EVER

SINCE

We have been in the grocery business we have made a specialty of good coffee but we have never sold better coffee than we are selling right now. Our customers are not only satisfied with it, they're pleased with it, that's what they tell us and that's what they tell their friends, and when their friends try it they talk about it too. Now coffee must be mighty good when everybody keeps on talking about it. If you will try a pound of our coffee you will find that everything you heard about it is true.

ROYAL STEWART FLOUR

This the best flour for general family use that we have handled for years. Having a large proportion of Manitoba No. 1 Hard Wheat in it gives it great strength and it will take more water in mixing and go much further than ordinary flour.

Besides making first class loaf bread it will also make the finest and whitest pastry.

Give it a trial when you want another barrel of flour and you will be both pleased and satisfied with it.

A GARDEN party was held Thursday evening at the residence of Mr. Clarence White, Montague. Almost one hundred were present and if smiling countenances bespeak pleasure everyone enjoyed himself or herself thoroughly. The orchard of Mr. White was lighted up with Chinese lanterns, while tables of straw berries, ice-cream and take were spread under the trees. The Brass band furnished excellent music. The ladies of the Methodist Church are deserving of praise for their pains in preparing such an enjoyable time.

THE CAUSE OF DYSPEPTIC PAINS

They rise from the formation of gas owing to improper digestion. A very prompt and efficient remedy is Polson's Nerviline. Nerviline is also highly recommended for cramps, colic, summer complaint and inflammation. Sold in large 25c. bottles everywhere.

THE WESLEYAN SAYS:—The Editor, pro tem., was glad to welcome Rev. J. L. Dawson, B. A., of George St. Church, St. John's Nfld., at the Wesleyan office, on the way to P. E. Island. He reports Rev. Jno. Pratt as president of the Newfoundland Conference. We should judge that Mr. Dawson finds himself as to the manor born in his St. John's charge; finding there a fine field for congenial and successful work.

THE many friends will be pleased to learn that the trustees of the New London school have been successful in securing the services of Mr. James Profit, Kensington. C. placed on the list the third highest student so that the people may naturally expect good results from that section."—Com.

A Winnipeg despatch to the Montreal Star says: Premier Farquharson, of Prince Edward Island, arrived in the city yesterday, accompanied by Mrs. Farquharson, on a pleasure trip to Vancouver and return via the United States. When questioned regarding his political intention the Premier informed your correspondent that he had decided to resign and contest the seat which will shortly be left vacant by Sir Louis Davies, Minister of Marine. The prohibition act, passed by his Government, he said, was working well.

HERE is what the Montreal Star says: In view of the fact that the charming little "Garden of the Gulf," Prince Edward Island, has been part of the Dominion of Canada for close upon thirty years. it almost seems as though those who get up her steamboat and railway time tables might recognise the boundaries of Canada. It does not help the tourist in his geography to read on the Island that he can make "connection at Moncton with train for Canada and N. B., at St. John with C. P. R. and railway for U. S. and Canada," etc.

IT is understood that the Full Electric Company have purchased the plant of the Royal Electric Company in this city and the president of the company has called a meeting of the stock holders to confirm this purchase. The meeting will be held this morning at 11 a. m. in the Board of Trade Rooms, McEacherns, building Queen Street. The Gas Company will join with the Full Company. All the lighting of the city will be run under the one management. We have been creditably informed that it is not the intention of this company to charge exhorbitant rates pecause they have the control but to earn a fair dividend for the stockholders which they have been unable to do up to he present time.

THINKS THEY ARE GOOD.

Like Everybody Else who has Given Dodd's Kidney Pills a Fair Trial.

ST. ELIZEAR, Que., July 1.—(Special).—Jean Poivus, of this place, has a very light opinion of Dodd's Kidney Pills. He has tested their merits and knows whereof he speaks.

Wherever you go throughout the broad Dominion you will have a hard task to find anyone who having given Dodd's Kidney Pills an honest chance to cure them are still dissatisfied.

Jean Poivus says, 'I think Dodd's Kidney Pills are good. They cured me of kidney disease, with which I suffered and which at night forced me to rise every hour. Today I am well. I sleep without having to get up in the night. You can believe me I am glad to have regained my health.

"Thanks a thousand times to Dodd's Kidney Pills!"
