Rousing Conservative Meeting At O'Leary

A resolution strongly protesting against the "deplorable state of inefficiency" of Island transportation facilities was passed at the annual meeting of the West Prince Progressive Conservative association yesterday. The resolution referred to the possibilities of a tieup in moving farm products for the fall season and urged the Government "to proceed with all possible speed with getting the new ferry in operation for the coming season and to provide sufficient refrigerator cars to handle all produce offered as required."

The Government was also urged to set by order in council the time to be observed throughout the Province, thus eliminating the present confusion caused by observance of daylight time in urban sections.

The meeting, which was held in O'Leary, was largely attended and enthusiastic.

Mr P. M. McCaull presided. The retiring officers were re-elected as follows:

President: P. M. McCaull, Ellerslie.

Secretary-Treasurer: Harold A. Jelly, O'Leary.

Vice President, 1st District: Peter Burke, Tignish.

Vice President, 2nd District: Earl A. Ellis, O'Leary.

Vice President, 3rd District: John F. Arsenault, Wellington.

Press committee: George Matthews, H. A. Jelly, O'Leary, Don Grant.

Credential committee: George A. Doucette, Tignish. Augustus Peters, Duvar, W. A. Smith, Victoria West; J.B. Morrissey Tignish; Allison Horne, O'Leary.

Resolutions committee: C. P. McCarthy, Tignish, Sanford Phillips, O'Leary, Earl Ellis, O'Leary, Alfred Frost, Northam, James O'Brien, Elmsdale.

The Poll chairman were all reappointed with two exceptions.

President McCaull congratulated Mr. Clarence Morrissey, M.L.A. on his sensational victory in the by-election in First Prince. He went on to give an inspiring address in which he emphasized party prospects and objectives.

Rousing addresses were also given by Hon. Dr. W.J.P. MacMillan, O.B.E., provincial party leader; Messrs. B. Roy Holman, president of the Provincial Association and vice president of the National Progressive Conservative Association; Clarence Morrissey, M.L.A.; Lt. Col. E. H. Strong, Summerside; James Pendergast, Kensington, Allison Horne, O'Leary R.R.; C. P. McCarthy, Tignish and Austin Ramsay, Conway.

The resolution on transportation was moved by C. P. McCarthy, seconded by Alfred Frost, and caused general discussion. Several speakers denounced the disgraceful facilities at Borden and Tormentine, Mr. Austin Ramsay in particular citing facts in this connection.

The resolution on Time was moved by Mr. Phillips and read as follows:

"Whereas considerable confusion is caused by Daylight Time in this Province, and whereas this so-called Daylight Time works to the detriment of agriculture in particular and the citizens in general, therefore resolved that we ask that our time be set by order-in-council, therefore eliminating confusion to the different parts of the country; and we would ask that a copy of this resolution be forwarded to the Premier of this Province and the members of the executive."

Other resolutions voiced were passed voicing continued confidence in the provincial leadership of Hon. Dr. MacMillan, (moved by C.P. McCarthy, seconded by Earl Ellis); expressing approval and indorsation of the policies of the Dominion and Provincial leaders (moved by Alfred Frost, seconded by James O'Brien); and also confidence in the national leadership of Hon. John Bracken (moved by Mr. McCarthy, seconded by Mr. Phillips).
