If Belgium Were "Next-Door" To Canada

- if the heavily-charged electric wires, that pen the people into a workless and almost foodless land, ran along our frontier
- if instead of reading of Belgian sufferings we heard the pitiful tales from the lips of escaped victims
- if we could see the long and hungry bread-lines of people as intelligent and once as prosperous and comfortable as ourselves
- if we could watch the thousands of emaciated children who are fed at the schools by the Belgian Relief Commission
- if what they are enduring, and their desperate need, were clear and vivid to us, instead of unreal and overseas
- then the great hearts of Canadians would be moved, and there would be no trouble in raising several times our present contributions to the Belgian Relief Fund.

Can we bring the urgent need of the hungry Belgian mothers and children home to YOU? Can we enlist YOUR active sympathy for those whose very lives depend on the prompt and continued help of people like yourself? This Fence Has Vast Strength

For a fourth less than the price we pay, we could get hard-drawn steel wire. But that kind, though used in most other wire fences, hasn't the life, the springiness, the strength we insist on for Maritime Wire Fence.

So we make this fence of extra-heavy hard drawn steel wire of nine-gauge. Constantly we test it for quality. And so we know this fence has more strength than it probably will ever need.

Yet the price of Maritime Wire Fence is no higher than you must pay for ordinary fence. But the life of the Maritime Fence is far longer—and the fence surely reliable.

On this extra-quality wire we put a smooth, even heavy coat of galvanizing. We put on

more than enough—that's one way. You gain by the longer life of this better fence. And we lock laterals and uprights rigidly, yet springily, with a cross-leverage lock that simply CANNOT let go under the hardest strain.

You can bank on the strength of this fence. Make the test for yourself and your neighbors. Then get the agency—it will pay you well. Address NEW BRUNSWICK WIRE FENCE CO., Ltd., Moncton, N.B.

WEDDING BELLS.—The marriage of Mr. Walter Casford, of Charlottetown, and Miss Julia A. Steele, of Lower Montague, P.E.I., took place in Antigonish on Tuesday, Jan. 16th. The marriage was performed by Rev. Father McAdam, in the Bishop's palace. The bride was attended by Miss Sarah McGillivray, of Antigonish, and Mr. Andrew McGillivray supported the groom. After the ceremony the young couple returned to Trenton, where they expect to make their home in future.

FOURTH SON TO ENLIST.—The Alberton correspondent of the Pioneer says:—"Mr. Alex. Bennett, son of Mr. and Mrs. Charles Bennett, who enlisted in the navy, went to Charlottetown on the 30th ult., to undergo the physical examination before acceptance. It is worth noting that in this connection that Mr. and Mrs. Bennett have already three sons somewhere in Europe, in the ranks. Alex. making the fourth. This is surely an enviable record, and although the parents may look upon this last enlistment with tinges of pride and sorrow, still a laudable regret must not be felt as the fourth boy offers his services to his King and Country.

ST. LOUIS FUR SALE.—Mr. Chester McLure, of this city was in St. Louis, Mo., "the Fur City" on Jan. 20th. The offering of silver foxes on that day of the sale was 450 skins. He writes to a friend saying that the majority of these were of an inferior quality and while the price seemed low considering the grades, Mr. McLure says the prices were very fair. The sale on silver fox opened with the sale of one silver fox named "Sir Roger." This male was of a fair quality being half silver and half black. It had been confined for some time in a small cage which made his fur look poor. The first offer made for the animal was \$300, and the price from that went up to \$550, the fur dealer who paid, thus presenting the fox to the Zoo Garden of St. Louis.

AN ISLAND LADY.—The following is a clipping from a St. John Daily:—"From Fredericton comes word to the Times that Miss Mary Chaisson, daughter of Mr. and Mrs. Angus A. Chaisson, King St. east, has received another recognition of her cleverness and efficiency in her studies. This time Miss Chaisson wins a prize offered by a citizen of Fredericton for the highest mark made at the Christmas examinations in the senior class at Normal School. Dr. H. S. Bridges, Superintendent of the St. John city schools, made the presentation, which was \$25. He referred to the brilliant course of Miss Chaisson and to her winning already six medals in St. John, some of them in competition with the whole province. As regards medal winning, Miss Chaisson has established a record equalled by few in these provinces. (The talented young lady above referred to has many relatives on the Island; being a niece of Mrs. John Whelan, Cove Head.)

The district of Cove Head and vicinity was saddened on the morning of Friday, January 26th, when the news was made known that Katherine Power, had passed away at the early age of thirty years. All that medical skill and tender care could do was of no avail, and on the morning of January 26th, her gentle spirit went forth to meet her Redeemer in whose footsteps she had walked during her brief, bright life. "Heaven gives its favourites an early death" but the many friends and relatives who knew and loved her in life, will miss, and mourn her death. Unselfish, sincere, and gentle as sister, daughter, friend, humble and devoted as Christian, there will long remain an aching void in the exemplary home she left, and in the hearts that shall know her no more. During her last illness she was attended by her kind pastor, Father MacIntyre, and received all the comforts of her religion. The funeral on Sunday afternoon, was very large, bearing testimony to the many who mourned her untimely death, and who wished to pay the last sad tribute of love as her remains were laid in the quietude of St. Eugene's graveyard, there to await the dawn of a glorious resurrection. She leaves to mourn besides her mother, one sister and three brothers—Grant her, O. Lord, eternal rest and let perpetual light shine upon her."

ROYAL MEMENTO.—Sergt. Major J. J. Trainor of the 105th Battalion was recently visiting London, the guest of the Maple Leaf Club. He secured three photos of the King's State Carriage, the King's two chargers, and the Royal News which he has kindly sent to the Guardian to show to any of its readers who may care to see them.

DESIGNS SUCCESSFUL.—Messrs. C. B. Chappell and Hunter, Architects, of this city, have been successful in the competition for the proposed new Roman Catholic Church, at Whitney Pier, Sydney, C. B. This Church, which is to be of brick and stone, with stone roof, will have a seating capacity for one thousand people. It will measure 120 feet in length by 90 feet in breadth at the transepts. It will cost about \$60,000.

A HERO ILL.—Mr. Thomas White, confectioner, city, has received word that his son, Corporal Harry White, of the 26th Battalion, is in a hospital in France, suffering from appendicitis. Corporal White enlisted in Charlottetown in November, 1914, and has been in the trenches continuously since September, 1915. This is the first time that he has been incapacitated for service since he enlisted. Corporal White is one of the forty-nine remaining of the original twelve hundred members of the 26th which went into action at the "battle of the Somme" in September, 1915—the same fight in which Private John McLean, of Charlottetown, met his death. He took part also in the sanguinary engagements at St. Etloi, Courcellette, Hooge and Kamel.

ISLANDER WOUNDED.—Private Fred Rice of the 87th Grenadier Guards, of Toronto, son of Mr. Fred Rice, of Charlottetown, is officially reported wounded. It is seven years since Mr. Rice left Charlottetown and went to Toronto to live. He enlisted in the 76th Battalion, of Toronto, but took sick while the Regiment was in England. In the meantime the 76th had crossed to France and upon his recovery Mr. Rice was drafted into the 87th and went into the trenches last November. Previous to enlisting he held a good position in the Steel Works at the Welland Canal, and was later on garrison duty at Niagara. His wife, formerly Miss Jenkins, of this city, and family reside in Toronto. Mr. Rice was one of the leading hockey players of Charlottetown some years ago. His many friends will hope that his wound is not of a very serious nature.

The death occurred at Pisiquid on Sunday, Jan. 28th inst., of William Gillis, son of the late John Gillis, at the age of sixty-seven years. He had been in falling health for some time, past, but able to go around till a few days previous to his death. He was attended in his dying hours by Rev. A. P. McLellan, St. Andrew's, who administered the rights of the Roman Catholic Church of which he was a consistent member. He leaves to mourn two brothers and one sister, Angus on the old home, Adolphus in Shelburne, N. S., and Mrs. Angus McDonald of Pisiquid East. The funeral which was at St. Andrew's cemetery on Tuesday morning though stormy was largely attended, people coming to pay their last tribute of respect to their kind friend and neighbor. The pall-bearers were James McLaughlin, D. J. V. McDonald, John W. Jay, Artemas Cook, A. R. McDonald and Allan J. McDonald. (Patriot and Examiner please copy.)

The death occurred on Jan. 24th, at the Prince County Hospital, of Annie Ruth, dearly beloved daughter of Mr. John F. and Mrs. Pursey, of North Rustico, at the early age of twelve years, due to pneumonia, following an operation for appendicitis. Her death came as a great shock to the family and friends. She will be missed by class-mates in the day school, and in the Sabbath school, but most of all in the home, where she was a special favorite; without her sweet, gentle presence that home can never be just the same again, but to the sorrowing ones, Heaven will seem nearer, and the joys of that "Better Home" more real, because of the fair young life "safe within the vale."

"Beckoning hands at the gateway to night; Faces all shining with radiant light; Eyes looking down from yon heavenly home. Beautiful hands, they are beckoning 'come'."

The funeral, which was very largely attended, took place on Friday, the 26th from North Rustico church. The service was conducted by Rev. John Stirling, who preached an earnest and eloquent sermon from Rev. 21:5. "Behold I make all things new." The choir and congregation sang softly, "Safely, safely gathered in, 'Safe in the Arms of Jesus,' and the solo, "Some Sweet Day, Bye and Bye," was sweetly rendered by the organist, Mabel Woolner. The pall-bearers were, Weston Rollings, Charles Toombs, Roy Pursey, Eddie Hamilton, Roy Woolner and Lorne Houston. Interment was made in Cavendish cemetery.

RECEIVES COMMISSION.—Percy Jardine, the soldier son of Mr. A. J. Jardine, of the P. E. I. R. recently received a commission and is now a full-fledged Lieutenant. Percy enlisted in Battleford, went to England as a signaller, rose to the rank of staff sergeant, and made a number of efforts to get to the front. He finally succeeded in getting there, but he went as a private and fought, for eight months in the trenches. On his return to London he was tendered his commission in a Reserve Battalion. He left Canada with the Fifth Division, but was afterwards transferred to another.

Never perhaps was a neighborhood so deeply shocked as when on Sunday night, January 21st, 1917, the news spread of the very sad, sudden and unexpected death at the age of only seventeen years and six months of Jessie Elizabeth Hanson, youngest daughter of Mr. Wm. Hanson, Tyne Valley. Left an orphan at the tender age of one year and six months, and thus without the care and protection of a loving mother, she grew up to much the companion of her father, now bowed with grief almost too great to bear, that especially to the father now passing through the deep waters of so great a trial and sorrow goes out the most heartfelt sympathy of friends and neighbors. The funeral took place on Tuesday, 23rd, and although the day was very cold and stormy, was well attended. The remains were laid to rest beside her mother at Port Hill cemetery. The service which was very impressive, was conducted by Rev. Mr. Bamford, Rector of Port Hill. The pall-bearers were Ernest Ellis, Wilfred McDonald, Ernest Briggs and Edison Williams. To the sorrowing father, brother and sister-in-law, at home, and the four sisters and two brothers absent, the most sincere sympathy of the community is extended.
