## Lower Montague

A very enjoyable evening was spent at the home of Mrs. V. O. Schirmer on Thursday, January 16th when the Women's Institute gathered for the regular meeting. There was a good showing of members and a large number of visitors present. The President presided and the meeting opened by singing the Creed followed by reading the minutes of last meeting.

The minutes of last meeting were read by the Secretary and approved as read. During the evening a paper of interesting and humorous Current Events was read by the President.

Mrs. George Annear invited the members to her home for the February meeting. The game of proverbs was greatly enjoyed by all. At the close of the meeting the hostess was very pleasantly surprised by the presentation by the ladies of a half dozen cups, saucers and plates, also a lovely birthday cake, made by one of the members. Mrs. Schirmer very feelingly thanked the ladies for their kindness and thoughtfulness and afterward treated all present generously to ice cream and cake. At the annual meeting of this Institute held last December Mrs. Leith Cowan was elected President and under her capable management and untiring efforts we feel sure that the year 1930 will prove a successful one in the life of the Institute.

The annual meeting of the Lower Montague congregation of the United Church was held in the class-room on Wednesday evening, January 22nd. The meeting opened by singing O God Our Help in Ages Past followed by Scripture reading, Isaiah, chapter 53, and prayer by the pastor, Rev. Arthur Long.

Mr. Montague Annear was appointed chairman for the evening. The minutes of the last annual meeting were read by the Secretary and approved as read. The treasurer Mr. Leith Cowan gave the Financial Report showing that all obligations had been met with a favourable balance. Other reports brought in were as follows:

Womens Missionary Society, Mrs. Leith Cowan; Ladies Aid, Mrs. C. J. Poole; Mission Band, Miss Helen Annear; Stirling Young Peoples Society, Miss Claudie MacFarlane; The Sunday School, Mr. Montague Annear. As an appreciation of the splendid work done by Rev. Mr. Long since his appointment to the Montague Pastoral Charge, June 1928, a call was extended to him from the congregation and was signed by all present at the meeting.

On Friday afternoon, February 7th, the Lower Montague School hired a new teacher, Miss Kathryn Nicholson and a number of the grown up, despite the bitter cold, drove the three mile distance and enjoyed the two hours skating.

While descending the stairs about two weeks ago Mrs. Forbes Cameron had the misfortune to fall, causing painful injury to her head and received a bad shaking up in general. Dr. MacIntyre of Montague was hastily summoned and upon arrival found that in some miraculous way no bones had been broken. Mrs. Cameron's many friends are glad to learn that the latest reports were that she is making a splendid recovery from this deplorable accident.

We are glad to report that Mrs. George Beck who has recently undergone an operation in the Kings County Hospital is making a rapid recovery and will soon be able to return to her home in Lower Montague.

Miss Elizabeth McEwen of the firm of W. A. Poole and Co. has resumed her duties after having spent two weeks vacation at her home in New Dominion.

Miss Ruth Ross, Public Health Nurse, was a recent visitor to Lower Montague.

Mrs. Colin MacDonald (nee Irene Ross) and young son Kenneth of Commercial Cross, were recent visitors to Lower Montague.

Mr. Leslie Stuart, Whim Road, has the sympathy of his many friends in Lower Montague in his continued illness.

Congratulations are being showered upon Mr. and Mrs. Roy Aitken upon the arrival of a baby girl on Friday, January 31st.

A memorial service for our late beloved Sovereign George V. was held in the Lower Montague United Church Sunday afternoon, Feb. 9th and was under the auspices of the Stirling Young Peoples Society. In the absence of the President, Gordon Schirmer, the service was led by Marcella Taylor. Following

CANADIANS AND THEIR INDUSTRIES—AND THEIR BANK

### GRAIN GROWING

HENRY: "James, I can remember Dad telling us that, in his day, they used to thresh their grain with a flail. We couldn't get along that way nowadays; there's too much."

JAMES: "You're right, Henry. We must have mechanical help to produce grain at a profit in these days. But I'm in favour of employing as many men as we can."

HENRY: "That's every sensible Canadian's point of view. Our local Bank of Montreal manager tells me that, if the security is all right, his bank is willing to lend money for necessary modern implements. By the way, our loan at the Bank has been paid off in full and the manager has promised to advance money against the sale of our wheat to pay for harvest labour. We couldn't get along without the Bank's co-operation. It will be helping us, as usual, when we need money in the spring for seeding—and for that new barn we'll have to build one of these days."

#### 14-Year GOLF MATCH

LONDON—Only death or retirement from golf can decide a contest, between R. W. Chamberlain, retired farmer, and George New, postmaster, which began in 1922 on a nine-hole course near Swindon. They are playing weekly for a silver jug and the player who fails to turn up once a week gets it. As to score, the postmaster is 900 up, but that doesn't matter.
