Cubs Continue "Shuffle" By Naming Newspaperman As Team's General Manager

CHICAGO, Nov. 14—(AP)—Chicago Cubs, continuing a "rearrangement" of executive personnel which began with the dismissal of team manager Gabby Hartnett, today named a Chicago newspaperman general manager of the club.

The post, a new one for the club, will be filled by James T. Gallagher, 36-year-old baseball writer of the Chicago Herald-American, who on many occasions was extremely critical toward the National League team, particularly during the 2 1-2 years it was under the direction of Hartnett.

Gallagher, a baseball writer who travelled regularly with the Cubs for seven years, said the principal aim of his office would be to "eliminate the confusion which seems to have marked Cub executive matters and to improve the team's relations with the public."

"We will definitely name a manager to succeed Hartnett before the minor league meetings early in December," said Gallagher. "Running the team on the field will be the team manager's job, and his alone. With several promising young players coming up I think the club has possibilities. So far as Dizzy Dean is concerned, I favor taking him to camp and determining once and for all whether he can pitch major league ball."

Meyer Prominent

Meanwhile, the hot-stove-league rumor kettle boiled merrily over the flame of speculation on a successor to Hartnett. While the Cub President, P. K. Wrigley, said he had interviewed no one, the name of Bill Meyer continued to lead the list. Meyer, who is expected to retire as manager of the American Association Kansas City club, said today:—

"I'd be glad to take the Cub job if an offer is made. It looks like a good proposition and it seems to me the team could be built up easily."

Jimmie Wilson of Cincinnati Reds, former Philadelphia Phillies manager who has been mentioned as another possibility, said he would "certainly give the matter deep consideration if I were approached."

Millionaires Get Seventh Winnipeger

SYDNEY, N.S., Nov. 14—(CP)—Millionaires of the Cape Breton Hockey League got their seventh Winnipeg player today with the arrival of left-winger, Grant Hall, who played last year with University of Manitoba. Hall's arrival was delayed by his 30-day military training course, which concluded Friday.

Cattlemen Quit Big Deer Areas

CONCONULLY, Wash., Nov. 14—(CP)—One of this Pacific coast states happy hunting grounds, the Sinlahekin Valley, is a sort of deer heaven for the deer while they're still alive.

To oblige the deer, and hunters, too, the state game department is now chasing the ranchers and cattle out to make it still better.

Officially it's the Sinlahekin Deer Refuge. To state game protectors, it's a rich valley of 17,000 acres of rolling, timbered hills, lower lands covered with browse and green, well-watered bottom land, set down between two towering mountain ridges.

It's ideal winter country for deer, driven by cold and the snowcovered ground out of the hills and mountains. Better still, the department hopes it will solve the problem of the annual battle of Farmers vs Deer.

Each year orchards are destroyed and feed and haystacks raided by deer desparate for food during the long winter months. Even with this "loot" they are underfed and a decimated deer population moves back into the hills each spring. The department expects more deer will move into the valley and leave orchardists and farmers alone, and live well meantime.

Some of the 25 ranchers are already moving out, lock stock and barrel. New cattle-proof fences will be built at the few passes where cattle or other livestock might wander in.

An estimate puts the valley's winter deer population at 1,100 deer. Game department officials say the number may be greatly increased.

It's such a good hunting area that this fall many men shot their bucks within an hour after daybreak. The hunting season lasts three weeks.

Graboski Is Impressive

MONTREAL, Nov. 14—(CP)—Tony Graboski, the whirlwind rusher who played last season with Sydney Millionaires, made his National Hockey League debut tonight with Montreal Canadiens as the Flying Frenchmen went down to a 6-2 defeat at the hands of Toronto Maple Leafs.

Coach Dick Irvin tossed Graboski into his line-up due to an injury to defenceman Alex Singbush, and Graboski impressed the 7,000 fans with his whirling, corkscrew rushes that often ended up right at the Toronto goal mouth.

The former Sydney star was paired on defence with Ken Reardon, the 19-year-old Edmonton Junior. Although he rushed well Graboski appeared to be a bit shaky defensively, with the result that Maple Leafs appeared to be aiming a lot of their plays at his side.

BOWLING BUTCHER KNOWS HIS SPICES

DETROIT, Nov. 14—(CP)—Karl Alder, a chubby Detroit butcher with a scant 126 average, recently accomplished a bowling feat more rare than a 300 game. Karl made the 7-10 split not once but twice in a single game. He accomplished the feat by sending the ball down the alley fast and slicing the No. 7 pin a mighty clip on the far side that sent it at the rear cushion at an angle. Back off the cushion came the pin to spill No. 10 pin.

Pays $6,100 For Brother Of Greyhound

INDIANAPOLIS, Nov. 14—(AP)—Mrs. James B. Johnston of Detroit purchased Grey Fox, yearling full brother of Greyhound, the world's fastest trotter, for $6,100 today at the annual Indianapolis Trotting and Pacing Horse Auction Sale.

This was said to be the highest price of the fall season for a yearling standard-bred horse. The successful bid actually was made by Sep Palin, Greyhound's mentor ever since he was sold here in 1933.

Palin will take the colt and prepare him for his two-year-old form. Others who bid for the much-heralded youngster included Dr. H. M. Parshall of Urbana, O., Harry Short of Columbus, O., and C. M. Saunders of Toledo, O.

Vic Fleming, noted Grand Circuit reinsman from Syracuse, N.Y., gave $1,800 for the yearling Hal Dale pacer, Manners, the highest price of the day for pacing colts. Five yearlings by Hal Dale averaged $1,005.

Dick McMahon of Lexington, Ky., retired manager of Warren Wright's thoroughbred nursery, Calumet Farm, and who gained fame as a harness horse driver by winning the 1932 Hambletonian Stake with Calumet Butler, got back into the sport by bidding $475 for Provident, by Spencer, a former Hambletonian winner, and $1,000 for Uncle Scott, by Volomite.

Beaches, Sarnia Playoff Battle Of All Stars

TORONTO, Nov. 14—(CP)—The Senior Ontario Rugby Football Union playoff between Toronto Balmy Beach and Sarnia Battery will be a battle of all-stars, for these two teams filled all but one place on the Union's mythical squad chosen for The Canadian Press.

Only chunky Eddie Thompson, Balmy Beach alumnus, crashed his way past the Sarnia and Beach stalwarts, for a place on the team picked by coaches and sports writers in the O.R.F.U. cities. They were so sure of Eddie's ability—as a runner, kicker or passer—that they gave him an unanimous call to the club.

Seven Balmy players, the majority of the first-string 12 which engage Sarnia in the first game of the playoffs tomorrow, made the team. Thompson and four men from the Battery complete a squad that has an abundance of power on the backfield, and a defence wall of strong huskies. Here is the team:

Flying wing—Ralph Pery, Sarnia.
Half—Eddie Thompson, Camp Borden.
Half—Don Crowe, Balmy Beach.
Half (secondary defence) —Frank Seymour, Balmy Beach.
Quarterback—Bob Porter, Balmy Beach.
Snap—Nick Paithouski, Sarnia.
Inside — Bruce Barron, Balmy Beach.

Amerks And Hawks Draw

NEW YORK, Nov. 14—(AP)—New York Americans and Chicago Black Hawks played a 2-2 overtime tie tonight as the National League hockey season opened in Madison Square Garden.

It was typical early-season hockey, exciting in spots, as the rebuilt New Yorkers, with half a dozen amateurs from Western Canada and Toronto replacing veterans of other years, held the Hawks even and outplayed them in the overtime, but without breaking a firm defence.

The tie left the Back Hawks in possession of first place in the league, one point ahead of Toronto who defeated Montreal. The split placed the Americans into a three-way tie for third place with New York Rangers and Detroit, each having three points.

The scoring was confined to the first and third periods. Twice the Americans came from behind to overtake their adversaries. The veteran Mush March, taking advantage of a holding penalty to Charlie Conacher, put the Hawks ahead when the game was two minutes old. Lorne Carr got the goal back on a play with Tommy Anderson and Harvey Jackson seven minutes later.

For the rest of the period, all the way through the second and right up to 15:40 of the third the 1-1 tie prevailed. Then Bob Carse feinted his way around Wilf Field and scored. The equalizer came less than three minutes later. With Jack Portland of Chicago serving a penalty, the Americans put on a power play. The puck came across the goal mouth to Murray Armstrong who defelected it into the empty corner of the net.

Coley Welch Wins Decision Over Wadsworth

PORTLAND, Me., Nov. 14—(AP)—Coley Welch, 162 1-2, Portland, won a unanimous decision over Len Wadsworth, 163 1-2, of Timmins and Hamilton, Ont., in 10 rounds of slow mauling here tonight.

Wadsworth looked best in the second round when he shook Welch with a right to the jaw, and in the fifth when, after Welch had backed into a corner, the Canadian fought his way out with stinging lefts and rights.

McCarthy Signs New 3-Year Contract

NEW YORK, Nov. 14—(AP)—Contractual matters between New York Yankees and Manager Joe McCarthy were closed for another three years today when the club received McCarthy's signed contract to pilot the team through the 1943 season.

Club officials said the terms were the same as in the last contract which was believed to have called for $30,000 yearly.

Goldup And Langelle Pace Toronto Maple Leafs To 6-2 Victory Over Canucks

MONTREAL, Nov. 14—(CP)—Toronto Maple Leafs made use of their greater experience tonight to score their second National Hockey League victory in three starts, defeating the rookie-stocked Montreal Canadiens 6-2 before about 7,000 fans.

Pratically toying with their opponents at times, the Maple Leafs scored two goals in each of the three periods while the best that Canadiens could do was a pair of goals by Louis Trudel, making his first start of the season after missing the first two games because of an injured knee.

Henry (Hank) Goldup, lanky sophomore star and linemate Pete Langelle paced the Toronto pointmakers by each tallying twice as well as picking up an assist. The two other Toronto goals went to Reg Hamilton and Nick Metz.

The Leafs seemed able to match the Flying Frenchmen in speed at any time, threw up a better defence and had better goaling. Once they took the lead on first period goals by Hamilton and Metz they seemed content to just bide their time and wait for openings.

Canadiens appeared unable to fathom this system and once the Leafs had allowed the pace to slacken never seemed able to set their own tempo.

Inability to make any headway while Leaf men were in the penalty box also was costly to Canadiens, for Leafs took nine of the 13 penalties handed out by referee Mickey Ion. Canadiens always looked better when both teams were at full strength.

Lineups:

McEachern Gets Overtime Goal In Sydney Win

GLACE BAY, N.S., Nov. 14—(CP)—Two overtime goals fired by Johnny McCreedy of Winnipeg and Bud McEachern of Charlottetown gave Sydney a 5-3 win over Glace Bay tonight in a Cape Breton Hockey League game studded with 15 penalties.

Except for a first-period goal by Wininpeg's George Snell, McCreedy and McEachern handled the brunt of the Millionaire's scoring. Besides their overtime tallies, each got one in the second to give Sydney a 3-0 lead.

Glace Bay made a desperate comeback in the third session as Boots Baird, George Newbolt and playing coach Jo-Jo Graboski all rattled in goals in the first 10 minutes to tie up the game.

Young Keith Langille of Charlottetown, sub-goalie for Sydney, handled the netminding chores tonight and turned in a capable performance.

Announces Signing Of Joe Louis

PHILADELPHIA, Nov. 14—(AP)—Promoter Herman Taylor announced today the signing of Joe Louis to defend his heavyweight title in a bout here in January against the winner of the Gus Dorazzio-Clarence (Red) Burman bout.

The date will be fixed later, Taylor said. The fight probably will be staged in Convention Hall.

Decoys Worked With Big Fish

WASHINGTON, Nov. 14—(CP)—Fish decoys used to lure fighting tarpon to the surface of the water may be a development of the future in the realm of sports fishing. Although the use of decoys to entice ducks and other wild fowl is a device long familiar to huntsmen, use of a decoy is not so common among fishermen.

Development of the tarpon decoy in experiments which should prove of interest to game fishermen was brought about through investigations by Dr. Arthur Schlaifer, former New York Aquarium scientist, at the Woods Hole, Mass., biological laboratory of the Fish and Wildlife Service.

Schlaifer observed that the air-gulping rise of the tarpon is often induced in one fish by the rising of another. He used fish-shaped models. Following the leader like sheep, tarpon rose to the surface.

MacPhail Hoping For The Best

NEW YORK, Nov. 14—(AP)—Larry MacPhail, Brooklyn's Jack-of-all-trades, didn't mean to suggest that the $100,000 he put out for pitcher Kirby Higbe was money down a rat hole, but his illustration of the method of building a winning baseball club left that impression.

"Suppose," he said, "a man had a barn full of rats, and eight rat holes. One year he plugs up two rat holes. He still has the rats. The next year he plugs up two more. He still has rats. Then he plugs one. Still rats. And finally he plugs up the last hole, and no more rats."

MacPhail meant to infer that the $100,000, plus three players, he gave for Higbe was cheap if it meant closing up the last rat hole in the Brooklyn barn—the weakness in the pitching staff.

He isn't promising that Higbe will bring the National League pennant to Brooklyn, but he is hoping for the best.

Air Force Basketball Team Turn Back Saint Dunstan's Squad 35-19

Led by brilliant "Tex" Johnson, rangy Louisiana hoopster the Air Force basketball team yesterday chalked up their second straight victory over an Island hoop squad as they sent St. Dunstan's team down to a 35-19 defeat in an exhibition fixture played at the Holy Name Club gymnasium.

Johnson stole the show as he shot six field goals to account for a third of his team's total. Both teams started away slowly with emphasis being stressed on the defense but the game gradually speeded up to wind up in a blaze of action as the surprisingly strong S.D.U. squad tried to cut down their opponent's lead.

Leading the losers scoring parade was Maurice Smith with eight points. "Black Mike" Avise and Ferguson of the winners accounted for six points with Pius Murnaghan of the Saints also getting a like number.

The game produced lots of fast combination throughout with the Air Force's greater experience and better shooting playing the leading role in their victory.

The lineups:—

Air Force: D. J. Elton 4; H. K. Johnson 12; B. T. Krug 5; J. K. Ferguson 6; J. R. Sullivan; D. K. Kibbe 2; "Black Mike" Avise 6—35.

S.D.U.: P. Murnaghan 6; J. Chisholm, F. O'Neill, 5, N. O'Hanley, P. Sharkey, M. Smith 8—19.
