I have used Dr. Wood's Norway Pine Syrup in my family for the last six years, and have found it the quickest and most effective medicine for all kinds of coughs and colds I have ever used. Women who work, whether in the house, store, office or factory, very rarely have the ability to stand the strain. The case of Miss Frankie Orser, of Boston, Mass., is interesting to all women, and adds further proof that woman's great friend in need is Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—I suffered misery for several years. My back ached and I had bearing down pains, and frequent headaches. I would often wake from a restless sleep in such pain and misery that it would be hours before I could close my eyes again. I desisted the long nights and weary days. I could do no work. I consulted different physicians hoping to get relief, but, finding that their medicines did not cure me, I tried Lydia E. Pinkham's Vegetable Compound, as it was highly recommended to me. I am glad that I did so, for I soon found that it was the medicine for my case. Very soon I was rid of every aching pain and restored to perfect health. I feel splendid, have a fine appetite, and have gained in weight a lot."—Mrs. FRANKIE ORSER, 14 Warren St., Boston, Mass.

Surely you cannot wish to remain weak, sick and discouraged, and exhausted with each day's work. Some derangement of the feminine organs is responsible for this exhaustion, following any kind of work or effort. Lydia E. Pinkham's Vegetable Compound will help you just as it has thousands of other women.

The case of Mrs. Lennox, which follows, proves this.

"DEAR MRS. PINKHAM:—Last winter I broke down suddenly and had to seek the advice of a doctor. I felt sore all over, with a pounding in my head, and a dizziness which I had never experienced before. I had a miserable appetite, nothing tasted good, and gradually my health broke down completely. The doctor said I had female weakness, but, although I took his medicine faithfully, I found no relief.
"After two months I decided to try with a change would do for me, and as Lydia E. Pinkham's Vegetable Compound was strongly recommended to me I decided to try it. Within three days I felt better, my appetite returned, and I could sleep. In another week I was able to sit up part of the day, and in ten days more I was well. My strength had returned, I gained fourteen pounds, and felt better and stronger than I had for years. I gratefully acknowledge its merits. Very sincerely yours,
Mrs. BERT E. LENNOX, 120 East 4th St., Dixon, Ill."
