# QUEEN'S COUNTY GUARDIAN

Head Offices in New Prowse Block—Charlottetown.

It is up to the gashouse now. Season opens today.

LIEUT. LAY, R. N., arrived yesterday from England to join the Admiralty surveying steamer *Ellisnor*.

JAMES McKEARNEY, a well known citizen, who has been confined to his home for some time past with blood poisoning is recovering.

THE estate of Mrs. Clara A. Robertson, Boston Street, was sold a auction yesterday by Benjamin Carter. It was purchased by F. W. Hughes for \$1400.

All the furniture and household effects belonging to Winfield Scott will be sold by public auction in the basement of the Lychem, Prince Street, on Thursday May 2. For full particulars see ad in another column.

Two good programs of athletic sports have been arranged for next Monday and Tuesday evenings in the Arena Rink, including a basket ball game each night between the Pelton Giants and two Charlottetown teams, Running races, jumping, contests, gymnastics &c. The dates are May 6th-7th.

The winter steamers have had an extremely long period of service this year. It was on the 8th December last when they went upon the route and they have been at it ever since, five months less a week. Capt. Finlayson of the S.S. Minto says he never recalls a year when the ice was so thick and in such quantities in the straits on the 1st of May as at present. ## Nervous Prostration

IT IS WORRY THAT KILLS, NOT WORK

Work without worry usually tends to prolong life. On the other hand, worry, with or without work, is fatal, because it uses up what the Doctors call the "Lecithin," a phosphorized fat which is the chief constituent of the brain and nervous system—a waste which, if not stayed in time, means complete nervous wreck. The evident moral is "don't worry"—advice easy to give, and in these days of stress and strain practically impossible to take. The alternative is: find some way of replacing the wasted Lecithin—the phosphorized fat. This absolutely essential element will be found in its most perfect, palatable and assimilable form in

## FERROL

an emulsion of Cod Liver Oil and Phosphorus (phosphorized fat) together with iron, the recognized blood builder—making FERROL the ideal nutrient it claims to be.

For the prevention or treatment of nervous prostration FERROL is absolutely unequalled—it is safe, sure and speedy. The formula of FERROL is freely exposed, consequently
