THE STATUS OF POST OFFICE CLERKS.

A bill now before Parliament and awaiting its second reading deals with the salaries of clerks in the city post offices.

The bill first above referred to is strangely unfair and objectionable in its proposals to fix the salaries of clerks in the smaller cities such as Charlottetown, Fredericton, Sherbrooke and Windsor, on a different and lower basis from that of such clerks in the post offices of the larger cities.

The four cities and towns we have named have each a revenue of less than \$50,000. The bill in question provides in effect that no clerk in a post office where the revenue is thus limited can obtain a salary exceeding that of the maximum third class, that is, \$1,000.

FIGHTING AGAINST TUBERCULOSIS.

The Guardian is indebted to Dr. W. H. Pethick for a volume entitled, Consumption, Its Cause, Prevention and Cure, issued by the Anti-Tuberculosis League of the counties of Antigonish, Guysborough and Pictou, N. S.

Nova Scotia enjoys the proud position of being foremost among the Eastern Provinces of Canada in this warfare. It has led the way in providing a provincial Sanitarium at Kentville, which in the past five years has sheltered over 300 patients, and has been fruitful of the best results.

GOOD WORDS FOR THE TUNNEL.

We print in another column an article from the Rome, N. Y. Sentinel commenting on a report made to Washington by Consul Deedmeier in relation to the proposed Prince Edward Island Tunnel.

FIND OUT IF YOU HAVE CATARRH

Don't Wait Till Consumption Develops, Cure Yourself Now.

CATARRHOZONE

In the discovery of this wonderful curative medicine the entire race is given freedom from Catarrhal diseases, including Asthma, Bronchitis and Throat Weaknesses.

HOW CATARRHOZONE CURES.

Miss Worrel is a resident of Clarksville, Da., and has been the means of pointing the way to health of many of her friends.

"I received such extraordinary benefit that I have induced many of my friends to use it also. My catarrh was so bad a year ago that I despaired of ever getting cured. I am sure my lungs were somewhat affected also. The relief I got from Catarrhozone was remarkable. I improved under this treatment quickly, and was cured so thoroughly the disease has never returned."

Get the large dollar size of Catarrhozone; it contains a beautiful hard rubber inhaler and medicine that lasts two months. Smaller sizes, 25c. and 50c. each. Beware of imitations—accept only "Catarrhozone," sold by all reliable dealers or by mail from The Catarrhozone Co., pany, Kingston, Ont.

"Only a few of these big dollar values left. A 90c fancy shirt, 2 handkerchiefs valued at 15c each, one pair of 25c garters, and a set of one-piece cuff buttons, for only one dollar. Think of that. \$1.60 worth for \$1.00. Not many left, so better shop early. H. H. Brown. 6-7421.

post office where the revenue is thus limited can obtain a salary exceeding that of the maximum third class, that is, \$1,000. In Halifax, St. John and other larger cities there are clerks of the second class with a maximum salary of \$1,400 and first-class clerks who may attain a maximum of \$1,600.

The injustice of such discrimination against the clerks in the post offices of the smaller cities is apparent. The post office clerks here have to pass the same examinations, they perform the same duties, they serve during the same hours as the clerks in St. John or Halifax post offices. They cannot fairly be denied like opportunity for promotion and increase of salary.
