Good Racing Card At Montague Yesterday

An estimated crowd of 2,000 fans witnessed some close finishes in the harness racing card held at Montague yesterday afternoon as Prince Budlong, Nell Kalmuck, Just Betty and Bud Kalmuck were returned the winners in the four classes raced.

Fans also were furnished with more excitement when three spills occurred during the program none of them ending up seriously. The first one occurred when Bee Budlong went down in the first heat of the No. 3 Classified with Daisy Budlong going over her. Drivers Collins and McIntyre were uninjured.

In the Victoria Driving Club Stake trot Guy Harvester and Miss Brewer tangled on the backstretch, both horses having to pull up with the Harvester's horse's hoof hooked in Miss Brewer's wheel. The Stake race also featured the final mixup as Archie Lee unseated his driver, Harold Stead.

Prince Budlong was 1-1-1 in winning the No. 1 Classified with June Morning furnishing the opposition in the first two heats and Miss Knox picking up the challenge in the final mile.

Nell Kalmuck was too good for the field in the No. 2 Classified chalking up a straight heat win over a field of five other starters.

Just Betty provided an upset victory in pacing off with the No. 3 Classified. Finishing sixth in the first mile won by Nellie Worthy, Betty got away flying for the second mile to lead from wire to wire, although Mary Merck closed very fast to nearly nip the mile. In the third heat Just Flicka led from the word until the second trip around when Just Betty again took over to capture the heat and race.

The 2:29 Victoria Driving Club Stake turned out to be a four heat battle with Bud Kalmuck after finishing fifth and sixth in the first two miles coming from behind to take the third heat and then win the race-off in a great battle. Archie Lee trotted under the wire in front the first mile with Bonnie Dale capturing the second one setting the stage for the winner's victorious bid.

Legionaires One Game Up In Finals

In as exciting a game as has been witnessed in Summerside for some time the Legionaires went one up in the best two out of three final series with the Red Sox yesterday afternoon, beating the team that finished first in the regular schedule by the score of 7 to 6.

McMurdo was perched on second with the potential tying run in the last of the ninth with two out when Ervin Jay toted his waggon tongue to the plate. Jay's best baseball days are behind him, but he can still tag a ball plenty hard, so the moment was fraught with drama. Jay hit the ball hard but right at Syl Bernard in short field and Syl picked it cleanly and whipped it to Grady to end the thrilling contest. The Red Sox outhit the Legionaires 10 to 7 but Bernard had a big edge over his rival on strike-outs, whiffing 11 to Powell's 4.

The Sox were far from steady afield. They made a jittery start in the first inning committing four blunders which together with two base hits, gave the Vets three runs. The Sox evened the score in their half on four successive singles and one miscue. The Legion got another trio of runs in the fourth and again errors figured largely in the scoring though the Vets did bunch three safe bingles. The Legionaires picked up another unearned run in the sixth to make it 7 to 3 and as at that stage Bernard was pitching air tight ball it looked as if the Vets would win under wraps.

Then the Red Sox exploded in the ninth with three singles and a booming home run by Bob Schurman that went to deep centre field. Morrison was on base at the time. Later Walker got a safety, stole second and raced home when McMurdo's ball went through Underwood. This ended the scoring. The infield work of Hank Landry and Syl Bernard was particularly good while McMurdo was a tower of strength to the Sox in centre field, making six putouts.

Keen Interest In Mar. Track And Field Meet

Officials of the M.A.A.A. last evening announced that many athletes are taking a keen interest in the Maritime Track and Field championship meet which is being held at Wanderer's Grounds, Halifax, the morning and afternoon of September 6th. There has been a sharp rise in the demand for amateur cards since the Meet was announced and with the number of chaps now in training in N.S., N.B. and here on the Island, it looks as though track and field is due for a real revival.

Through the efforts of the Dept. of Physical Fitness, Prince Edward Island is to be represented by a team of athletes running under the colours of the Abegweit Club which is the only Island club interested in sending a team to compete in this meet. The Physical Fitness Dept. has been working on gathering a team for the Abbies for some time and now with the co-operation of chaps from different communities about 15 athletes are in training and will make the trip to Halifax Friday afternoon. There are still a few places on the team not definitely filled so the roster will not be published today but will appear in a later edition.

S'side Girls Co-Holders Of Softball Title

Summerside Royals and Saint John Red Sox played an 8-8 tie on Saturday for the Maritime junior women's softball title. Both managements agreed that each team would be co-holders of the Maritime crown for this season and a post-season series would be played in Saint John early next summer.

The local Royals went out front and led 8-Lat the end of the fourth. Red Sox had a big fifth inning when they scored six runs and scored again in the seventh to even up the game.

In the afternoon the Red Sox defeated an all-star junior nine from the K. of C. league in Charlottetown 10-9.

Score by innings:

Red Sox	010 060 1—8
Royals	240 200 0—8

Batteries—R. McLeese, A. Heans, and M. Muzzerall; J. Meikle and S. Estabrooks.

Tignish Aces Winners Prince County Title

The Tignish Aces won the championship of the Prince County Baseball League Sunday at Grand River when they defeated the home team by the score of 7 to 5 in six innings. All the victors runs came in the second inning, and were the result of nine errors and a fielder's choice. Not one hit was registered against McKinnon in this fatal frame, but five ground balls went to Gillis, the Grand River short stop, four of which he fielded cleanly, but, failing to make allowance for a strong wind that swept across the diamond, threw wildly to first every time. The fifth grounder went through him.

Murphy on first also contributed two errors to the general debacle, one grounder going through him that allowed two runs to cross the plate. There were two down at the time. Father Murphy later made up for his miscues belting two slashing hits, one a double, and stealing three bases, but the damage had been done and all the Grand River boys could collect were five runs.

In the seventh inning, which was not completed, umpire Schurman having to call the game because of rain, the Tignish boys sent three runs, all earned, across the plate on successive hits by Harper, Doyle, Ellis and Gaudet, but as the score reverted to the sixth inning none of these hits counted in the box score and so there was actually only one hit, a double by Wedlock, registered against the losing pitcher McKinnon in the six completed innings. Mitchell's catching of two foul flies very close to the backstop was a feature of the day's fielding efforts.

After the game presentation of a cup, emblematic of the Prince County League championship, was made to Mr. Richard, captain of the Tignish team in the Grand River hall by Norman MacDonald, president of the League, who congratulated the two losing teams on the sportsmanlike way they had accepted defeat in the semi-final and final games, and the winners for their achievement and sportsmanship. Remarks were also made by Father Murphy who congratulated the winners and spoke of the interest created in baseball in western Prince.

Mr. Morrissey, manager of the Tignish team, also paid tribute to the sporting way in which the losers had acted and Mr. Gillis spoke briefly for Wellington.

Expected to rival the sensational semi-final series Rovers and Legion square off against each other this evening in the first game of the City Baseball League finals and on the eve of the best-out-of-five affair followers of both teams were confident of their charges coming through with that all important first victory.

✦ ✦ ✦ ✦

Not in a good many years has so much interest been shown in a local playoff and indications are that one of the largest crowds of the season will be on hand for this evening's opening tussle a game that is scheduled to get underway at 4:30 sharp.

✦ ✦ ✦ ✦

Fresh from their victory over the Anchors, Had McInnis' Legionaires now fully satisfied that they can play near perfect defensive baseball when the occasion arises and right at the peak of their game are set to finish the series as quickly as possible, but the consensus of opinion among the fans is that it will likely take the two squads a full five games to decide the team that will succeed the Anchors as title holders.

✦ ✦ ✦ ✦

Not a word has been heard of the starting hurlers but judging by the performances he turned in in the semi-finals it will not be surprising if Lefty McAleer starts his sixth game tonight. The slim righthander proved conclusively that he has a whipcord left arm by his performance against the Anchors and is ready to take to the hill again if manager McInnis so deems.

✦ ✦ ✦ ✦

The long layoff the Rovers had since the schedule closed may or may not play an important part in tonight's opener but nevertheless members of the squad, composed for the most part of veteran players were confident that once they swing into action they will show all their steadiness and batting strength and like the Legionaires are aiming at ending the series in as quick a manner as possible.

✦ ✦ ✦ ✦

Opening chapter in the junior baseball finals was completed yesterday afternoon when Charlie Ryan's Recce team did as was expected by chalking up a win in the opening game but that doesn't mean by any manner of thinking that they are out of the woods as yet.

✦ ✦ ✦ ✦

True they need only one more victory to enter the Island playdowns but that can loom mighty large due to the manner in which the Kinsmen performed yesterday. For over half the game it appeared as if the losers opening run was going to be sufficient to win but some fielding lapses proved disastrous and Recce went on to win.

✦ ✦ ✦ ✦

Playing a little tighter defensively and adding a little more weight to their bats could work wonders with the Kinsmen team and from here it appears as if they have the ability but whether or not they can do it against the kind of hurling the Recce team will offer is another story that will only unfold on the park diamond.

✦ ✦ ✦ ✦

Congratulations are in order young Glen Matheson on his capturing the City League batting title. The youngster, tightened up in the last few games, withstood the final challenge of McIsaac and deserves his title. And Matheson's performance this year is all the more remarkable considering the lowly position he held last season. There was nothing last season to denote a .400 hitter but the player has improved to an astonishing extent and once he has accumulated a little more experience and seasoning should develop into really an outstanding hitter.

Canada's Bisley Team For 1948

News released from the office of the secretary Dominion of Canada Rifle Association reveals that eighteen riflemen have qualified for the team that will represent Canada at Bisley in 1948.

If any decide not to accept, substitutes will be chosen from the next highest in the Bisley Aggregate. As will be seen below tenth on the list is Major A. F. Gormley of this city whose 740 points is only 8 points behind the leader who was also winner of the Governor General's Match. Major Gormley was a member of the Bisley team in 1938 and won a place on the 1939 team but the matches were cancelled due to the international situation. First outside the twenty five who have a chance for Bisley is Trooper A. MacDonald of Covehead who although a tyro shot brilliantly all through the meet. In the first match on the first day he was squadded with a very fine young man who noticing MacDonald's good shooting and also that he had no telescope or binoculars to follow the "spotting" on the target called each shot for him, and when the match was over loaned his beautiful binoculars to the Covehead tyro for the week's shoot—The thoughtful young man was Lord Alexander's Secretary.

Below will be found the names and scores of the twenty leading marksmen out of over six hundred from all parts of Canada that took part in the D.C.R.A. shoot.

C.S.M. Norman Beckett of Hamilton, winner of the Governor-Generals prize, 757; Flt. Lt. D. Reynolds of Ottawa, 757; Sgt. R. S. Potter of Hamilton, 757; Sgt. W. E. George of Winnipeg, 756; WO1 E. E. Wright of Stanbridge East, Que., 756.
