

MONDAY

WEDDED AT HALIFAX.—Mr. Jimmie Goode, son of the late James Goode, barister, formerly of Charlottetown, and who has distinguished himself as a comedian with the Dumbells, was recently married at Halifax to Miss Winnifred Mae Stewart of that city.

ATTENDING IMPORTANT MEETINGS.—Dr. S. R. Jenkins and Dr. Johnson leave this morning for Toronto to attend the meeting of the Council of the Canadian Red Cross and the National Educational Council. These meetings, which will continue all this week, will be largely attended by delegates from England, France and other European countries as well as Canada and United States and among the speakers will be men of world-wide reputation in educational activities.

WEDDING BELLS.—The marriage took place in St. Mary's Church, Dover, New Hampshire, on Feb. 12th of two former Charlottetown people, Miss Elizabeth (Queenie) McDonald and Mr. Frank Doyle, Rev. Father Belford officiating. Mr. Doyle is a son of Mr. and Mrs. Philip Doyle, Westmore St., has a good position with a shoe firm in Dover where he and Mrs. Doyle will reside. Mrs. Doyle is a niece of Mrs. John Doyle, Sydney St. Their many friends here wish them every happiness.

—Their friends will regret to hear that Mr. Oliver McNeill, New Perth and family are confined to the house with a severe attack of Flu, and a relative who went to their aid is now seriously ill. Mr. McNeill was compelled to go out to look after his stock before being fully recovered and is now suffering a severe relapse, being confined to his bed for some days, but under the skill of Dr. McIntyre and a good nurse it is hoped to hear of him soon being around again.

A PAINFUL ACCIDENT.—While travelling on the train a few days ago Mr. W. E. McKinnon of Ulgit met with a very painful accident. A sinder from the engine went in his eye, causing him much inconvenience for a time but is much better at present writing.

THEY WALKED IT.—Of the many marooned by the latest railway tie-up perhaps the keenest sympathy goes out to the students who were unable to get home for the long looked for Easter holidays. A party of boys and girls from the eastern part of the province engaged a teamster to drive them to Montague and Murray Harbor but at the last moment when the happy youngsters were all logged up for the thirty mile journey the driver to their bitter disappointment, used the bargain and gave it up fearing the undertaking was too strenuous. Two plucky lads, Norman McDonald, Murray River, and Ethelbert Brehaut, Murray Harbor having their own opinion of the weather started for home Thursday on foot and arrived safely after a walk of nearly forty miles.

SUMMERSIDE BOY SCOUTS ORGANIZED.—Mr. V. F. Maddigan of the Provincial Boy Scouts Council returned from Summerside Friday last where he was representing the Council in organization work. His trip was most successful. A troop of more than fifty boys has been formed and the services of Mr. Charles Hensley, Manager of the Bank of Commerce, Summerside, have been secured. Mr. Hensley is quite interested in this branch of boy's work and Summerside will no doubt possess ere long one of the best troops on the island. Col. D. A. MacKinnon, D.S.O., Commissioner for P.E. Island, is taking keen interest in the Scout movement here. Having been overseas, he has seen the splendid work of the Scouts in England, France and Belgium, and knows what may be accomplished with our own boys. It is through Col. MacKinnon's efforts that the Scout work is becoming so popular since and many boys are happier than ever before.

FACING SERIOUS CHARGE.

Caught early Saturday morning while in the act of burglarizing Reddin Bros store, a young man appeared before the Stipendiary Magistrate Saturday afternoon and was remanded until next Saturday owing to the absence of the Crown prosecutor. It seems for some time there was a suspicion that goods were disappearing from the above named store and in one instance a young lad who hangs around the premises was apprehended, but given another chance by the manager. Friday night Mr. Ivan Reddin suspected something wrong when he noticed, at closing up time, a bolt or lock open on a door in the Rose and Grey Tea rooms. He decided to wait and see what would be the outcome. Turning out all the lights he remained in the store and before long he heard some one on the premises. Quickly turning on the lights he found the intruder going through the pen and pencil case. He immediately ran for the stairs leading to the Rose and Grey with Mr. Reddin closely following. The latter quickly switched on the lights in the tea room and seized his man. Mr. Reddin phoned for the police and officers Wm. McInnis and Jos Trainor arrived and took the prisoner to the station. Bail was fixed by His Honor at \$1,000.

PASSENGERS DROVE TO TORMENTINE.

The car ferry made a trip yesterday evening leaving Tormentine at 7.30 and docking at Borden a few minutes before 10 p.m. She carried over fifty passengers but no mails or freight. This was owing to a tie up on the other side, the Tormentine train being stalled at Melrose, ten miles from Tormentine. The passengers drove to the steamer. The condition of the railway lines remain the same. The main line to Borden and Summerside is open, but west of Summerside and south and east of Charlottetown the plough trains are meeting with considerable trouble.

A shocking railway fatality occurred on Saturday afternoon between Wiltshire and Hunter River when Mr. William McKinnon, of Wiltshire a section man, while working with three others in a cutting about two chains east of Johnston's Road crossing was caught by the 4 o'clock train from Charlottetown and killed under the engine wheels. The trainmen were unaware of the accident until the mangled body of the unfortunate man was found under the engine when the train halted at the tank at Hunter River.

Edison Easter, H. Monaghan and W. Campbell were shovelling snow with Mr. McKinnon in the cutting, when they heard the approaching train. They dropped their tools and ran for the crossing, reaching it in safety. Mr. McKinnon did not attempt to run, and he evidently thought it would be safe to stand close to the bank while the train passed. The train was coming down grade and at considerable speed. The plow ahead prevented the engine driver from seeing anything of what occurred. The horrible tragedy happened in the flash of a second. When Easter, Monaghan and Campbell ran back into the cutting after the train had gone by, they found only the victim's cap and his broken shovel. The trainmen, stopping at the tank at Hunter River, saw blood on the engine wheels and looking under the train, the body of the unfortunate man was discovered and taken into the waiting room at the station. Dr. Rogerson, coroner, was summoned. After viewing the remains and taking the statement of the survivors he decided that no inquest was necessary, death being purely accidental. Undertaker D. M. McLeod took charge of the remains and accompanied them back to Wiltshire on an extra train coming from Emerald.

The deceased was a highly respected young man about 28 years old. He was unmarried and is survived by his mother, three brothers and five sisters.

The accident occurred in the same section as the tragedy that resulted in Mr. Stewart's death in

CORNS

Lift Off with Fingers

Doesn't hurt a bit! Drop a little "Freezone" on an aching corn, instantly that corn stops hurting, then shortly you lift it right off with fingers. Truly!

Your druggist sells a tiny bottle of "Freezone" for a few cents, sufficient to remove every hard corn, soft corn, or corn between the toes, and the calluses, without soreness or irritation.

the same way a few weeks ago. The banks of the cutting are not particularly high, but are slippery and almost impossible to climb.

Had the four men been working a little further along the cutting they might never have been able to regain the crossing in time, and a tragedy even more terrible than what took place would have followed.

ACCIDENT AT BORDEN

Another bad railway accident occurred about noon on Saturday at Borden. Mr. George Hennessey, a brakeman, standing on the step of the engine while the train was shunting in the yard, was caught against the side of the snow bank and badly crushed. He was taken to Prince County Hospital, where he was reported last night as resting better. He fortunately escaped without broken bones, but received a bad shaking up. Mr. Hennessey, who belongs to Tryon, is a returned soldier.

DOMINION APPOINTMENT FOR MR. F. T. MORROW.

Mr. F. T. Morrow has been appointed Inspector of Creameries, Dominion Official Grader of butter and cheese for this province. Mr. Morrow has long enjoyed the confidence and respect of the farmers who will be pleased to hear of his deserved promotion.

DEAD.—The death took place at Union Corner on Sunday of Mrs. Daniel Morrison the deceased is survived by her husband two sons, Watson and Percy and one daughter, Miss Belle Morrison and four brothers, Samson, Adam, and Benjamin Muttart in Western Canada and one sister Mrs. Freeman Clark Edmonton. The funeral was held on Tuesday afternoon.

RETURNED FROM SACKVILLE

Mr. William Cain, New Perth, returned to Charlottetown yesterday morning from a visit to Sackville to which junction he accompanied his niece Miss May Donahoe, who is on her way to Montreal for an operation. Mr. Cain saw Miss Donahoe and her sister Gertrude safely on the pullman at 12.40 on Saturday and left Sackville immediately for Charlottetown at 4.30 a.m. passengers spent Easter morning at Melrose—an Easter they are never likely to forget. Among the passengers was the Rev. Mr. Murchison, of Malpeque, who led the company in silent prayer. Mr. Cain asks the Guardian to express his appreciation of the services and attention of all the railroad officials "from the shovellers up to the superintendent."

LAI D TO REST.—The funeral of the late Mrs. Samuel Lowe took place Sunday afternoon at the People's Cemetery. Rev. H. D. Raymond officiating. The pall bearers were: Donald Fraser, Simon Paoli, Norman Campbell, Colonel Leigh, Major MacNutt and Dr. S. N. Warburton.

ORPHANAGE RECEIVES GRANTS.

A handsome grant of \$500 was voted by the Grand Orange Lodge at their Summerside session last week towards the P. E. Protestant Orphanage. This donation, needless to say is very much appreciated by the directors and will be expended wisely and well. Another handsome sum of \$232.57 has been received from the ladies of Lot 48, who made up the proceeds in basket socials.

RETURNS FROM CONVENTION.

Mr. W. R. Shaw, returned yesterday from Toronto where he has been attending the annual meeting of the Canadian Council of Agriculture. The Council is a nonpolitical body and deals with questions of economic social and educational character, of vital importance to the provinces. At the late meeting it was decided to accept the application for membership of Quebec and the Maritime Provinces. The Council representing as it does a vast body of farmers throughout the Dominion should prove of great service in emphasizing Maritime and Mr. Shaw intimates that some of these questions will be taken up for consideration at the next meeting.

DOMINION APPOINTMENT FOR MR. F. T. MORROW.

Mr. F. T. Morrow, Inspector of Creameries, has been appointed Dominion Official Grader of butter and cheese for this province. Mr. Morrow has long enjoyed the confidence and respect of the farmers who will be pleased to hear of his deserved promotion.

A very sad accident occurred at Little Pond last Tuesday when Mr. Charles Dingwell of that place sustained injuries which resulted in his death.

It appears he and a couple of men were working in the woods when a tree fell on him breaking his leg and injuring him internally. He remained unconscious for a long time only regaining consciousness shortly before his death which occurred on Thursday.

His funeral which was very largely attended was held on Saturday.

The sympathy of the whole neighborhood goes out in sympathy to the sorrowing friends.

Charlie was one of nature's noblemen and he has left a void in a family and community which can never be filled. Besides a wife and four small children he leaves an aged mother and three sisters all of Annapolis and Little Pond.

The sixty-second annual meeting of the Right Worshipful Grand Orange Lodge of Prince Edward Island was convened Wednesday morning, March 28, in the Oddfellows Hall of this town.

Owing to a snow fall and a prevailing wind the train from Charlottetown was delayed while the Western train was stalled near Wellington, and remains in that position at time of writing.

Notwithstanding that a great many of the delegates were unable to reach Summerside the attendance was most creditable to the order. Some coming as far south as High Bank and Belliveau.

Thankful Mothers

Once a mother has used Baby's Own Tablets for her little one she would use no other. The Tablets give such results that the mother has nothing but words of praise and thankfulness for them. Among the thousands of mothers throughout Canada who praise the Tablets is Mrs. David A. Anderson, New Glasgow, N. S., who writes: "I have used Baby's Own Tablets for my children and from my experience I would not be without them. I would urge every other mother to keep a box of the Tablets in the house." The Tablets are a mild but thorough laxative which regulate the bowels and sweeten the stomach; drive out constipation and indigestion; break up colds and simple fevers and still heavy with the last snowfall make teething easy. They are sold by medicine dealers, or by mail at 25c a box from The Dr. Williams' Medicine Co., Brockville, Ont.

THE QUALITY CIGARETTE

IMPERIAL TOBACCO COMPANY OF CANADA, LIMITED

WELL KNOWN HERE.

The Victoria Daily Times contains a fine photograph of Miss Gwendolyn C. Gillis, daughter of Mrs. J. D. Gillis of the Educational Department of that city. Miss Gillis obtained a B. A. degree and a normal school diploma at the age of 19, which is a very creditable record and one rarely equalled. She was born in Victoria and in 1906, the family moved to the mainland, where she attended the General Gordon School and the King Edward High School and usually led her class. The junior and senior matriculation work was taken in the Victoria High School. Later she attended the University of B. C. and the Victoria Normal School. Mr. Gillis referred to is a son of the late Mr. Duncan Gillis of Glen Valley and a brother of Mr. Malcolm Gillis of the same place.

THURSDAY

WEDDING BELLS.—On March 28th at the Methodist parsonage, Sydney, N. S., a quiet wedding was solemnized by Rev. C. E. Crowell, when Miss Gladys Crawford of Charlottetown, P. E. I., became the wife of Capt. W. R. Tretholm of Boston Mass. The young couple will be leaving shortly for Boston where they will make their future home.

THE THAW BEGINS.

The full winter snow shovelling force of some forty odd workmen is engaged in clearing the street crossings. Yesterday there was a considerable thaw and the gutters ran freely. The sidewalks will be in a bad condition for some days and individual attention to them by householders will assist the city employees in draining the streets as quickly as possible.

THE TRAINS AND MAILS.

Yesterday morning the eastern line was opened to Souris, the Georgetown line having been cleared previously. The Murray Harbor train, which is returning to Charlottetown through cuttings and still heavy with the last snowfall made teething easy. They are sold by medicine dealers, or by mail at 25c a box from The Dr. Williams' Medicine Co., Brockville, Ont.

GOVERNMENT APPOINTMENT FOR MR. WILLIAM KERR.

The many friends of Mr. William Kerr, late manager of the Canadian Farm Products Ltd. will be pleased to learn that he has been appointed by the Dominion Government to an important position in the Department of Agriculture. It will be recalled that Mr. Kerr retired from the Department in order to undertake the management of the Canadian Farm Products Inc.

Ailing Children Get Well on Laxative Syrup Pepsin

A small dose at bedtime brings relief and laughter by morning.

HOSPITAL and doctor's records prove that 75 per cent of human ills has its origin in the intestinal canal, complicated with what is commonly called constipation. Realizing what that figure means, mothers should know the best and most reliable method of handling their children when they still control them that will prevent these future dangers. Teach children regularity of bowel movement, and be especially watchful of young girls. Insist on two passages a day until the age of 18, when one is usually sufficient. Give plenty of oranges and apples, plenty of butter because it lubricates the intestines, and encourage the drinking of water.

If you detect restlessness, belching, gas or wind on the stomach, sleeplessness, or lack of appetite, examine the tongue and you will find it coated, accompanied by unpleasant breath. The child is bilious, constipated. According to age, give from one-half to a teaspoonful of Dr. Caldwell's

ANY FAMILY MAY TRY IT FREE

Thousands of parents are asking themselves, "Where can I find a trustworthy laxative that anyone in the family can use when constipated?" I urge you to try my Laxative Syrup Pepsin. It will give a liberal free sample bottle, sufficient for an adequate test. Write me here for a sample bottle. Dr. W. B. Caldwell, 23 Cathedral Buildings, Toronto, Ont. Do it now!

Laxative Syrup Pepsin, which children never object to taking as they like the taste. By morning the youngster will be well again. Likewise if the nostrils are stuffed up or there is persistent sneezing, a dose of Laxative Syrup Pepsin will break up the fever and cold.

Mr. A. F. Lithgow of Montreal, keeps his family well in that way, and Mrs. E. Whalley of Winnipeg, Man., has been using Laxative Syrup Pepsin for her baby, her mother and herself. Dr. Caldwell's Laxative Syrup Pepsin is a vegetable compound of Egyptian senna and pepsin with agreeable aromatics. The formula, however, is on every package. Druggists have sold it with satisfaction to their customers for over 30 years, and it is now the largest selling family laxative in the world. Buy a bottle today. It will last you for months, and the cost is less than a cent a dose.
