Large Crowd Attend Races At Springfield

Sunny Acres race track, situated in a thickly populated countryside and easy of access from Summerside, Kensington, Stanley Bridge, Emerald, Bradabane and a half dozen other centres, again drew a large crowd of spectators on Saturday, Aug. 21st. Railing has been placed on the outside perimeter of the race course, new stables built, saloon booths, etc. The proprietor also proposes to erect a grand stand in the near future. The Bulger and McGuigan sound system worked to perfection augmented by the pertinent and courteous observations of the youthful proprietors. In Class C, Little Scott (Ken O'Hanlon) driven by Edgar Bry-er won in straight heats — paying \$15.00 in the pari-mutuels for the first heat.

Class D had seven starters practically all "green" which posed a difficult job for starter Dewar who was certainly equal to the occasion, and got them away with a minimum of scoring thoroughly satisfactory to the drivers and spectators. All Greenan of Kinkora had the "class" of the bunch in the half mile racing oval. The Lady Marlene who won in straight heats with a comfortable margin. Mr. Robert Dewar of Summerside (garage man) who promotes and fosters ice racing in Summerside made his debut as a starter on half mile racing ovals. The psychological relations between connoisseurs (and they are many) agreed that he did pre-eminently well. His clear and well modulated voice, sincerity of tone in advice and admonishment to the drivers accomplished the desideratum by moral suasion rather than force of authority. The whole ensemble was reminiscent of a good school master who inspires confidence and discipline in his class. The psychological relations between starter and drivers were many, tolerant and sweet accord.

Molyneux And Larter Win Titles

The finals in the ladies and men's singles in the Knights of Columbus tennis tournament concluded with two new champions Miss Helen Larter winning the ladies and Mr. John Molyneux winning the men's.

In the men's doubles, Paul Kay and John Molyneux won their way to the finals over Fred McTague and Michael Hennessey, 6-3, 8-6. The same two also won from Roland Hennessey and Cyrus Vessey 6-3, 6-1. Fred Coyle and Carl Bradley won their way to the finals of the men's doubles by winning from Maurice Flynn and Willie Shephard 6-0, 6-3.

The ladies doubles between Kay and Winnifred Doyle versus Leah McMahon and Barbara Coyle will be played this evening at 8 o'clock. On Saturday afternoon a dainty lunch was served by Misses Kay Doyle, Hazel Martin and Leah McMahon.

The big crowd who sat in on the game in the blistering heat were rewarded for their efforts as they saw a game waged between the two bitter rivals so close that the final outcome was very much in doubt up till the final out.

Slugging a brilliant pitchers' duel the opposing moundmen, Elmer Larter and Joe Bernard gave the fans plenty of thrills as they fought tooth and nail in an effort to give their respective teams the important win. Larter was the most effective of the two as he limited the hard hitting westerners to five hits. One of these five blows was the booming home run of Les Gaudet, hard-hitting third baseman of the visitors. Gaudet walloped one of Larter's pitches into deep right field that went out on the fly past the first house in the field and rolled under a tree. But the fact that the ball rolled under the tree does not take any of the credit from Gaudet as he really tagged the ball. The hit was about the second longest ever to be hit in the new field since its opening this year.

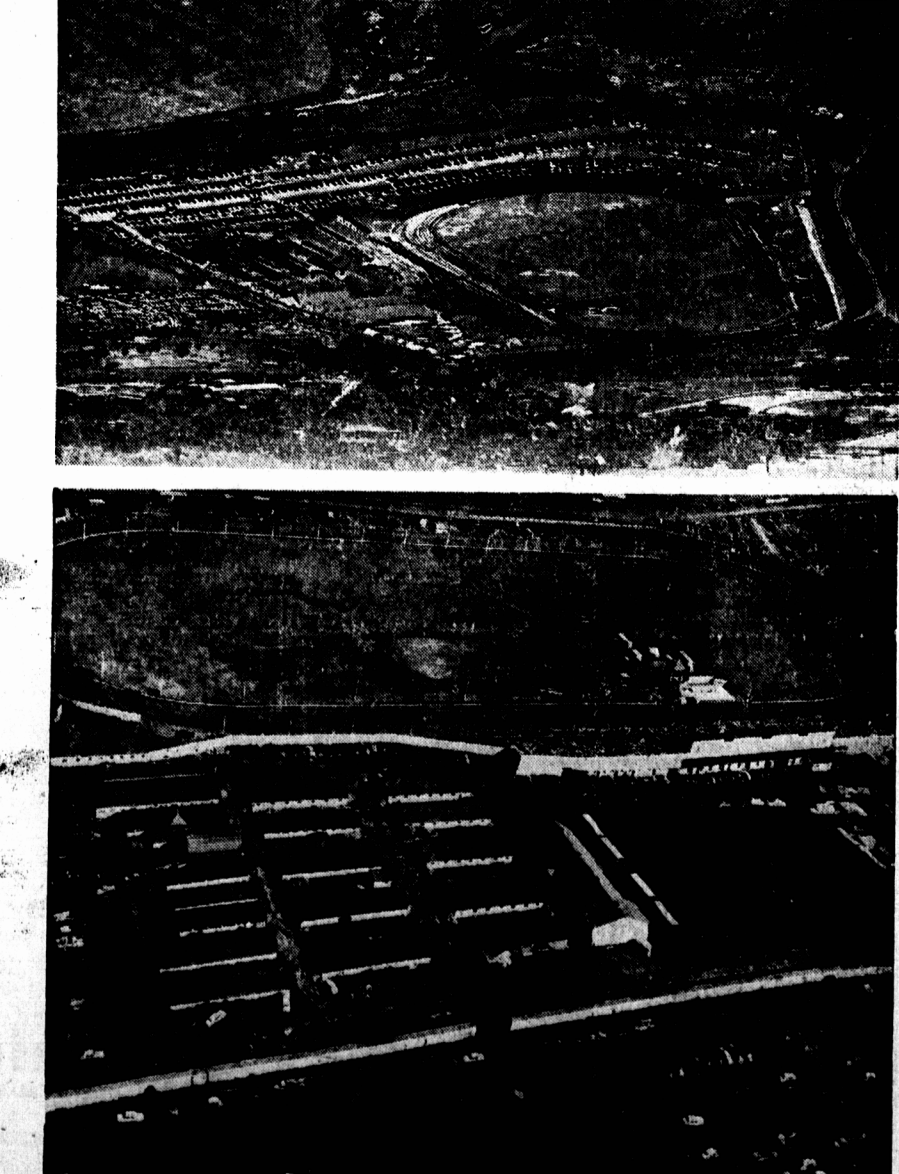

Larter struck out four batters and did not issue a solitary free pass to the initial sack. Bernard spaced eleven hits well enough so that the home team did not get more than a brace of runs off him in the contest. He whiffed five local batters and walked one other player.

The winners opened the scoring in the last half of the second inning as a runner who reached base on a force-out play went all the way around to third on a wild pitch and scored minutes later when Glen Matheson hit the first of his first three hits. Summerside opened the count in the next inning when Gaudet drove a Larter pitch into right field, a blow that was good enough for four bases. The winning run came in the fifth inning when Charlie Ryan, smooth fielding first sacker of the local team hit a triple and scored. But Whitlock smashed out a single.

Showing up for the locals were the winners' infield as Ryan, Johnny Hinson, Whitlock and Joey LeClair handled 37 chances between them. The All-Stars' heavy hitting also showed up as Matheson had three for three, Ryan two for three and Whitlock and "Doc" Goodwin each had two for four.

Heavy hitter for the Summerside team was Gaudet, who had two for three. His other hit was a double. Ryan's triple was the hardest hit for the locals, although LeClair and Goodwin each hit doubles.

The game was featured by the great defensive play of both teams as only a total of three errors were made in the game.

Scenes Of Old Home, Week From The Air

These pictures show the well planned grounds of the Charlottetown Exhibition Association, and the number of cars parked in and about the area give an indication of the immense crowd which was present on that day. The smaller picture on the top right shows the livestock buildings which housed some of the finest exhibits yet seen at any Provincial fair. Below is the midway and section of the packed bleachers. During the week thousands of people thronged the grounds, many of whom were visitors from the mainland and United States.

Remember When

By The Canadian Press

Cleveland's farm boy pitcher from Iowa, 17-year-old Bob Feller, started his first major league ball game 12 years ago today. He struck out 15 startled St. Louis Browns, missing the American League record by one and Dizzy Dean's major-league mark by two.
