EASTERN HOSIERY

Modern Women Demand Fresh, Clean Clothes

TODAY they are more valuable . . . washed oftener. Safety in the wash is more important than ever before. Therefore the harmless, complete cleansing, insured by Surprise Soap, is more necessary now than ever.

Today—remember—cheap dangerous soaps may look safe. Their poor quality is hard to detect until after the damage is done.

You know Surprise can be trusted. Over forty years have proved it. Housewives hold it in higher esteem than any other soap that is made. No low grade ingredients have ever been used in making it. Its quality has never been lowered; always improved.
