

# Erysipelas

Is a dangerous and deep-seated disease, and it takes a powerful blood purifying medicine to relieve and cure it. This BURDOCK BLOOD BITTERS will do if faithfully taken according to directions. Here is unsolicited testimony we have received from people you may know:

January 8, 1900.  
MAY A. PARR, Sleswick, Ont., writes: "I had erysipelas very badly, and my stomach was out of order. Doctors did me no good, so thought I would try BURDOCK BLOOD BITTERS. After using two bottles was completely cured."

February 26, 1900.  
MISS ANNIE LANG, Liscombe Mills, N.S., writes: "I was for two years troubled with erysipelas, and could get no medicine to help me until I tried B.B.B. Four bottles completely cured me."

Jan. 28, 1899.  
SARAH J. DUDLEY, of Ludlow, N. B., writes: "I suffered greatly with erysipelas, and commenced taking B.B.B. and after taking five bottles I was completely cured."

Feb. 6, 1899.  
MRS. T. MARSHALL, Doe Lake, Ont., writes: "I am only too happy to let you know the good I have received from BURDOCK BLOOD BITTERS. I had erysipelas, was run down and got so weak that I could scarcely do my work. I commenced taking B.B.B. and it worked on me like magic, and made me feel like a different person. I cannot recommend it too highly."

Quality of material and workmanship cannot be excelled. Stylish cut and fashionable shapes. The "E.T." corsets are a delight to the wearer and promote good health. They may be had in all lengths and shapes and all colors and shades. They are practically unbreakable.

## The Ultimate Success

of the treatment of Consumption depends altogether on the strength of the patient. The disease of the lungs might be cured a great many times if the system had the strength to cast off the poisons and to bear up under the strain of the cough.

## Park's Perfect Emulsion

of Cod Liver Oil with Hypophosphites and Gualacol renders this possible. It begins by building up the system, correcting and improving the digestion and gradually eradicates the disease. It tones up the entire body and enables the patient to take on firm, healthy flesh and strength. Park's Perfect Emulsion is composed of the purest Cod Liver Oil combined with the chemically pure Hypophosphites and Gualacol, a combination that is being universally prescribed by the foremost medical men of nearly all countries for the treatment of all pulmonary disease. It is prepared in such a way as to entirely eliminate all bad taste or odor, and can be retained by the most capricious stomach.

## Gorget Commonsense

The SAFETY PATENT POCKET which is LONG EXCLUSIVELY to the Parisian Corset Mfg Co. of Quebec and is found only in their "Empire" and "Flora" Corsets, is the most sensible improvement that has yet been made in corset manufacture. It prevents the steels from injuring the fabric and gives the corset a pliancy that makes it conform to the figure like a glove. Please ask the salesman to show you "EMPIRE" and "FLORA" corsets. Best dry goods houses sell them.

## TALE OF A STAMP.

(Ohio State Journal)

I'm a stamp—  
A postage stamp—  
A two center;  
Don't want to brag.  
But I was never  
Licked,  
Except once;  
By a gentleman, too;  
He put me on  
To a good thing;  
It was an envelope—  
Perfumed, pink, square;  
I've been stuck on  
That envelope  
Ever since;  
He dropped us—  
The envelope and me—  
Through a slot in a dark box;  
But we were rescued.  
By a mail clerk,  
More's the pity;  
He hit me an awful  
Smash with a hammer:  
It left my face  
Black and blue;  
Then I went on a long  
Journey  
Of two days;  
And when we arrived—  
The pink envelope and me—  
We were presented  
To a perfect love  
Of a girl,  
With the stunningest pair  
Of blue eyes  
That ever blinked;  
Say she's a dream!  
Well, she mutilated  
The pink envelope  
And tore one corner  
Of me off  
With a hairpin;  
Then she read what  
Was inside  
The pink envelope.  
I never saw a girl blush  
So beautifully!  
I would be stuck  
On her if I could.  
Well, she placed  
The writing back  
In the pink envelope,  
Then she kissed me.  
O, you little godlet!  
Her lips were ripe  
As cherries.  
And warm  
As the summer sun,  
We—  
The pink envelope and me—  
Are now  
Nestling snugly  
In her bosom;  
We can hear  
Her heart throb;  
When it goes fastest  
She takes us out  
And kisses me.  
O, say,  
This is great!  
I'm glad  
I'm a stamp—  
A two-center.

## Shattered Nerves and Weakened System, THE AFTER EFFECTS OF LA GRIPPE.

Have You Had La Grippe? Did it Leave any After Effects?

If it did, read what Mr. F. J. Brophy, of Montreal, Que., has to say of the good Milburn's Heart and Nerve Pills did him.

He Writes: I had a very severe attack of la grippe, which left me all run down, very nervous and extremely weak. I could not sleep at night and was troubled with profuse perspiration, which caused me much annoyance. Hearing of the good effects of Milburn's Pills, I began taking them. Much to my gratification they braced me up, invigorated my whole system, and made me feel like a new man. I can recommend them to all suffering as I did.
