; the woman having cleared out of the Island. For the present therefore no further action will be taken in the matter.

WEDDING BELLS.—A pretty wedding took place at the home of the bride's brother, Mr. Archibald Linkletter, at Linkletter when Miss Ada Bell Linkletter was united in marriage to Mr. Clifford Wright of Middleton in the presence of about seventy guests. The bride was very becomingly attired in a suit of cream voile and carried a bouquet of lilies and apple blossoms. The many beautiful and valuable presents received indicated the high esteem in which the bride and groom are held. Rev. Chas. E. Armstrong was the officiating minister.

TWO MEN ADRIFT.—A somewhat serious report reached Charlottetown last evening to the effect that a gasoline boat with two men on board had gone adrift from the fishing grounds off St. Peter's Harbor. The men, it appears, had been out fishing when their engine gave out. There was a strong gale blowing off shore at the time and no boats were available with which to render any assistance. The D. G. S. Brant was ordered to go to the rescue and she left Charlottetown at 9 o'clock last night. She will reach the scene of the trouble about daylight this morning when it is hoped the unfortunate men, whose names could not be ascertained last night, will be rescued.

WEDDING BELLS.—At 51 Bayfield St. this morning a very quiet wedding will take place when Rev. T. W. Murphy will unite in marriage Miss Esther Douse, daughter of Mr. and the late Mrs. Harry Douse to Mr. J. Carl Milford, son of Mrs. D. Murchison, North River. After the wedding the young couple will leave for points west on a honeymoon trip and on their return will reside in Charlottetown. Mr. Milford has been very popular among the younger Charlottetownians, especially with the sporting fraternity, being a full-fledged member of the athletic circles while Miss Douse has quite a large circle of friends who will all join with The Guardian in heartily wishing them joy in their future life.

TEMPLE-WILSON.—At 7 o'clock Thursday evening, the wedding took place at Waverly of Luella, daughter of Mrs. Margaret Temple, and Thomas Albert Wilson, says a Halifax exchange. The spacious drawing rooms were beautifully decorated, the bride and groom standing under an arch of white flowers. Little Miss Margaret Temple acted as flower maid. She carried a very dainty basket of flowers composed of lilies of the valley and maiden hair fern. Misses Lillian McQuinn and Chevy Wilson were the ribbon bearers, both being prettily dressed in white with blue trimmings. The bride, one of the most popular young ladies of Waverly, looked charming in a handsome gown of white pointed at the skirt and carried a shower bouquet of roses, lilies of the valley and maiden hair fern, her only ornament being a pearl and peridot necklace, the gift of the groom. The ceremony was performed by Rev. F. M. Milligan, a Pine Hill classmate of Mr. Wilson. The wedding marches were rendered by Mrs. Lottie Crosby, sister of the bride. After the ceremony the guests assembled in the dining room where Misses Lillian McQuinn, Chevy Wilson and Jean Travis, Reginald Crosby and John McQuinn assisted in serving a very dainty luncheon, the room being tastefully decorated with white carnations, maiden hair fern and English ivy. The bride's going-away gown was of tan Bedford cord, with hat to match. Mr. and Mrs. Wilson left by motor for the French Lakes, where the honeymoon will be spent. They were the recipients of many beautiful gifts, testifying to the esteem in which they are held, and the good wishes of all follow Rev. Mr. and Mrs. T. A. Wilson to their future home, Tyne Valley, P. E. Island.

GILLETTE

The Symbol of Clean-cut Modern Manhood

By making shaving so easy, the Gillette Safety Razor has done much to develop the typical man of to-day— that strong, aggressive, successful individual who scorns to disguise his features with a beard or to appear with an unkempt stubble on cheek or chin.

Shaving with the Gillette takes but three refreshing minutes. You waste no time honing or stropping— or fuming in the barber's waiting row. The Gillette makes home shaving so easy and luxurious that it is no more a task, but an agreeable incident in the morning toilet.

There are over 40 Gillette styles from which to choose. Standard Sets, like the illustration, cost \$5.00—Pocket Editions \$5.00 to \$6.00—Combination Sets, with brush, soap and other toilet articles, run from \$6.50 up. From the assortment which your Hardware Dealer, Druggist or Jeweler can show you, buy a Gillette—you'll enjoy it.

Cures: SPLINTS, CURBS, SPAVINS, ENLARGEMENTS, COUGHS, COLDS, DISTEMPER, GLANDERS, FOUNDERS

Before Using After Using

Use this preparation thoroughly for all and every disease of the horse for which it is recommended. Criticise it closely. Carefully watch, mark and note its effects, and honestly judging it on its merits, you will be compelled to endorse it.

TESTIMONIALS

DEAR SIR—I had a mare which had a very bad cough and heaves for a month or six months, and became so thin there was nothing left apparently but skin and bones and I was tempted to shoot her. A friend of mine who had used Dr. J. Woodbury's Horse Liniment, with good success, induced me to try one bottle of it which I did with the best results. I used just one and one half bottles of the Liniment and it effected a complete cure of both the cough and the heaves, and I have worked and driven her ever since.

I strongly recommend Dr. J. Woodbury's Horse Liniment as the best Horse Liniment on the market, and advise all horse owners to try it. Very truly,
ROBERT MCKENZIE

DEAR SIR—I have used Dr. J. Woodbury's Horse Liniment for a number of years, and have found it to be the most excellent article for the feet of horses kept in the stable. It prevents dryness and hardness, promotes a smooth and healthy growth and will, used according to directions, soon remedy anything like contractions of the hoof.

W. A. C. RANDALL, M.D.

Hillsboro, N. S.
Messrs FRASIER THORNTON & CO., Cookshire, Que.
GENTLEMEN:—I have used your "Dr. J. Woodbury's Horse Liniment" for the past seven years for coughs, colds and lameness of all kinds, and find it gives the very best results for distemper. I certainly consider it the best on the market, and would never be without a bottle in my stable.
(Signed) WALTER SLATER, "Cash Livery."

FRASIER THORNTON & CO., Cookshire, Que.
DEAR SIR:—You may put my name on your list as one using your Horse Liniment, I have used it for my lameness and Condition Powders in my stable.
