

Fine Racing Is Witnessed On Opening Day

Billy McVey, Marion L. Miss Bonnie Grattan And Col. Dan Are The Winners

An opening day crowd of 5000 harness racing fans was in attendance at the exhibition track yesterday afternoon as the four-day Old Home Week racing program swung into action with Billy McVey, Marion L., Miss Bonnie Grattan and Col. Dan being recognized the winners in the four classes raced.

Keen racing featured the entire program with the usual upsets occurring that kept the colorful holiday crowd in a high state of excitement from the moment Viscount Alexander, Governor General of Canada declared the Fair officially open until the final heat was finished.

Interpreted between the heats was the usual fine vaudeville program that is always part and parcel of the event, with the performers drawing well deserved applause for their efforts.

The meeting continues today with four more classes scheduled for this afternoon and a night racing program also scheduled. Feature event this afternoon will be the Free For All Trot and the classy bunch of trotters that is entered is expected to provide many thrills before the winner is declared.

Four Year Old Futurity

Billy McVey, showing a world of pacing ability, was too good for the field in the first event on the card, chalking up a straight heat victory with three evenly rated miles, the fastest being the second heat when he went the mile in 2:12 2-5.

Getting the word in the first mile Marie Direct went right to the front on the first turn to lead the field of eight starters around to the quarter pole. Here the winner made his move to go into the lead and from there on was never headed. The drives got underway at the three quarter pole but there was no catching the Hooper-owned horse, but nevertheless the crowd got a big thrill as Johnny Kalmuck, eighth at the halfway mark, came through with a burst of speed in the final part of the mile to place second.

The winner made every post a winning one in the second mile. But again the fans saw close battling for the other positions. At the half the field was pretty well strung out but as they hit the stretch the second trip around they were pretty well bunched. Positions were changing rapidly in the last part of the mile, with O. K. Voio coming very fast in the last few yards to beat out Budlong for the runner-up position.

Starting in last place after winning the first two heats, Billy moved up to second place by the time the quarter had been reached in the final mile and as they hit the backstretch the second time around had again headed the field. O. K. Voio, going to a drive at the seven eighths pole, cut down the leader's margin as they raced down the stretch but he was still half a length back as the winner paced under the wire.

Victoria Driving Club 2:19 Trot Displaying her best form of the season and given great drives by veteran driver Tyrone Semple, Marion L. furnished the first upset of the afternoon by trotting off with a straight heat victory in a field of eight horses. Going away on the rail the first trip around she went right to the front with Lusticia, pre-race favorite tucking in behind her. Positions failed to change for the first three quarters of the mile as they withheld their drives, but from that point to the wire the fans saw a great battle with Lusticia and Quaker's Boy both setting out after the flying leader. They couldn't quite make it, Lusticia finishing a length back with Quaker's Boy another stride behind in third place and the remainder pretty well strung out. Never lifting her nose and trotting beautifully, Marion made ev-

ery post a winning one in the second mile. Lusticia tried for the lead right after they were sent away but had to take back as they hit into the backstretch. The field was strung out in a line as they trotted by the stands the first time but from the seven eighths pole on they all went to drives; again it was Lusticia who furnished the opposition for Marion L. but again she couldn't quite make the grade, being a length behind as the winner trotted under the wire.

The third and final heat produced the best racing of the class. Beaverdale got off to the front to lead the field around the backstretch. Here Peerless Hanover trotted into the picture to take over command but in the rapidly changing picture of the race Billy Kalmuck took a turn at leading. Halfway down the home stretch the final time Billy was still in the van but Marion L.'s closing rush carried too much speed as she won the mile with a length and a half to spare over the Kalmuck horse.

Carvell Bros. 2:29 Pace

Miss Bonnie Grattan furnished another upset to the program when she paced off with the last two heats after finishing fourth in the first mile. Money Musk, favored to win, went away on high only to lose the lead at the quarter pole to Babe Britton and the Babe, paying over \$28.00 for a two dollar ticket on the pari-mutuels, was never headed during the rest of the mile. Money Musk and the favored Milady both went to drives at the three quarters but couldn't catch the smooth pacing Babe Britton. Money Musk was second, a length to the good over Abegweit Milady, with the other five horses closely bunched at the end of the race. A couple of lengths further back.

Getting away fast Money Musk shot to the front before the backstretch had been reached. By the stands up the backstretch and past the three quarters he still showed the way. Abegweit Milady pacing on the outside, showed in front as they hit the top of the stretch as Money Musk jumped it off, but in the stretch duel Miss Bonnie Grattan came from far back to head the Milady horse to the wire. Money Musk pulled up lame after his disastrous break, having to be taken off the track in a trailer and was scratched for the third and final heat.

The race winner was never headed in the final mile. Abegweit Milady made an early bid before being forced to take back. As they reached the three quarters Bonnie, Abegweit Milady and Rhodola D were closely bunched but in the battle down the stretch Money Budlong, pacing very fast, came up to take over the runner-up spot and finish just a half length behind the winner. Again battles for the remaining position were very keen.

Perfection Ice Cream 2:19 Pace

Pacing a storm in all three heats Colonel Dan chalked up the third straight heat victory of the afternoon as he outfooted Baldritz and Jerry Grattan in all three heats.

In the first mile Baldritz was showing in front at the three-quarters mark but in the last eighth of a mile Col. Dan came very fast to win the heat. Half way down the stretch Baldritz after relinquishing the lead came on again, with the pair racing under the wire practically neck and neck, but the photo finish shot showed Col. Dan to be in front by a whisker. It was one of the best finishes of the day with the winner paying off \$16.10 for a two dollar ticket.

In the second mile Baldritz again made his bid from the three quarters pole but could not quite make the grade, while in the final mile the winner showed his pacing ability by coming from behind after the halfway mark had been passed, again beating out

Baldritz in another drive to the wire
